

Learning for our future

**Opportunity — Respect
Excellence**

Heath Wins Three in a Row

From the Principal's Desk

KMS Sports Days

At the start of last week we were concerned about the hot weather, by Wednesday we were worried about rain and oval dampness. However, with optimism and resilience not even a rain deluge on Thursday could stop a great two-day event on the school calendar.

Well done Heath, followed by Rose, Chandler and Southwood.

Kadina Memorial School students are to be congratulated for their efforts and attitudes to the sports days. It was great to see so many students trying their hardest in individual and team events, supporting and cheering on their team, encouraging individuals and filling in wherever they could. Their behaviour on both days was excellent. It shows what quality students we have.

A huge thank you to Mrs Chris Morrison, the Physical Education Faculty and Sport and Recreation Committee members for all their organisation and planning to present two well-run events. Thank you to KMS School Canteen staff who made sure everyone was well fed and hydrated.

Thank you to the Early Years and Year 3-6 Teams for all they did in ensuring all our Reception, Year 1 and 2 students had a great Sports Day. Thank you to all Kadina Memorial School staff for all the hard work prior to and on the day. Every staff member had a specific role and I publicly thank them for their efforts in supporting Sports Day.

A special mention to all our House Captains and Vice Captains, who showed our true R-12ness with all the work they did with the R-6 students and then leading the 7-12's on Friday. It was great to see and I had many positive comments from parents on the day.

**PUPIL FREE DAY
THURSDAY 24 MARCH
ENJOY YOUR EASTER LONG
WEEKEND**

Principal's Report Continued:

To our parents, and the wider school community, a huge thank you for your support and encouragement. We had a lot of parent volunteers at all the different athletic events as well as in the canteen.

The fact we had a huge majority of our school population attend on the day, well prepared and willing to stay right to the end says a lot about the support we have at the school.

Congratulations to all.

Governing Council AGM Wednesday 30 March, 7PM, KMS Hospitality Centre

The Kadina Memorial School Governing Council Annual General Meeting will be held on Wednesday 30 March, 7pm in the KMS Hospitality Centre. We have 10 positions vacant on our Governing Council for terms of two years. It is really important we have a strong parent representation on our Council. If you have ever thought about coming onto Governing Council I invite you to contact me directly to ask any questions you may have.

R-6 Interviews

Your child/ren will bring home information this week about R-6 Interviews this term. I encourage all families to take this opportunity to meet with your child's teacher and discuss their progress this year. If unable to come in and see the teacher at the times scheduled please contact the teacher and make alternate arrangements.

Online R-6 interviews can be booked at www.schoolinterviews.com.au with the code **q5xkj**. If you are having difficulty accessing the website please visit the Front Office for assistance.

Education is a three way process and we need to ensure we work together to improve the educational outcomes of all Kadina Memorial students.

Get the Most out of Parent Teacher Interviews

Parent-teacher conferences are an important part of Kadina Memorial School's reporting system. It is one of the few opportunities parents and teachers have to discuss student progress in a structured setting. Experienced teachers and parents know how to make the most of the short time allowed for a conference. Here are some tips:

- Try to be relaxed. Teachers don't want to put you on the spot or make you feel you are being judged. They want a useful discussion that will help them teach better

and your child learn better.

- All children learn in slightly different ways but the elements of good education remain pretty much the same. Your child is special and unique to you and all good teachers want to see each student as an individual. Most children will do well at school if they master the basics, pay attention and try to co-operate.
- When you and the teacher are united, that's a powerful message from the most important adult team in your child's education. Children will happily play one adult off against another if they can get away with it. When they know you and their teacher respect each other and communicate regularly, children soon accept they just have to settle down to their schoolwork.
- Try to be on time and keep to the allotted time. If you cannot make the appointment, arrange one at a time that suits you better. If you know you need longer than the allotted time, arrange to meet the teacher outside the conference timetable.
- Ask your child if there are any matters you should raise at the conference. Years 3-6 students are encouraged to attend with their families.
- If your child is not making progress, ask teachers for specific suggestions on how to improve learning.
- Stay in regular touch with the teacher to discuss the progress your child is making. Meeting with your child's teachers helps build the strong parent- teacher partnerships needed to reach the common goal of helping your child education.

Some good questions to ask:

- Is my child in different groups for different subjects? Why?
- How well does my child get along with others?
- What are my child's best and worst learning areas?
- Is my child working to his or her ability?
- Does my child participate in class discussions and activities?
- Has my child missed any classes other than ones I contacted the school about?
- Have you noticed any sudden changes in the way my child acts? For example, have you noticed any signs of physical or other problems?
- What kinds of tests are being done? What do the tests tell about my child's progress?
- How does my child handle taking tests?

Try asking your most important questions first, in case time runs out before you and the teacher have a chance to discuss them all.

Above, R-6 KMS Sports Day

Reading to Children

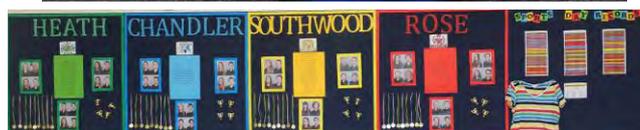

Reading is one of our main improvement priorities for Kadina Memorial, it is also probably the most important skill our students need and one that can make the most difference to all our children's lives.

As a parent I can't impress upon you the critical importance of reading every day with your child (note I didn't simply say 'listen to your child'). This can involve:

- Predicting or telling the story based on pictures
- Reading in one voice (theatre reading)
- Using post it notes to hide certain words to encourage prediction
- Critically for developing readers, re-read the same text and develop fluency, expression
- It's ok for all ages for the parent to skim read and summarise the text (for less able readers, this provides a rough map of the text)
- It's ok to introduce some challenging words you have found in the book and 'teach' them beforehand
- Summarise the book – who were the characters, where was it set? What other books/movies did it remind you of?
- Our data shows the importance of a varied reading diet. Children reading plays, fables, poems, non-fiction, recipes and more will help them to be powerful readers.

Have fun sharing books with your children, if they haven't seen you read a book, you have already impressed upon them a powerful lesson (maybe not the one you intended).

Encourage your child/ren to borrow books from our library. The KMS Library is a valuable resource with staff available to help select reading material of interest to your child. It also has regular, vibrant and interesting displays relevant to our school calendar.

KMS R-12 School Photo Day

Thursday 7 April

Order online www.advancedlife.com.au and enter code **YA6 J6Y MGT** or bring Photo Order Envelope with money on photo day (envelopes distributed with the newsletter). KMS will not accept any photo money for school photos. Sibling and Group photos also ordered online or collect these envelopes from the Front Office.

Kadina Memorial School's approach to induction and mentoring for early career teachers and students will be featured in short professional development film clips. An interstate film crew from the Australian Institute for Teaching and School Leadership interviewed KMS school leaders, coordinators, mentors and early career teachers about the importance of smooth induction processes, support to new educators, and mentoring.

Remember it's a Pupil Free Day on Thursday 24 March (next week). Enjoy your Easter break.

Regards,

Dean Angus
KMS Principal

Sub School News

R-6 Corner: Tapping into your child's Emotional Intelligence

'The single most important thing children need in order to grow into happy resilient adults, is for someone in their lives to be emotionally available to them. Making use of emotional availability and understanding promotes a different, more effective understanding of discipline within families, which allows parents to teach children positive ways to act rather than punishing them using more punitive needs.' - Justin Coulson

Last year I was fortunate to attend an Emotional Intelligence conference presented by parenting expert Justin Coulson. I walked away thinking I wish I'd known this 20 years ago when I first became a parent.

Justin's message is really simple, but to put into practice not quite as simple! It's just about listening more to our kids- when they are defiant or difficult there is always an emotion attached to the behaviour. Often it's just about acknowledging the feeling and administering some emotional first aid, but at the first sign of defiance it raises our own emotional thermometer and our capacity to stay calm and deal with the problem in a compassionate and empathetic manner seem to evaporate. In his book 'What your child needs from you- Creating a connected family' Justin describes using lots of personal anecdotes how to integrate his principles of kindness, compassion and love into everyday life will support a more peaceful, harmonious and functional one, and will raise children who develop into kind and compassionate adults.

Our goal in R-6 this year is to embrace Justin's principles and use them when we are working with students. Acknowledging their feelings, and trying to develop a lens using kindness and empathy to solve problems, we believe is the key to achieving better learning outcomes for all students. We know, 'Wellbeing is central to Learning.'

Integrated within this, is each class developing a class mantra based around the *respect* value. The mantra supports the concept of *Emotional Intelligence* as it is used in conversations to repair and restore breakdown in relationships or communication with the teacher or another class member and uses a restorative, no blame and empathetic approach to solving the problem.

I would recommend Justin's book to all of you, an easy and must read for every parent.

Cheers
Zelly Ritter
R-6 School Counsellor

KMSC Training Day

On Wednesday 24 February we held our KMSC training day. First of all everyone read their speeches to describe what qualities they had as a KMSC rep. We also got to know each other. Students also brainstormed what a KMSC rep would look like if they were using the school values. Then we did team games using the three values, Opportunity, Respect and Excellence. After recess we got straight back into it by starting off with a game of peg chasey. Then we talked about the rules of being a KMSC rep and what it is to be a helpful and unhelpful team member. We discussed how to run a class meeting. Before lunch we rehearsed the Induction Assembly and KMSC Oath. After lunch we discussed all the different committees such as grounds, values, activities and the publicity committee. Some things we are thinking about doing include decorating the Friendship benches, a Golden Child lunch time challenge, fundraising for overseas charities and an R-6 newspaper published once a term. We also voted on who our 2016 leaders should be. We all had a brilliant and successful day and we got to know all our new KMSC reps.

February Post Card Recipients

Unit News: Sports Day

Junior Class: Despite the rainy start and then humid conditions, it was great to see so many family members supporting the Junior students as they participated in all of the events of the R-2 Program last Thursday. The students had participated in some practices with Ms Mengersen's class prior to Sports Day so were keen to be involved on the day. For two students it was their first Sports Day so they were very excited at being able to wear their house colours and participate in the fun events. Parents were also keen to join in and help the students run, jump, throw, and complete the activities. Well done to Andrea and her support staff for preparing the students for the day and to the families who came to assist the students. Thank you for making it a good day.

Senior Class: It was also great to see a number of families last Friday helping and cheering on the Senior students as they completed their modified events for Sports Day. Regardless of the warm conditions the students keenly participated in all of the events to the best of their ability. Thank you to everyone cheering on our students as they ran their 80 metre race. For some of the students it was the first time they had run the whole way. Well done. They were also very excited to receive their ribbons after the events and tried extremely hard to jump, throw and kick as far as they could. Thank you to my support staff who assisted on the day and for families helping make Sports Day a rewarding day for the students.

Sandy Mumford, Unit Coordinator

ATSI/FLO Acquaintance Night

Effective communication and quality partnerships between home and school is essential for supporting successful learning outcomes for students. This is why Kadina Memorial School provides opportunities for parent and community engagement within the school, which strengthens these partnerships.

On Wednesday night, 9 March, KMS opened its doors once again at the ATSI / Flo Acquaintance Night. It was extremely well supported with 54 people taking the opportunity to strengthen the ties between school and home. Families came to learn about the supportive programs our team members offer students, to view the school facilities and most importantly to meet and develop a rapport with staff members. Families enjoyed a feast of pizza and ice cream.

Thank you to all families who supported the event. Our team looks forward to working closely with families to achieve the best outcomes for students in what will be an exciting and enjoyable school year.

Janine McKay

SAASTA Program 2016

Congratulations to Ayeisha Jackson, Angel Webb, Tyrah Rogers, Talisha Lawrence and Drae Hopkins who have been accepted into the South Australian Aboriginal Sports Training Academy (SAASTA) program for 2016. SAASTA is a highly engaging and unique sporting and educational program for Aboriginal and Torres Strait Islander (ATSI) students, which operates weekly at Maitland Area School. The SAASTA program works in partnership with the local school community to provide students with the skills, opportunities and confidence to Dream, Believe and Achieve in the areas of sport, education, employment and healthy living. Kadina Memorial School wishes them all the best with this incredible opportunity and looks forward to seeing them achieve their personal best and hearing about their amazing adventures.

Middle School: No longer 'Word of Mouth' but 'World of Mouth'

Year 7, 8 and 9 students attended Cyber Safety workshops recently conducted by Senior Constable Rob Tucker from Kadina Police.

Most parents, as students, would never have had to attend such a session. Yes, times have changed. Over 50 percent of our world population is under 30 years of age, that's a lot of people using technology in their everyday connections with work and social life.

It is imperative we address the cyber world our children are living in. Armed with Smartphones that do so much more than make a phone call, we need our teenagers to make smart choices with their Smartphones. However it would seem even the smartest students make mistakes when it comes to privacy and settings, online protocols, managing relationships and their reputation. Their digital shadow is very much a part of their identity.

Despite recommended membership age from 13 to 17 for Facebook, Snapchat, Instagram, ask.fm, KIK and the like, is often advice ignored. The reality is many students unintentionally engage in cyber playgrounds where adults play too.

Consequently our students were reminded to keep their privacy settings updated, ignore 'randoms', say no to freebies or credits when gaming, to read terms and conditions, decline or block unwanted attention, watch what you say and who you say it to, know the #hashtag turns anything that was private to public and to generally practise safe responsible use. When signing up to the free sites teenagers unknowingly sign over their photos and personal information. Senior Constable Tucker reminded us **no-one** is completely anonymous online. To quote the seminar put together by the Australian Federal Police **'If you don't pay for it, you're the product.'**

A concerning fact recently in the media (*The Weekend Australian 6 March 2016*) highlights the online availability of pornography to our young people. Boys and girls are receiving the wrong messages about sexual relationships. A survey conducted and reported in *The Advertiser* last week stated 50 percent of the 15-19 year old females surveyed said boys were pressuring them for sexy photos, videos or messages.

In this situation as the guiding lights in the lives of our younger generation we need adults to step-up with adult males demonstrating appropriate ways to treat females and for adult females to instill in young females what is suitable and acceptable when it comes to relationships.

A slide during the seminar reinforced naked selfies, semi or suggestive images under the age of 18 years of age, taken, sent, given out or held is an offence under the

Child Sex Offenders Act. Degrading or humiliating footage such as filming a fight is also an offence.

As teenager role models we need to model appropriate language and behaviour in our relationships, so at this critical time they can see and hear the way we treat each other. Talking with our young people about their actions, getting a dialogue going with them so they can ask themselves in the moment: 'Will what I'm about to 'post' online lead to trouble? Is what I intend to send or be part of reflective of our school or family values? Would my parents be proud? Is it legal? Is it against the rules?'

Students were reminded what goes online, stays online and the importance of tidying up Facebook pages and profiles is worthwhile as employers often Google job candidates. Is their online activity going to make it difficult for them to be employed? Do their online photos and associated text disadvantage them in the employment sector?

In relation to the devastating psychological effect that online bullying can have, students who often witness bullying were encouraged to STAND UP to the person bullying, SUPPORT the person being bullied and be HEARD; talk with a trusted adult if the bullying continues.

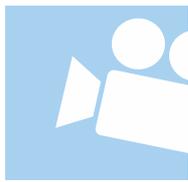

Students in our audience on Friday were engaged, listening and sometimes squirming, let's hope it had an impact as intended, to give them clear information to make smart, informed choices, today, tomorrow and beyond.

There are so many positive experiences by using technology, to enhance relationships and further education. Like using the road, using technology means being responsible, being safe, working within the rules and guidelines, being aware of our behaviour and the impact on others as well as being conscious to question the behaviour of other users. Safe using is the key!

Robyn Paterson
Middle School Counsellor

Above, Senior Constable Rob Tucker talks to Middle School students about social media safety.

ART BEAT

Primary Performing Arts

Through Performing Arts at KMS, students are encouraged to often step out of their comfort-zone. In a supportive environment, students can explore their creativity and build resilience when they don't quite sing the right note, forget their lines, make a squeak with their recorder – the first time! It just means they haven't quite got it right YET, and that's okay 😊

Several of our classes, as well as Choir have seen the inclusion of some students from the 'Unit' and 'Small Class'. Primary students get a wonderful chance first hand to increase their understanding, empathy and skills on how to be inclusive to all.

In weekly Performing Arts lessons, **all Year R – 6 students** in Term 1 are exploring **Media**. Learning includes using a specified App on an iPad to create a multi-part story, the inclusion of a 'Play Is the Way' concept into their story and teamwork to create a finished product on time.

The **Year 5/6 Choir** has had two lessons where they've received their books, CD and welcomed our piano accompanist Mrs Brenda March. Initial preparation is for a short performance to Mayor Paul Thomas and the Probus club in week 10 as well as the end of Term assembly.

The **Year 4 Recorder Group** is ensuring their left hand is at the top while they focus on an even sound with no squeaks!

Instrumental students in their 2nd year of learning have begun **Junior Ensemble** with 1st year students aiming to join them by mid-year or earlier if they can master the set piece!

Jo Hurrell

Arabella, Brooke and Kyra-Lee at their 'Movi' Instrumental lesson with teacher Mrs Lynn Sheridan based in Crystal Brook.

Instrumental

Instrumental lessons are well underway -:

- Monday Brass
- Tuesday Percussion & Strings
- Thursday Woodwind
- Friday Woodwind

KMS Sports Day

Despite a delayed start due to the wet weather, our Sports Days once again proved to be very successful and enjoyable. The resilience and flexibility shown by everybody on the Thursday contributed to the day being a great success, with the R-6 students participating with great enthusiasm. Heath led the way at the end of Day 1, followed by Chandler, Rose and Southwood. The R-12ness of the school was reflected with about 40 Middle and Senior School students helping out.

On Friday the 7-12 students competed with determination and displayed great sportsmanship in what proved to be quite hot conditions. Despite Chandler breaking a number of records and providing a number of the Age Group Champions, Heath reigned supreme, winning three Sports Days in a row.

All record breakers will be acknowledged in the next newsletter.

It was fantastic to see so many parents and families at both days – thank you for supporting this event.

I felt proud to witness staff, students, parents and volunteers all working together to make it successful. A lot of people put in a huge effort to make these days happen and I would like to publicly thank our ground staff, Vicki Hartleib and her canteen volunteers, all volunteers who assisted with events, Moonta and Maitland Area Schools for use of shades and equipment and Little Athletics for the use of equipment. Special thanks to the HPE staff for their efforts.

Please take the opportunity to provide us with some feedback so we can continue to improve on our delivery of these days.

We would appreciate your feedback via this link:

<https://www.surveymonkey.com/r/SportsDays>

Again, many thanks.

Chris Morrison
Head of PE and Health

APOLOGY: Please note, in the KMS 2016 Sports Day Program it reported Blair Olsen as the 2015 U13 Boys Runner Up. Blair Olsen was the 2015 U13 Champion.

2016 Individual Champions

KMS Sport News

Open Knockout Tennis

On March 3, eight senior students took to the tennis court and competed against Clare High School. Looking at past history it would be a close contest, and the day's competition held up to expectations.

All students tried hard and finished with close nail-biting games. The girls' and boys' team were defeated by 2 and 6 games respectively. Well done to all students involved.

Full result

Girls: Clare def Kadina 3 sets to 3 29 games to 27

Boys: Clare def Kadina 3 sets to 3 29 games to 23

2016 NYP SAPSASA Softball

Congratulations to the following students who have been selected to compete at the SAPSASA Softball Competition in Adelaide next month.

Tahlia Knibbs and Alanah Stack have been named in the Girls' Team. Henry Davidson, Wade Walker, and Aaron King were selected in the Boys' Team. Good luck.

2016 NYP SAPSASA Swimming

Congratulations to Wilfrid Ramsey and Brodie Holland who were selected on the 2016 NYP SAPSASA Swimming Team.

Bute Football Club: Training for the Under 10s will be this Thursday 17th starting at 5pm at the oval. For more information contact Coach Kent Paterson 0429 178 741.

8/9 KO Cricketers Bowl Over Maitland

On Thursday 25 February (Week 4) the Year 8/9 boys Knock Out cricket team travelled to the lush green outfields of the Kadina town oval to record a 35 run victory over a competitive Maitland Lutheran School outfit.

Kadina won the toss and elected to bat on an overcast morning resembling an English summer day. Captain Ben Davies (25) channelled his inner Brendon McCullum and made a solid start to the innings, scoring plenty of boundaries and was ably supported by partner Braden Aldridge (5). Harry Williams (12), Matt Borlace (11) and James Schilling (13) helped to progress the score with small contributions but wickets continued to fall at regular intervals. A 32 run 8th wicket stand between a defiant Trent McCauley (18 N.O.) and Ethan Ward (14) ensured the total was pushed to a healthy 8/135 at the completion of Kadina's allotted 35 overs.

Maitland commenced their run chase in steady fashion before Brodie Ramsey (1/12) and Braden Aldridge (3/4) ripped through the top order to have them reeling at 4/25. The highlight of these wickets was a fleet footed Ethan Ward bounding like a baby gazelle at mid on to take a spectacular lunging catch. His teammates were nearly unable to catch Ethan as he ran towards the boundary celebrating like Shane Warne when he collected his 700th test scalp. From here on in, regular wickets fell with Matt Borlace (2/8) and man of the match Trent McCauley (2/9) leading the charge. Eventually, Maitland were dismissed for 100 in 32.4 overs with four dropped catches the only blemish on an otherwise successful day for KMS.

Thank you to Kadina Football/Cricket Club for their facilities, Gavin Branford for scoring the match and the players who continue to contribute positively to the school's sporting culture.

Shane Moss, Coach.

DMC & KMS Notice Board

Decision Making Committee

The KMS Decision Making Committee (DMC) is a Representative Committee consisting of staff, students and parents who meet each fortnight. The next DMC will meet on Monday 21 March, 5pm in the Staff Room.

Year 8 Immunisations – Thursday 14 April

Kadina Medical Associates provide Year 8 vaccinations this year. Year 8 students have been given a consent package for the vaccinations. This contains detailed information about the vaccines and what to expect. The first round will be to give Varicella (chickenpox) and HPV (human papilloma virus).

Varicella is a highly contagious virus. Complications can include pneumonia, inflammation of the brain or spinal cord and death. Even milder cases can cause scarring. If you are not sure of your child's vaccination status, having a dose even if they have had a dose previously is not dangerous.

Human Papilloma Virus is responsible for cancers of the genital area, throat and mouth. Cervical cancer in women and genital warts in both male and female. Some neck and head cancers. This vaccine does require three doses over the year to provide the best immunity. It is important to receive the full course.

The vaccines are well tested and safe and any side effects are minor. Please complete the consent form accurately, fill in all areas and return to Care Group teachers as soon as possible.

Canteen News: Thank you to our many volunteers who helped during Sports Day week. It's always a huge achievement for us to run two Canteens and supply many families with food and drinks on the day. Thank you to Sonny for his support and help setting up the Little Athletics Shed. Without this facility it would not be possible to supply the service.

We sold 320 hot dogs, 70 chicken burgers, 70 tender wraps, 30 pies, sausage rolls, 150 donuts and plenty of drinks. We appreciate your support for our canteen and all feedback is appreciated to improve every year.

Changes in menu items – Unfortunately we are no longer able to source these items due to suppliers deleting these lines.

Iced tea – No longer available

Breaka Milk (new name) UHT Oak Box, 250ml @ \$1.50

Vicki Hartleib, Canteen Manager

Scholastic Book Club: Brochures will accompany the newsletter for primary students; middle school students can obtain brochures from the Common Room, and in the library for senior students. Please ensure orders and payment is returned to the Finance Office by Friday 25 March. This is an offer only with no expectation to purchase. Late orders will not be accepted to due time constraints. Thank you.

R-6 Parent Meeting – Reading and Comprehension (and a little bit about maths!) Wednesday 23 March, 9am, KMS Library. A great way to learn how to support your child's reading. ALL WELCOME.

Community News

Kadina Hockey Club: Registration Day. New players welcome in all grades. From 4:00 pm, Wednesday 23 March at the Hockey Fields. **Mini Colts** (Girls & Boys aged 5 to under 9). **Junior Colts** (Girls & Boys under 13 yrs). **Senior Colts** (Girls & Boys under 16 yrs). **Men and Women** (16+ years) – registration from 5.30pm. **Note:** No Training on Registration Day. **First Training Day** – Wednesday 30 March. Any queries please contact John Duka on 0427794124

Kadina Netball Club - Net Set Go: Program to run from the start of Term 2. To register please contact Carolyn Neumann 0408 836 150

Messy Church – Kadina Uniting Church Hall, Friday 8 April, for more information contact Jane Gersch on 8821 3345.

Yorke Peninsula Junior Soccer: A Junior Soccer League has been established on the Yorke Peninsula for boys and girls – 4 to 16 years old. Training is held for players 9 years and over 1 night per week. Games for all ages are held on Sundays at Moonta Area School. Season includes two come and try sessions, 15 rounds of formal competition and a tournament to finish. Come and Try Sunday 10 and 17 April, 10-11:30am. The formal season starts on Sunday 1 May and finishes on Sunday 28 August. Registration costs \$90 for the first child, \$85 for the second, \$80 for the third and any subsequent children. YP Soccer Association is registered with the Government of South Australia and all primary school aged children are eligible for a \$50 rebate on their registration through this scheme (providing they have not claimed it for another sport). Call Tony 0438 470 386 or Kirsty 0422 004 148 for further information. In 2016 we are starting a Senior Soccer League for all players interested who are 17 or older. Contact Tony on 0438 470 386 for further information.

To inform KMS that your child/children are absent or late with reason:

1. Phone: 8821 0100
2. Text: 0417 963 378 with name and class
3. E-mail: dl.0778.frontoffice@schools.sa.edu.au, or
4. Write and sign a note in your child/ren's diary.

KMS Newsletter is published fortnightly, usually on Thursdays and given to the youngest member of the family. Alternative ways of receiving the newsletter are e-mail (please send a request to dl.0778.info@schools.sa.edu.au) or accessing on the school website at www.kms.sa.edu.au (please allow 48 hours for uploading).
