## 2017 ANZAC Day Commemorations

### From the Principal's Desk

Welcome back to Term 2! We trust you all had a restful break and are ready for a solid term of learning.

We welcome four new families to Kadina Memorial, with one family transferring from a local school and two who have moved to the region.

While the holiday is a time to 'pause', many students also participated in school and community organised events. It was heartening to see Kadina Memorial School's representation at ANZAC Day events across the district, including Dawn Services and marches at Kadina, Wallaroo, Bute and Moonta.

Year 12 History students attended the annual Melbourne Dawn Service at the Shrine of Remembrance as part of their History Trip.

Thank you to the students, their families and staff who attended ANZAC Day events.

As a 'Memorial' School it is important we honour those who serve our country during wars, are in the armed services and continue to protect our freedom.

The holiday was also a busy time for Year 12 students who participated in 'Ace Your Exams' workshops. Thank you to Year 12 coordinator Miss Megan Tucker and Mr Tom Ackland for their time and commitment, providing an opportunity to students to maximize their learning.

I also thank the Middle and Senior school students who volunteered their time feeding and caring for animals in the Ag block over the two-week break.

### Communication with Families

Quality partnerships with families is a key ingredient in students' learning success. Given this, as a school, we are committed to a range of ways of communicating with families, which include:

- A fortnightly newsletter, provided to the youngest child in the family. This contains the Principal and Heads of sub schools news, Art Beat, sporting updates, the most recent calendar and Decision Making Committee proposals.
- Regular facebook updates and reminders.
- The smart phone Skoolbag app which also provides reminders, newsletter distribution and other important updates
- Class or faculty circulars for events, excursions and camps.
- Interviews Terms One and Term Three and reports in Term Two and Term Four.
- Some Care Groups use specific ICT programs to keep all involved and informed.

### REMINDER

EARLY CLOSURE

TERM 2 WEEK 3

TUESDAY 16 MAY 2:20PM

BUSES DEPART AT 2:30PM

### *Principal's Report Continued:*

- Emails for behaviour, non-submissions or other matters. All staff have access to families' emails electronically for timely communication.
- Text messages as a quick way of keeping all informed.
- Phone calls as required.

It is critical we have families' up to date phone numbers (including mobile), email and home addresses to ensure when we need to contact you we can do so quickly.

The question asked is, given the range of communications, 'What is the most effective way of communicating?' 'How frequently do we need to communicate?', and 'Given new social media approaches what, if any, should we adopt?'

Governing Council, as the eyes, ears and voices of the school community will explore this as one of their priorities this year. It is always healthy to review all school processes and acknowledge that the communications landscape has changed greatly since Kadina Memorial School began in 2013.

### **Staffing News**

We welcome a number of new staff this term. Miss Holly McClure is teaching English, Research Practices and R-6 PE and Science, while Mr Tom Buckerfield will teach Middle School PE, HASS, Design and Technology. Mrs Julianne Wyatt and Mrs Nina Farr are teaching Early Years replacing staff currently on leave. School Services Officers Carly Daniel, Catherine Love and Anna Coates are also supporting students while staff are on leave. We welcome Andrea Harvie to the Unit, back from maternity leave. We also farewell Pastoral Care Worker Tim Slater and thank him for his contribution to Kadina Memorial over the past two years.

### **'Kiss and Drop'!**

Parking at the front of the school on Doswell Terrace, including the 'kiss and drop' zone, was operating quite efficiently in the afternoons by the end of Term One. We thank families for the actions taken to model appropriate safety and road rules to their children by not double ranking, if unable to park driving around the school, and observing the speed limit. It was particularly encouraging to see a number of Middle and Senior school students walking to their family, which enabled younger students or those with injuries to access this limited three minute parking area.

Our focus this term moves to maintaining this good standard in the afternoon and improving safety in the morning time slot.

### **National Volunteer Week 8<sup>th</sup> May-14<sup>th</sup> May**

Kadina Memorial School acknowledges this is National Volunteer Week, an annual celebration to acknowledge the generous contribution of our nation's volunteers. At Kadina Memorial School we will thank our volunteers at a morning tea celebration in Term 4 2017.

### **Term Two Learning**

Term Two is seen as the first of the two big learning terms. With Naplan this week and interruptions to learning minimised, students have the opportunity to engage in deep learning over an extended period.

The next Pupil Free Day on **Tuesday 13 June** sees staff from across the YP Partnership meeting in small year level teams to moderate learning to ensure consistency of A to E grading across sites.

This joint focus on learning enables teachers to share and learn from each other and builds teacher quality, which is a key for improved learning outcomes.

### **Motor X World Championships**

Congratulations to Year 8 student Alex Larwood on his selection to compete at World Junior Motocross Championships in Estonia, Northern Europe, in late July.

Alex will contest the 85cc class. His riding resume to date has seen Alex notch up 91 winning races from 108 starts.

We wish Alex and his family all the best in the lead-up and during the event.

Cheers,

Debbie Terrett  
Principal

Senior KMSC Representative Graice Della Torre participated in Moonta's ANZAC Day service.

## R-6 Corner

A settled start to the term with the Premier's Reading Challenge kick-off on Friday for students in Years 3-6. It was wonderful to see so many parents and caregivers take the time to attend the launch and then read with students.

There are charts in the BER Hall where each individual adds a 'sticker' to their class chart once they have had a book checked off. Not all books have to come from the Challenge list – students are able to select up to four books of their own choosing. Once students have completed their 12 books they will go into a draw to win a prize. There will be two draws. There is also a prize for the first class who completes the Challenge.

We are finishing the Challenge at the end of this term. A huge thank-you to Courtney Penney for her organisation around this and to the Library staff for assisting students with finding books suitable for the Premier's Reading challenge.

I would like to share a few of the photos from the launch.

Tarryn Germein  
Head of R-6

## Unit News

At the beginning of this term we welcomed back Andrea Harvie as the Junior Class teacher where she will be working full time. Thank you to Vicki Golder for filling in for Andrea while she was on leave.

This term our theme is "Old and New". Each fortnight there will be a focus on a different topic

- Introduction to the topic "Old and New"
- Weeks 2 and 3 Cornish Festival
- Weeks 4 and 5 Old and New Cars/Transport
- Weeks 6 and 7 Old and New Buildings
- Weeks 8 and 9 Old and New School Life
- Week 10 Old and New Toys

We are also looking into the possibility of having an excursion to visit the Moonta Mines Museum and Heritage area.

At the end of Term 1 in Week 11, the Unit students participated in swimming lessons at the Copper Coast Sports and Leisure Centre. The students thoroughly enjoyed these lessons and thanks must go to the organisers of this program and the instructors. It's great that the students are able to access these lessons funded by DECD. The students look forward to the next block of swimming, which may be scheduled at the end of the term.

## Senior School Phone Parking!

Year 12 staff and students now have a novel way to store mobile phones and resume learning with fewer distractions.

Senior staff initiated 'Phone Parking' where students place their phone in one of the pockets and take a parking ticket. At the end of the lesson, they put the ticket back and collect their phone.

The system has been successful with less mobile phone interruptions during class.

## Elevate 'Ace Your Exams'

On Tuesday 18 April, Year 12 students who will be completing end of year SACE Exams were given the opportunity to attend an Elevate 'Ace Your Exams' presentation. During this session, students were given tips on:

- Highest value exam preparation tasks
- Fixing mistakes to ensure constant improvement
- Time allocation during exam preparation
- Techniques for managing stress and time pressure in exams

Students overwhelmingly found the session valuable and we appreciate the support of families in assisting their children to attend a school session during the holidays.

## Year 12 History Trip

On Sunday 23 April, 13 students from the Stage 2 Modern History class flew to Melbourne, along with Miss Tucker, Mr Ackland and Mr Hedges. We were given the opportunity to attend the ANZAC Day Dawn Service at the Shrine of Remembrance along with 30,000 people. Other activities on the trip included visiting the Old Melbourne Gaol, going to the Melbourne Museum, having a tour through Captain Cook's Cottage and visiting the Shrine of Remembrance Museum. We also visited the Jewish Holocaust Centre and were privileged to meet a Holocaust survivor. This was an extremely eye-opening and unique experience which many of us recognise as the highlight of our trip. Even though we did a lot of walking and had to brave Melbourne's unpredictable weather, we all agreed the trip was a fantastic experience.

## Generations in Jazz 2017

The Kadina Memorial School Jazz Band made up of 10 students, travelled to Mount Gambier to compete in the Generations In Jazz festival for 2017. This being our fourth year of competition, Mr Hahn decided to compete in a higher division. The adjudicator was very encouraging and gave the band helpful tips to better our playing. This event is run over a 3-day weekend. Each night there is a live performance hosted by James Morrison. James Morrison runs the Generations In Jazz and has for many years. The band performed three jazz pieces on Saturday, the set piece Second Take, the ballad, Prayer Meetin' and a song of their choice 702 Shuffle.

On the Sunday we participated in numerous musical workshops run by world-class musicians. We all had a great time overall. Although the band did not place we are happy with our performance and are excited for the oncoming years to improve.

As a band, we would like to thank everyone who supported us throughout our fundraisers and are overall thankful to everyone who helped us along the way.

'It's amazing to see world class musicians perform live.'

Chloe Martin

'The opportunity to perform in front of adjudicators and receive specific feedback furthered my understanding of jazz music.'

Isaiah Furman

'This experience was very inspiring towards my future career'

### DIARY DATES

**Advance notice of known dates :-**

**What?** Kernewek Lowender

**Who?** KMS Jazz Band, Primary Choir and Recorder Group

**Where?** Moonta (Maypole), Kadina (Furry, Maypole)

**When?** Friday 19<sup>th</sup> and Saturday 20<sup>th</sup> May.

For the last term and two weeks we have been studying guardian sculptures. We started by researching animals and their symbolic meanings in other cultures to find animals that would make good guardians. We then sketched up a drawing of three animals and combined them to make one animal. We made clay sculptures of our animal, which could be fired in the kiln. Once they came out we used painting techniques to finish our sculptures, they all looked unique and amazing!

## NAPLAN

Kadina Memorial School's Year 3, 5, 7 and 9 students sat the National Assessment Program – Literacy and Numeracy (NAPLAN) this week.

Above, Year 9 students sitting the Language Conventions NAPLAN test.

## Elevate Education 'Ace Your Exams'

Year 12 students took time out in their holiday to learn how to maximize their exam results.

## Animals in Agriculture

Middle and Senior students volunteered during the holidays to care, feed and clean animal pens. Below Jack Voigt and Lachlan Napier get to know the unique characteristics of goats!

## Early Years Easter Craft Activities

Mums, dads, grandparents and carers dropped in for an afternoon of fun Easter craft in the last week of Term One.

## KMSC ANZAC Day Representation

Senior KMSC students represented Kadina Memorial School at Moonta, Bute and Wallaroo ANZAC Day events. Thomas DePledge participated at Wallaroo, Graice Della Torre at Moonta, Captain Rosie Daly and Vice Captain Kiara Mercer addressed the crowd at Kadina's Dawn Service and Nathan Jones represented the school at Bute. ## Student Mentors and PAL Leaders Assembly Induction

Two groups of student leaders were recognised at the R-6 Assembly at the end of Term 1.

The Student Mentors are students from each class who provide a welcome and an induction to new students to the school. All Mentors undergo training about the role and the requirements of being a Mentor.

The second group was students who have volunteered, written an application and spent a whole day training to become PAL (Play at Lunch) Leaders.

These students provide lunch time games and activities for students in Years R-3 one lunch time a week. They will begin their sessions with Reception and Year 1 and 2 students from each class this term.

Congratulations to both groups of students for accepting these Leadership Roles within our school.

Zelly Ritter  
R-6 Counsellor

## Kernewek Lowender

**Maypole and Furry dance performances**  
**Friday 19 May, Moonta, George Street, 11.30am**  
**Saturday 20 May, Kadina, Graves Street, 12pm**  
**(Students meet Mrs Hurrell 30 minutes prior)**

## Maypole and Furry Dance

The school has come alive with the sound of music after school on Wednesdays for the past few months with students practising the Maypole for Kernewek Lowender.

The traditional Cornish dance involves an intricate dance, weaving ribbons to create a pattern around a pole.

It involves teamwork and a lot of concentration!

Furry dancers have been busy learning their steps during lunch times.

On the two days of performances the students will be wearing traditional Cornish costumes. It is an impressive sight seeing Kadina Memorial students in full Cornish dress during both dances.

Thank you to Jo Hurrell, Jan Halse, Courtney Penney, Catherine Smart, Ben Graefe and Kylie Slattery who have given their time to train the Maypole teams.

## Agriculture in Residence

It's always an exciting time of the Ag curriculum with the arrival of goats, sheep, steers and dairy cows.

Students work one-on-one with the animals learning about animal husbandry and the various animal industries, including the dairy sector.

We are pleased to welcome four-week-old dairy calves 'Robbie' and 'Sunday' as part of the Cows Create Careers project. Year 10 students will learn how to bottle-feed the calves and care for them, as well as hearing from a dairy advocate presenting an in-depth overview of Australia's dairy industry.

# Memorable Trip to Nepal

Purchasing school uniforms, painting classroom walls, and cooking a meal for up to 60 children, are just few of the tasks Kadina Memorial School staff Lorraine Speed and Kerry Rover undertook during a stay at the Rainbow Children's Home in Pokhara, Nepal recently.

The two-week visit in March provided the School Services Officers (SSOs) an opportunity to connect with two Nepalese sisters sponsored by Kadina staff for the past six years.

Mrs Rover and Ms Speed were heartened to learn the girls' had returned to their family, knowing the sponsorship provided a good start to their education.

'Lorraine and I gave the girls a little parcel and we wished them well in their new family life,' Mrs Rover said.

However, poverty in a third world country means there are many more children who need help.

The Home introduced to Mrs Rover and Ms Speed three new siblings who had just arrived and required basic needs.

'It just seemed to fall into place that we, as a school, would take care of the two brothers and sister,' Mrs Rover said.

'It was wonderful to see the children develop so much in the two weeks we were there. We purchased uniforms, shoes and a bag ready to start their first day at school,' she said.

'This money was given by Kadina Memorial staff members. It was a privilege that Lorraine and I got to know the children really well and spoil them a little while we were there.'

'Basically, we collect money during the year, either through spare change in tins and jars, KMSC contributions and staff donations, and an occasional morning tea for a donation.'

Mrs Rover was pleased to share the experience with primary classes late last term, especially the differences between a 'typical' school and classroom in Australia to one at the Rainbow Children's Home.

Kadina Memorial's association with Rainbow Children's Home began after local lady Ro Costello was a guest speaker at an SSO meeting. Mrs Costello frequently visits the Home and sells woven bags at the Kadina Rotary Markets to raise funds for the underprivileged children.

From left, Lorraine and Kerry with siblings Mamita, Kamal and Bikash who Kadina Memorial staff will sponsor. The sisters who received educational support from Kadina Memorial staff and students for the past six years and have now returned to their family. Below, the sibling's first day of school ready in their school uniforms.

## SANTOS Athletics Championship

Monday Week 11 our 44 student team ventured to SANTOS Stadium to compete in the C-Division Athletics Championship. In an opportunity that only some students get they were able to run on the same track as many of our Olympic Champions.

We had some great results throughout the day. Special mention to some of our place getters:

1st Steffanie Goodwin High Jump Open Girls  
1st Cheyanne Ostendorf Discus U14 Girls  
1st Zara Hicks Long Jump Open Girls  
1st Phoenix Zanker 200m U14 Girls  
1st Jack Hobbs 800m Open Boys  
1st Brock Thomson High Jump U14 Boys  
1st William Pearce Discus U14 Boys  
1st Dylan Branford 400m U14 Boys  
1st Alex Elsworthy Discus U15 Boys  
1st Jack Hobbs 1500m Open Boys  
1st Seth Osborne 400m U16 Boys  
1st Josh Pearce Javelin U15 Boys  
1st Khalid Shaid Triple Jump U16 Boys

There were also 14 second place positions achieved and 13 third place achievements. These results contributed a long way to our success on the day. However, many students took the opportunity to fill in for events that may not have been their strength and this attitude and willingness to have a go also contributed to our success. It was great hearing students say they enjoyed the challenge coming up against quality opposition. It is easy to take on a challenge when you know you're going to win, by definition it isn't a challenge. The real courage is to attempt knowing you may not succeed. Not only did the students take on that challenge, but they did succeed - many times. They were an absolute pleasure to take away, thank you to all students for involving yourselves. This attitude saw the boys walk away with

the C1 Boys Championship and Kadina finishing fourth in the overall standings. Well done team, a fantastic effort. It was a very proud day for your teachers, your school and yourselves.

## AFL Diversity Championships

Year 10 student Lachlan Jones competed at the 2017 AFL U15 Diversity Championships in Sydney, from Saturday 8 April to Thursday 13 April. Teams all played six games before finals on Wednesday and the Grand Final on Thursday morning. The SA Indigenous team, coached by Harry Miller from Port Lincoln, won its first three games against Victoria, Queensland and NSW/ACT. However, the team lost against Western Australia, Tasmania and Northern Territory. The SA Indigenous team made the first final Wednesday morning against Victoria but lost by four points. It was a great week with many new friendships made and lots of experience to be had.

# 2017 SAPSASA Softball

The NYP Boys' Softball team competed in the SAPSASA Softball State Carnival in Adelaide late last term.

The team: Wade Walker, Aaron King, Tjay Tyndall (KMS), Jake Carruthers-Murray (MAS), Jayden Steer (SMMS), Hayden Witt (WPS), Owen McCarthy, Dean Montgomery (BPS), Kyle Zeller (MDS), as well as Axel Westren-Schapel and Ajax Westren-Schapel from Black Forest PS in Adelaide.

## Monday

**Game 1: NYP v Gawler.** NYP scored with batters home and great fielding which saw Gawler kept to only 1 run. In the second innings NYP scored the maximum 7 with no batters out and although Gawler managed to score 4 runners home, NYP batted again for another 6 runs. NYP won the game 13 – 5.

## Tuesday

**Game 2: NYP v Upper South East.** NYP scored the maximum 7 runs with only 1 out and fielded with confidence. After USE batted the scores were 7 – 6 in NYP favour. The NYP boys started their fielding innings off well and after an exciting game the teams were 10 runs a-piece.

**Game 3: NYP v Murraylands.** The NYP boys were under pressure managing to score Wade Walker home before the next 3 batters fell to good pitching. Though Jayden Steer was pitching strikes under tough conditions the strong batting from Murraylands saw them score the maximum 7 runs without losing a batter. The NYP boys fought back, with loaded bases when Axel came up to bat. With a powerful hit deep into left field all 4 runners scored, a great grand-slam! The game was intense but NYP eventually defeated Murraylands 13-9.

## Wednesday

**Game 4: NYP v Riverland.** NYP batted first again but didn't start well. Riverland scored a run before NYP fought back with great fielding to get the next 2 batters out. With some great pitching and fielding the NYP boys got their 3 outs without letting a runner score. The NYP boys were confident in the last fielding innings. Through good pitching and fielding NYP achieved 2 outs to draw the game.

**Game 5: Barossa & Light v NYP.** NYP took to the field with enthusiasm and through excellent fielding held B&L to only 1 run before getting the required 3 outs. NYP started well with Wade Walker getting home before the next 3 batters were dismissed by B&L. NYP batted well with 4 runs scored before the innings closed. With only 10 minutes to go NYP got their 3 outs without a runner getting on base through great pitching and fielding. With the game in their hands NYP only needed to score 1 run for the win but B&L managed the 3 outs required without another run being scored. NYP 9 – B&L 9. A great game!

## Thursday

**Game 6: Onkaparinga South/North v NYP.** After having 3 draws in their last 3 games the NYP boys were keen to get onto Diamond 1 and play well. The first innings saw Onkaparinga score 5 runs to NYP's 1 but NYP fought back to

hold Onkaparinga to 3 runs. The last innings saw Onkaparinga score 7 runs with only 1 out and though the boys from NYP fought hard and scored another 3 runs the end result was NYP 5 – Onkaparinga South/North 15. The first loss for the week.

**Game 7: NYP v Murray Mallee.** Batting first, NYP batted well, base ran strongly and stole bases effectively to score 7 runs with no outs. Murray Mallee also batted strongly, scoring 6 runs before their innings ended. With only 1 run in the game the NYP boys scored another 3 runs and great pitching and fielding saw NYP hold. Final score: NYP 11 defeated MM 8.

## Friday

**Game 8: Barker v NYP.** This was going to be a tough game coming up against the top team, with a former state player providing a pitching lesson. NYP started well, allowing 1 run home before getting the required 3 out. Going in to bat with confidence NYP was given a master class in quick pitching with the first 3 batters struck out. Then a mistake by the Barker catcher and great base running from Jake Carruthers-Murray gave NYP their first run before the next three batters were struck out. With strong pitching and fielding NYP only allowed Barker to score 2 runs. Barker changed pitchers, as the ex-state pitcher had pitched his maximum. With renewed confidence the NYP boys batted in 5 runners through great base running before the Barker boys struck back. Only 10 minutes to go saw NYP up by 1 run with a potential competition upset. With only 1 out to get for Barker to draw the game and 1 run for NYP to win the game, the umpire called time and game. The scores reverted to the last complete innings. NYP 9 – Barker 8. A fantastic win for NYP to complete a successful Carnival.

Many thanks to the boys and to their parents for a great week. Thank you to Carol Walker, Brianna Patrick and Sharon Steer for assisting with coaching, managing and team development during the competition.

## Nationally Consistent Collection of Data

Teachers will be undertaking an R-12 data collection. The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students receiving an adjustment due to disability and the level of reasonable adjustment they are receiving. The aim of the National Data Collection is to collect quality information about school students receiving an adjustment due to disability in Australia. If you do not wish your child to be involved in please contact Leanne Wait on 8821 0100 by Friday 19 May.

If you wish to seek any further information visit: <http://www.schooldisabilitydatapl.edu.au/home>
