Term 2, Issue 3: Thursday 8<sup>th</sup> June 2017

## 2017 Reconciliation Week 'Let's Take the Next Step'

### Principal's Report

Reconciliation Week was a vibrant celebration of Indigenous culture and history, with the unveiling of an R-12 piece of artwork featuring 1,200 individually designed popsticks also epitomizing Kadina Memorial School's values.

The colourful artwork was the centre piece of a Whole School Reconciliation Assembly in the Heart of the School on Monday 29 May.

Aboriginal and Torres Strait Islander students, who ran the Assembly in its entirety, spoke about their heritage and landmark political anniversaries such as the Mabo decision.

Public speaking is a skill and for many it is a daunting experience and I congratulate all of the students involved who stepped out of their comfort zones to talk in front of peers and special guests.

The lessons of Reconciliation Week go beyond a designated week on the yearly calendar.

It's about respect for people, culture, history and genuinely working together to unite as a community.

The artwork is a beautiful example of what can be achieved if we all have a common goal.

Each student and staff member was given a blank popstick. They were briefed about aboriginal designs and symbols, which they individually decorated. Students discovered their one popstick became a kaleidoscope of mass colour when joined with others.

Ms Karen George had the painstaking job of assembling the popsticks, with Mr Andrew McDonald and Mr Al Woods making the frame and plaque. Aboriginal Education Teacher Mrs Janine McKay and Aboriginal Education Officer Nigel Raymond initiated and managed the project. Thank you all.

If you haven't seen the artwork please visit the Front Office. Students aged from Reception to Year 12 are constantly pausing to try and find their one popstick!

The artwork is quite a talking point and as educators this is exactly what we strive to achieve. It means the messages we discussed in class have transferred to everyday life.

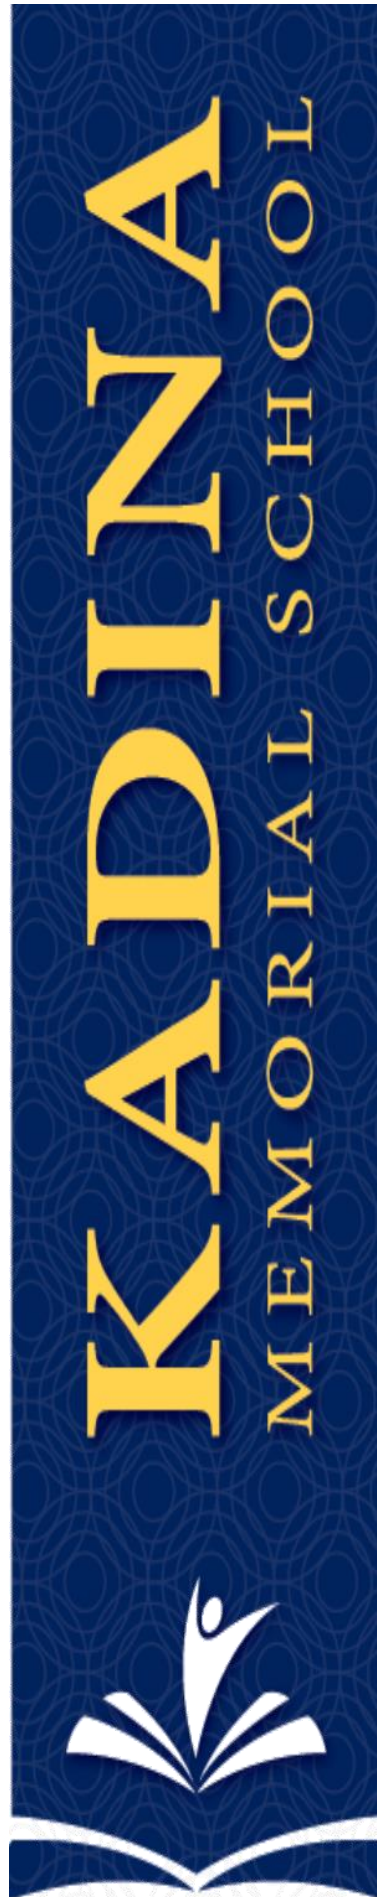

Powerful learning was embedded across the curriculum. Dreamtime stories provided rich literacy opportunities as children read, wrote, created and discussed moral meanings associated with this genre: respect, opportunity, excellence as well as responsibility for one's actions and helping others in need. It's called lifelong learning.

### Reminder

**Monday 12 June: Queen's Birthday  
Public Holiday**

**Tuesday 13 June: Pupil Free Day**

**School resumes Wednesday 14  
June, 8.30am**

*Learning for our future*

*Principal's Report Continued:*

## Kadina Memorial School Parent Club

A potential name change to 'Parents and Friends of Kadina Memorial School' was one of the major discussion points at Parent Club's Annual General Meeting recently.

Members would appreciate any feedback from the school community regarding a name change which would more accurately reflect its role.

Office Bearers were also elected:

President:	Mrs Narelle Koch
Vice President:	Mrs Fiona Bussenschutt
Secretary:	Mrs Robyn Sherry
Treasurer:	Ms Sherelle Rowe Sims

Parent Club meets twice a term and is an opportunity to learn about what is happening in the school, future plans and focus areas.

Parent Club is also excited to announce a Family Movie Night with a screening of Despicable Me 3 at Kadina's Ascot Theatre, **Friday June 16, from 6pm.**

Money raised will go towards school resources and play equipment. Don't miss out as tickets are limited to 300, available for purchase from the Finance Office or Ascot Theatre. See the notice in this newsletter for more details.

## Public Education Awards

Congratulations to teaching staff Ms Emma Lykke (Early Years), Miss Kristina Toole (Middle Years), Miss Adele Frost (Middle and Senior School), Mr Tom Ackland (Senior School) Ms Erin Schneider (Senior Years) and SSO's Mrs Jan Adams and Miss Hannah Dayman for their nominations in the SA Public Education Awards. Nominations for these awards often come from students, their families and colleagues who believe the staff member has consistently gone 'above and beyond' to deliver education and support across the breadth of our school environment.

## Linking Learning Locally Grant

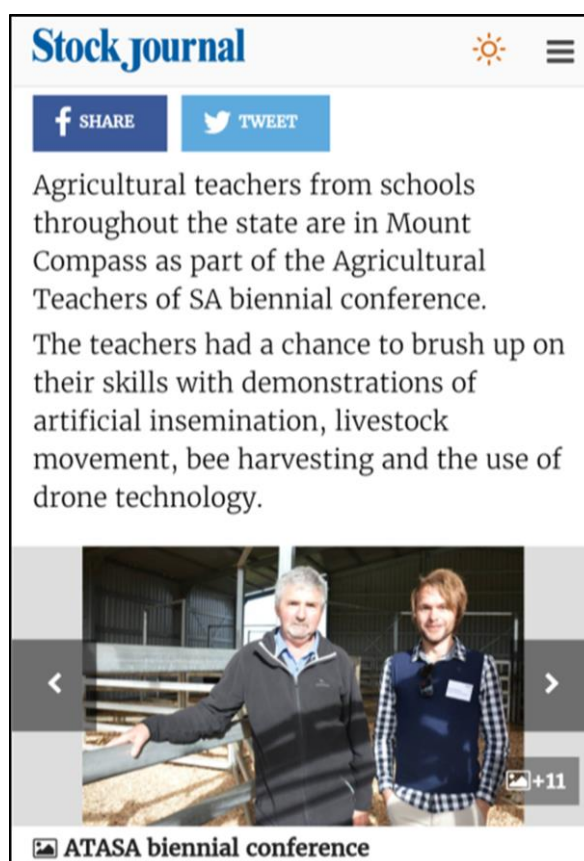

Building an extensive community network with one-on-one mentoring for Middle School students is a key initiative of the \$90,000 Linking Learning Locally grant. The program will develop learning opportunities within our community for students who attend a FLO program. It recognises the immense contribution, skill and expertise our local businesses, service groups and agencies provide to assist young people to re-engage in the community, increase connections and develop lifelong social and work skills. In addition, families will be offered parallel learning opportunities to participate in relevant courses with specific coaching to build on their child's learning. This is an exciting opportunity to develop meaningful learning for children considered at risk. Northern Yorke Partnership's feeder primary schools will be invited to identify Year 7 students who would benefit from this program.

## Pupil Free Day

Network Learning Groups (NLG) involving educators across the NY Partnership will form part of the **Pupil Free Day (PFD)** program next **Tuesday 13 June**. This is a valuable opportunity for teachers to share, explore, implement and reflect on various areas of their practice. NLGs, specialised learning driven by a collaborative group, ignite creativity, inspire thinking and challenge mindsets.

The second part of the PFD will be collaborative moderation to ensure consistency of expectations and assessments across all year levels. This enables staff to discuss, assess and have a common understanding of student progress, development and standards.

Kadina Memorial staff participate in a range of training and development workshops throughout the year, often in their own time. Below, Agricultural teacher Charlie Bensen featured recently in the Stock Journal at an Agricultural Teachers' Conference.

Remember, it's the **Queen's Birthday Public Holiday this Monday 12 June, followed by the PFD on Tuesday 13 June**. Enjoy your Long Weekend. A time to rest, relax and prepare for the final half of a busy learning term.

Regards,

Debbie Terrett  
Principal

# Sub School News

## R-6 Corner

In my conversations with parents and caregivers I am often asked how they can support their child/ren with their learning. This week I have spent time gathering some ideas - hope they help.

Talk with your child about what's happening at school. Ask about activities, topics, what they are learning or what they found interesting or fun in their day. Talking like this helps them believe in themselves and gain confidence.

Ask specific questions to draw out information – instead of 'yes' or 'no' questions, try open questions that encourage discussion.

- How do you think you went with your maths or reading today?
- What made you laugh today?
- Who did you see being a helper today?
- What was the most interesting thing you did today?

Keep trying, even if the answers are 'good' or 'nothing'! Find out what your child's favourite subjects are and what they are learning about. Try to make connections between what they are learning at school and everyday life, such as practising reading and counting at the shops.

Talk with your child about current issues and ideas. Exploring big ideas together is a way to get children thinking critically and being curious about how things work. Children can enjoy learning and putting their thoughts into words.

Ask about friendships and relationships at school. Get to know who their friends are and how they spend their break times.

Talk about your own learning – tell your child about what you are currently learning or what you remember about being their age. Share the message that learning is important at all ages. Explain how you plan, solve problems and think about the future.

When families and schools work together, children are more likely to build good relationships and do better at school. These are simple things you can do at home to help your child to be their best.

Cheers,

Tarryn Germein  
Deputy Principal

## Middle School Book Exchange

KMSC was fortunate to receive a donation from Parent Club to start a Book Exchange in the Middle School Common Room.

Year 7 to 9 students bring their own book from home to swap it with one already on the shelf.

There are also some new books to choose from. This is one initiative to share resources and the joy of reading.

Pictured above, Year 7 Olivia, Parent Club President Mrs Narelle Koch, Year 9 Will and Year 8 Ashton.

## Dodgeball Competition

A fun and competitive Dodgeball competition has begun at the Copper Coast Sport and Recreation Centre during lunch time.

Year 7 and Year 8 Care Groups are competing against each other, proving fierce rivalry, amazing ball skills and some pretty lucky scoring shots!

Thank you to Mrs Chris Morrison for initiating the activity and Year Level Managers and Care Group teachers for their support. Judging from the laughter, friendly banter, fancy footwork, and a high level of dodging it was a great way to burn lots of energy, exercise and build on team work within Care Groups!

## Year 8 Immunisations

A reminder that the second round of Year 8 Immunisations will be held next **Thursday 15 June**. If your child is absent on a scheduled school immunization day please contact Kadina Medical Associates on 8821 3133 to organize a catch-up.

## Senior School

### Youth Opportunities – Year 10

Stage 0 (Year 10) students are encouraged to register their interest in participating in Youth Opportunities. This is a program unique to this year level. The Personal Leadership Program is an intensive 60-hour wellbeing and life skills training program which will be completed one day a week in Term 3. The Program focuses on a range of topics including self-confidence, bullying, positive communication and relationships, motivation for school or study and finding your future career.

If your child is interested they will go through an interview process and be notified if successful. Successful completion of this program will also give your child 10 SACE credits. Information sessions were held in Care Groups during Week 4.

#### Key dates:

Week 6: Registration closes tomorrow, **Friday 9 June** (register via Mrs. Williams' Office Door)

Week 7: Presentation/Interviews **Friday 16 June**

Leanne Wait

Year 10 Manager

### Discovering Tapas

It was a 'gastronomical awakening' when Year 12 Hospitality students experienced 'tapas' during an excursion to Mr Mick's Winery in the Clare Valley recently.

The tapas phenomenon, originating from Spain, has become a popular social activity and culinary menu choice in the hospitality industry where people enjoy small savoury dishes to share.

The 'feast of the senses' provided students an opportunity to taste test, ask the chef questions, and discuss what dishes would make good tapas.

Students and staff all agreed the small portion sizes of the many small dishes more than made up for one large traditional main meal. They also experienced the 'social' aspect of tapas, where conversation flowed freely discussing the various flavours and textures, resulting in creative recipe ideas.

Students are creating their own tapas menu featuring three dishes.

## Unit News

Supporting our students to become independent learners is one of our main focus areas where staff continually give them opportunities to complete tasks by themselves, with minimal verbal or physical prompts. The students also take pride in knowing that they can pack and unpack their bags, dress themselves, take responsibility for their personal hygiene as well as complete assigned morning and afternoon jobs.

These are great moments we celebrate as a Unit and reinforce and reward, knowing that if the students show they have completed the task independently on one occasion they can do it for themselves the next time. Tasks such as helping to take play gear in and out of the storage room, washing and drying dishes after cooking lessons, putting away activities and taking turns to be a classroom special helper or monitor, all help to encourage student independence and the satisfaction of knowing they can do it.

Thanks

Sandy Mumford  
Unit Coordinator

Pictured above, Raffael visits Vicki in the Canteen with the Unit's lunch orders.

## Canteen News:

SUBWAY DAY: Week 8, **Wednesday 21 June.**

Bags are available from the Canteen and will be distributed in R-6 Classrooms. Year 7-12 students may still order by obtaining a bag from the Canteen. We will give students a number this year so that it is easier at collection. This is a great day to support local business and our school Canteen. Subway orders are not available through Qkr. Subway orders **MUST** be in by **Friday 16 June** as orders will not be accepted on the day. Our normal Canteen menu is available on this day and can still be ordered through Qkr. Any enquiries please direct to Vicki, Annie or Jeanette in Canteen.

Thanks Vicki, Canteen Manager

# ART BEAT

## Year 3 Ceramics

At Kadina Memorial School Year 7 students complete a term each of Visual Art, Drama and Music as part of the National Arts Curriculum. In Visual Art students learn basic colour theory and painting techniques as well as a unit of work on ceramics. Clay techniques such as pinch pots, coil pots and hand building are used to create finished pieces with an audience in mind. Students use the design, make and appraise process to produce their functional pen pots, animal sculptures and pinch pot monsters. We are fortunate to have good quality kiln at Kadina Memorial School and these pieces are glaze fired to 1,100 degrees Celsius.

### DIARY DATES

Advance notice of known dates -:

**What?** Port Hughes Camp

**Who?** Instrumental Students

**Where?** Port Hughes

**When?** Sunday 25<sup>th</sup> June- Tuesday 27<sup>th</sup> of June. A concert is held at Wallaroo Town Hall on Tuesday 27<sup>th</sup> June at 6:30pm

**What?** Senior School Music Showcase

**Who?** Year 10-12 Music students

**Where?** Kadina Town Hall

**When?** Wednesday 5<sup>th</sup> July (Wk 10)

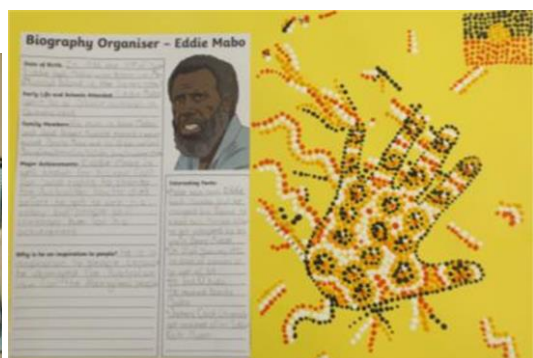

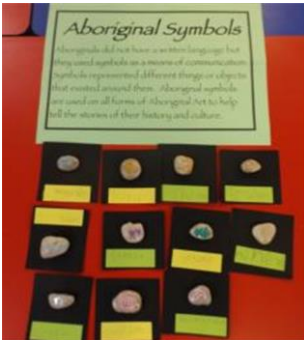

Congratulations to the Year 5/6 Choir who were recently assessed by the Deputy Conductor of the Adelaide Festival of Music, in preparation for performing at the Entertainment Centre in September.

She was most impressed by their self-managed behaviour, tone quality and presentation skills.

-Mrs Jo Hurrell

# 2017 Reconciliation Week

# Sport News

## YP Netball Zone Competition

Three teams of Year 8/9 girls participated in a Zone Netball Carnival at Maitland on Tuesday 30 May. KMS 1 finished 2nd in their division, whilst KMS 2 and KMS 3 each finished third in their respective divisions.

All the girls played their best throughout the day. The goalies sunk some long bombs, the mid-courtiers ran their hearts out, and the defenders took some speccy intercepts.

Thanks to Miss Kaesler, Miss Hoepner and Britt Herbert for coaching, and to Miss Hennell, Di Boothey and Gen Elsworthy for umpiring throughout the day.

Lana Kaesler

## 9-A-Side Spectacular

On Wednesday of Week 4, 64 students from Year 8 and 9 graced the hallowed turf of Central Yorke School (formerly Maitland Area School) for the annual Yorke Peninsula 9-A-Side Football Carnival. Having been rained out the previous year, all students were 'chomping at the bit' to get involved in 2017. Kadina Memorial School entered two teams into each of the Year 9 Boys, Year 8 Boys and Year 8/9 Girls competitions. The carnival consisted of round robin pool games with the group and overall winners decided on wins throughout the day.

The Year 9 boys' teams went through the day undefeated until eventually meeting each other in the final match. This was a great contest with Kadina 2 victorious over Kadina 1 in a seesawing affair.

In the Year 8 boys' competition, the road to the final match took a far more rocky path. Both teams suffered defeats at the hands of a rampant Yorketown outfit. Kadina 1 was their own worst enemy arriving at one game to see the opposition already scoring the first goal as it had started without them. Safe to say their coach was questioned on his tactics! The two teams eventually met each other in the final game and played out a heart stopper. Of particular highlight within this game was the umpiring of Mr Koirala who took it upon himself to begin play with traditional bounces of the football rather than ball ups. Kadina 2 came out victorious and crowned

winners of their pool with the Yorketown side having suffered defeats from other teams.

The two Year 8/9 girls' sides battled all day to secure some wins. They took to the game like 'ducks to water' putting in a solid all round effort. Tackling, kicking, marking and handpassing were very foreign to some players but their ability to be resilient and keep trying despite adverse situations was excellent. It was also good to see some girls putting their hand up to be part of the Yorke Peninsula Association squad due to their enjoyment of participating in this carnival.

As a result of the success for the boy's teams and the willing participation of the girls, Kadina Memorial School was also awarded the competition's overall winner for combined participation. Thank you to the Year 10 students who assisted in coaching or umpiring throughout the day as well as staff Mr Koirala, Mr Hewett, Ms Miko and Di Boothey for their roles in coaching and umpiring.

Shane Moss

9-A-Side Coordinator

## Year 8/9 KO Footballers Kick On

The Kadina Memorial School Year 8/9 Knockout Football Team has again flexed its muscle on Yorke Peninsula, winning Round 1 and 2 of the state-wide Knock Out Football Competition.

Game one pitted Maitland Lutheran School against Kadina. Kicking to the southern end of Maitland Oval, Kadina powered to a 6 goal lead in the first half, holding their compatriots from down the peninsula scoreless. Deployed in a new roll up forward, Nathan 'Bulldog' Perkins burrowed through the packs to a career high 3 goal haul. Braidon Cunningham was Dangerfield-like winning plenty of football and hitting the scoreboard, ably supported by workhorses Charlie Adams and Brock Thomson who rarely wasted a disposal. Angus Hunter-Price provided a focal point in the front half snagging 3 majors. After half time the one-way traffic continued, with Kadina continuing its route, piling on 7 more goals to eventually run away with an 87-point win.

Kadina backed up their earlier performance with another hard fought victory in game two. The Yorke Peninsula team provided a tough contest using their supreme foot skills to force many early forward forays. Kadina's dour defence led by Jordan Taylor, Alex Elsworthy and Connor Russell limited the early scoreboard damage. As the game wore on, Kadina began to make its presence felt, using its superior size and spread of quality personnel to stretch its lead. Dylan Branford sparked the scoring with brilliant individual play to change the momentum of the game. The second half was an arm wrestle. It took ten minutes to break the deadlock with some Eddie Betts style finishing from Adams extending the margin to 14 points. Again, Cunningham, Adams and Thomson led from the front, or in their case the middle, to give Kadina many forward entries, with the weight of numbers eventually paying off. Some nervous moments came with back to back YP goals but majors to Matt Borlace and another to Cunningham saw the margin creep back out to a comfortable 20-point win.

As a result of the performances, the team will march on to the next round of the competition to be played early

next term. The well rounded team displays drove the on field success achieved and should this continue there is reason to expect the boys will be a good chance to take the next step.

Finally, thanks to support staff Thomas Depledge and umpire Jakeb Branford for their assistance on the day. Shane Moss, Coach.

## Open Boys Football

The Open Boys Knockout Football team travelled to Port Broughton to take on Saint Marks College in the Round 1 contest of school sport knockout.

As we pulled in, the first thing many of the boys noticed was the slight incline that the oval is on, not known for their over exaggeration many of the boys were comparing having to run up towards the golf course end to climbing Mount Everest.

The boys were in high spirits before the game and spirits were lifted when Captain Jaiden Smith won the toss and decided to kick down the bottom of the newly proclaimed Mount Everest, as well as being aided by the mangrove doctor which was blowing to the club room end.

The boys got off to a promising start winning plenty of the ball, Mitchell Steer and Jamie Wharton in the ruck were providing a tough contest against someone who looked far too tall to be playing school football. Repeat entries from Saint Marks saw our backline working overtime, Chad Wuttke and Bailey McNicholl provided plenty of rebound. As the quarter progressed we had some good passages of play and we were able to kick a couple of goals. The end of the first quarter saw both teams locked at two goals and two behinds each. Unfortunately this was as good as it got for us.

In the second quarter Saint Marks got on top in the midfield and were able to pile on the goals. When we were able to get our hands on the footy and move the ball forward we couldn't quite capitalise on our hard work and were missing our shots on goal. The third quarter was much the same as the previous.

In the fourth quarter the boys finished with some positive football and were able to score a couple of goals. When the final siren blew Saint Marks had prevailed by 50 points. Better players for the day were Bailey McNicholl, Sam Taylor, Jaiden Smith Chad Wuttke and Lachlan Jones. Goal scorers were Sam Taylor, Nathan Jones, Lachlan Jones each with singles.

Overall it was an enjoyable day and I commend the students for the way in which they conducted themselves and the spirit the game was played in. Special thanks to Di Boothey and Bill Saunders for your assistance throughout the day.

Nick Hewett, Coach

## Year 10 PE Bushwalk

Miss Combe's Year 10 Girls' PE class attended a bushwalk camp from Monday 22 May – Wednesday 24 May. The girls were given two options – a one night camp at The Gap, or a two night camp at Mambray Creek. The girls chose the longer option, and were keen for a challenge. The trip got off to a shaky start, with Danielle Platten arriving at school on Monday morning and announcing that she had broken three of her toes on the weekend. However, she still wanted to come on the camp and complete the walk – what a trooper! We arrived at the campsite and quickly set up our tents. We then went on a short 8km walk to the Sugargum Lookout. The last kilometre was up a steep incline, which got the heart rate right up! The view was worth the burning legs though. The girls re-fuelled with their trangia-cooked dinner when we got back to camp, with all the meals turning out well. The walk on the second day was a big one – 18km in total, taking us up The Bluff and down through Hidden Gorge. The girls battled steep hills, rolled ankles, slippery rocks and spiky bushes (Danielle also battled her broken toes!) but we made it through!

The second night was very entertaining to say the least, with karaoke by the campfire, Danielle's passionate re-telling of the story of Moana, and Kyan discovering a new species of native animal.

On the final morning, we walked to visit the ruins of the Baroota Homestead, and the cemetery nearby. On the way home, we undid all the exercise of the past three days by eating our body weight in KFC. The trip was great fun and well worth the aching legs and lack of a comfortable bed. Big thanks to Miss Cocks and Mrs Wait for coming along on the camp.

## Exchange Farewell

My name is Barbara Jeschke. I am 17 years old and I came to Australia in July 2016 on a 10 month exchange program from Vienna, Austria. I spent one term in Year 10, one term in Year 11 and one term in Year 12 at Kadina Memorial School! During this time, I have learnt a lot about the Australian culture, myself and I also made friends. When I first came to Australia, I was really shy and didn't know much English. This changed after my time being here, I am more self-confident and not afraid to talk to new people anymore. I will always remember my time here and the people I got to know during this wonderful time. My favourite memories of my exchange are the cruise I went on in Sydney with my host family in December 2016 and the Melbourne trip I went on with my history class in April 2017. I had a lot of fun in Melbourne and also experienced my first Australian football game. The teachers from Kadina Memorial School were very friendly during my exchange. I thank every single one of them for making my year very special. And also a very big thankyou to all of the students who are my friends and made my year the best experience I ever had. I also want to thank my host sister, Mackenzie Kay, and her whole family for making this great experience something I will never forget.

Head of Senior School Mrs Verity Williams gave a farewell speech at the surprise party.

Year 12s held a surprise farewell for Barbara. It was a time to say 'see ya later mate' not a goodbye.

# DMC and Notice Board

## Decision Making Committee

The KMS Decision Making Committee (DMC) is a Representative Committee consisting of staff, students and parents who meet each fortnight. The next DMC will be in Term 2, **Week 7, Tuesday 13 June**, 5pm in the Staff Room.

### Principal Approved:

**Proposal:** UniSA, Rural Health Talk, Wednesday 28 June

### Proposals submitted:

**Proposal:** Youth Opportunities Presentation/ workshops

**Date:** Term 2, Week 7; Term 3, every Wednesday

**Proposer:** Leanne Wait

### Annual Event

**Proposal:** 8/9, 10 & Open Knock Out Netball, Friday 4 August 2017, Gawler, 7am-5:30pm

## Library News: Scholastic Book Club

Scholastic Bookclub brochures will accompany the newsletter for R-6 students. The brochures are available in the Middle School common area for Year 7 to 9 students and in the library for senior students who would like them.

Due to the size of our school, we have introduced LOOP for Scholastic Book orders. You are still able to order through the school, but our preferred option is to order with Scholastic using LOOP.

Firstly, click on the link [www.Scholastic.com.au/LOOP](http://www.Scholastic.com.au/LOOP) and follow the prompts.

Scholastic Book Club is an offer only and there is no expectation from the school that any purchase is made.

If you wish to place an order through the school, please ensure order forms and payments are returned to the school finance window by **Friday 16 June**, this is also the cut off time for using LOOP. **Unfortunately, due to the large number of orders we receive and the time constraints, orders handed in after the due date cannot be accepted.** Thank you.

Reconciliation Week: Aboriginal story time in the Library.

## Parent Club Movie Night: Despicable Me 3

This is a great family night out to enjoy a movie which questions the right from the wrong (**Friday 16 June**), and as we all know, this is often a hard life lesson children face in everyday life. The animated movie is PG rated with only 300 tickets available at \$15 each (they are selling fast!). The money raised will be spent on a range of student equipment. However, the Movie Night is not just about raising funds, it's about bringing family and friends together to celebrate our school community.

### Kadina Memorial School Parent Club Movie Night Despicable Me 3

**Ascot Theatre, Friday 16th June,  
6pm for a 6.30pm movie screening**

**ALL TICKETS ARE \$15**

Funds raised will go towards new toys and equipment for the students to use at recess and lunch

#### Door Prize

**Dress up as your favourite character — Prize on the night for best dressed child and adult - judging from 6pm**

**A trading table with snacks will be available to purchase in the foyer**

**THIS IS THE FIRST SCREENING AND A GREAT FAMILY NIGHT OUT.**

**Purchase from: Finance Office at Kadina Memorial School**

**Also from Statewide Cinema prior to evening**

Kadina Memorial School ABN 36006836570

KMS Parent Club is a non-profit sub-entity of KMS

Parental Guidance (PG)

The content is mild in impact.

PG

The impact of PG (Parental Guidance) classified films and computer games should be no higher than mild, but they may contain content that children find confusing or upsetting and may require the guidance or parents and guardians. They may, for example, contain distasteful elements such as language and themes that are mild in impact. It is not recommended for viewing or playing by persons under 15 without guidance from parents or guardians.
