

Term 3 – Welcome Back

From the Principal's Desk

Welcome to Semester Two, Term 3, which is considered a solid learning block on our school calendar.

This is the time to renew goals and set realistic targets to improve learning. Student interviews will be offered in Week 8 to discuss your child's progress. However, always make a mutually agreeable time with your child's teacher if you have any concerns, or would just like to touch base. Communication is KEY to progress.

We welcome eight new families to Kadina Memorial who have transferred from local and other state schools, taking enrolments to 1,192, making us one of the biggest country schools in South Australia.

We currently have 150 staff making it also one of the region's largest onsite employers. With this in mind, our daily operations, timetabling, and various events can be logistically challenging at times.

Effective communication with students, families and the community from every sector of the school is paramount to ensure the school's smooth running, internally and externally.

The School and technology has evolved significantly since amalgamation and it is timely to review how we communicate with you, your child, and the wider community.

In essence, how can we improve our communications? Are traditional fortnightly paper newsletters still required? Can we use more innovative ways to inform and connect with you? How can we improve?

In today's newsletter there is a

Communications Review survey. It can also be accessed online at the link below:

<https://www.surveymonkey.com/r/SYCX3X>

We would be grateful if you could complete the survey as the data will be collated to help design our way forward. Please return survey paper copies to Care Group teachers or the Front Office.

Congratulations Mr Dean Angus

Congratulations to Mr Dean Angus who has been appointed to the ongoing role of Education Director for the Port Pirie Portfolio. I will continue in the Principal role for the remainder of 2017. The ongoing principal position for 2018 has been advertised and we hope to announce the successful applicant later this term. Dean has just returned from a 10-day study bursary at Harvard University in America with over 150 principals from around the world. He learnt all schools are dealing with similar issues – trying to move to deeper and more powerful learning and achieving growth for students to be better prepared for an unknown future. He said it confirmed Kadina Memorial is a lot further along the journey than most.

Mrs Tarryn Germein, Deputy Principal and Head of R-6, and Mrs Chris Morrison, Head of Middle School, will continue in their respective leadership roles in Semester Two.

Term 3 2017

Principal's Report Continued:

Staffing News

We welcome Mrs Jenny Smith, Mrs Zelly Ritter, Mrs Hanlie Truter, Mrs Karmela Kleinig, Mr Gerrard Kleining and Mr Andrew McDonald back from leave taken in Term 2. Mr Nick Harris will join the Technology Studies team backfilling for Mr Al Wood until Week 8. Ms Lois Darch has been appointed to Instrumental Music while Mr Dom Meehan is on leave, and Peter Button will continue as Pastoral Care Worker in Term 3. Mr Garry Pamment is currently relieving Year 6 teacher Mr Jake Blunt who is recuperating from a knee operation.

New title: Student Wellbeing Leaders

The title of school-based counsellors has been changed to Student Wellbeing Leader to better reflect the role and services provided within a school.

The new title will apply to all school-based counsellors (current and new) in both primary and secondary schools.

There is no change to the role, qualification requirements, allocation model or conditions of school-based counsellors.

All references to the old title will be updated over the coming months.

Kadina Memorial School Student Wellbeing Leaders:

Mrs Zelly Ritter R-6 Ms Robyn Paterson Middle School Mrs Karmela Kleinig Senior School

Public Education Awards

Congratulations to Miss Hannah Dayman who has been short-listed in the 2017 Public Education Awards.

Hannah's role includes Front Office administration, Trade School Support, as well as being the School's Mentor and Volunteer coordinator.

Hannah's depth of knowledge in the trade school sector and passion to assist young people reach their potential is admirable and delivers results. Hannah will attend a special dinner and ceremony in Adelaide later this month where the State finalists will be announced.

Student Achievement

We love to hear and acknowledge student achievement outside of school hours. We recognise the enormous commitment and investment required from students and their families to participate at high levels in their chosen field. Year 7 student Jedd Thomson has been selected in the South Australian 12 and Under Football team to play in the Australian Championships in Darwin this month. Year 8 student Dylan Branford represented the State in the Under 13 Indoor Cricket National Championships in Mackay, Queensland late last term. Dylan dominated as second highest run scorer as well as taking quite a few wickets.

Jedd Thomson

Dylan Branford

Montana Briggs

Year 10 student Montana Briggs competed in the National U16 Girls Junior Basketball Championships as co-captain of the SA Country U16 Girls Team in July. Montana has been travelling to Adelaide and Murray Bridge each Saturday and Sunday, training for up to six hours since April in preparation for the competition.

In literacy, we are excited to report Year 10 student Amelia Ryan has been short-listed in the 2017 SA Young Writer Award, with winners announced on August 18.

Amelia's prompt was to write a story from the perspective of an animal.

Her sentence structure and detailed descriptions resulted in a compelling entry. Well done!

Junior Motocross World Championships

Congratulations to Year 8 student Alex Larwood who came 12th in the world at the Junior Motocross World Championship in Estonia, northern Europe.

This is an incredible experience and achievement by Alex, his family, support crew and sponsors.

Australia came fourth overall as a nation, with Denmark placed first.

It was announced at the opening ceremony that Horsham, Victoria will host the Junior World Championship in 2018.

We look forward to seeing some photos on his return!

Please email Paula McKay with details if your child has excelled in their chosen field of interest outside of school hours on paula.mckay43@schools.sa.edu.au

Snow Champions

It was with great excitement Kadina Memorial School won the 2017 South Australian School Snowsport Championships during the annual ski trip in the holidays. It always brings a smile to my face to see our students have a go, and with a natural athletic ability and a can-do attitude achieve these results. The cold snow fields are a long way from the flat, dry plains of South Australia!

Thank you to teachers Mr Nick Hedges, Ms Stacey Evans, Mr Nick Hewett, Ms Simone Combes, Ms Lana Kaesler, Mr David York and Ms Dannielle Hicks for organizing and supervising the trip. A ski report and more photos are featured in today's newsletter.

Pictured above, Isaiah Furman, Ryan Allen and Hayden Leighton on the podium at Mt Buller.

Memorial Arch Recognition

We are seeking at nominations of former Kadina Primary School and Kadina Memorial High School scholars who have served in the armed forces overseas, post 1972 commitments, to be acknowledged on our Memorial Wall.

A panel will be formed to assess nominations with recommendations made to Governing Council.

We are extremely proud of our 'Memorial' status, being one of few 'Memorial' schools in Australia honouring past service men and women.

If you know of someone who may be eligible for inclusion on the wall please contact Paula McKay on 8821 0100, email paula.mckay43@schools.sa.edu.au, alternatively download the criteria from the school's website.

Nominations are due by the end of August.

In Memoriam

Mrs Daphne Spry (nee Simmons)

On behalf of Kadina Memorial School I send my condolences to Mrs Daphne Spry's family on her recent passing, aged one week short of 107 years.

Mrs Spry was an original Kadina Memorial High School scholar when the site opened its doors for business in 1924. She went on to become a teacher with posts locally, on Southern Yorke Peninsula and Eyre Peninsula.

She had a remarkable teaching career during a period of Australian history which was often at odds with many of her female contemporaries.

Mrs Spry recently contributed to the Kadina Memorial High School History Book, providing an authentic insight into education of another era.

Her legacy continues with the fourth generation of her family attending Kadina Memorial.

Rest in Peace.

Volunteer Induction

Parents, guardians and friends of Kadina Memorial School who volunteer at school on a regular basis are encouraged to attend a Volunteer Induction on **Week 5, Wednesday 23 August, 9am**. This session provides an overview of expectations, rights and responsibilities of volunteers, and child protection.

We strongly urge volunteers to apply for a DCSI Screening and complete 'Responding to Abuse and Neglect – Education and Care' online.

Kadina Memorial School greatly values the time parents and guardians give up voluntarily supporting their child's education. Our Volunteer Induction Policy has become an integral component of keeping children safe. Find out more about relevant history screening visit www.decd.sa.gov.au.

To register for the Induction please contact the Front Office on 8821 0100.

Finally, welcome to our 10 Japanese students and Mr Koji Tanaka who arrived at Kadina on Tuesday afternoon. They are here for the next fortnight and we look forward to sharing the experience in the next newsletter.

Regards,

Debbie Terrett
Principal

Sub School News

R-6 Corner

This term we welcome back Mrs Jenny Smith and Mrs Zelly Ritter from long service leave and thank Miss Michelle Andriago and Mrs Karen English for filling their spots so capably while they were enjoying different regions of the world.

At Kadina Memorial School learning comes in many shapes and sizes and one of our big pushes has been connection with the community. In a country area one of the easiest ways to get involved in the community is through sport. Some of the many other benefits of sport participation for children include:

- reduced risk of obesity
- increased cardiovascular fitness
- healthy growth of bones, muscles, ligaments and tendons
- improved coordination and balance
- a greater ability to physically relax and, therefore, avoid the complications of chronic muscular tension (such as headache or backache)
- improved sleep
- mental health benefits, such as greater confidence
- improved social skills
- improved personal skills, including cooperation and leadership.

Reducing inactivity may be more effective in achieving overall increases in energy levels in young children than putting the emphasis on increasing involvement in sporting activities. Taking steps to reduce children's sedentary time is important. To assist families with the cost of joining a local sporting club the Government of South Australia has an initiative of The Sport Vouchers program that provides an opportunity for primary school age children from Reception to Year 7 to receive up to a \$50 discount on sports membership/registration fees. Log onto the following website to organise your voucher to your chosen sport club:

<http://www.sportsvouchers.sa.gov.au/>

Looking forward to another busy term.

Tarryn Germein
Head of R – 6
Deputy Principal

Middle School

School is priority #1

Knowing that school comes first will keep your middle schooler focused on doing their best. Some tips for success are:

Be there, be ready

Your child needs to be on time and in school each day. That way they can hear lessons, participate in class discussions, and work in small groups – things they won't be able to do outside of class.

Keep up

Encourage your child to take assignments seriously, work hard and finish things on time. Also, whilst children this age can be reluctant to ask for help, tell them that's something successful students do.

Track progress

Grade point averages from Semester 1 will be out soon. Knowing where they stand lets students set realistic goals and plan ways to reach them.

True to self

Encourage your child to stay true to themselves as they meet and work with different people. Explain that they shouldn't compromise their values, such as honesty or respectfulness, to fit in.

Mrs Chris Morrison
Head of Middle School

Year 7 Dodgeball

Congratulations to 7JRM who won a hotly contested grand final on the last Thursday of last term. 7JRM defeated 7DE for the title of Dodgeball Champions for 2017. Well done to every student who participated in games throughout the term. They did so with determination and enthusiasm, displaying great sportsmanship throughout.

Aquarius Hair Fashions

As part of our Health and Wellbeing program students from SB4 visited Aquarius Hair Fashions in Kadina.

We had the opportunity to learn about general hair care from Bronwyn, who is the owner of Aquarius Hair Fashions and is also a qualified hairdresser.

Bronwyn talked about how to care for our hair by talking about how hair grows and how often we should wash our hair. She demonstrated how to wash hair properly and showed us how much shampoo we should use. Students from our class were also lucky enough to have their hair washed. Sophie, Bronwyn's apprentice, assisted her with this.

Students enjoyed this experience as they liked having their head massaged. Bronwyn explained that massaging the scalp stimulates hair growth. One student was lucky to have her hair braided by Sophie. We would like to sincerely thank Bronwyn for taking the time to talk to our class and to thank Sophie for providing her time also.

Tracy Henderson and students of SB4

Pictured above, students enjoy hair washing and head massages at Aquarius Hair Fashions in Kadina.

Unit News

Welcome back to another term of teaching and learning. This term our integrated theme is "The 5 Senses". Each fortnight there will be a focus on a different topic:

- Weeks 1 and 2 - Sight
- Weeks 3 and 4 - Hearing
- Weeks 5 and 6 - Smell
- Weeks 7 and 8 - Touch
- Weeks 9 and 10 - Taste

The students will be involved in lots of engaging activities in all areas of the curriculum and these will be shared in newsletter articles throughout the term.

At the end of Term 2 in Week 10 the Unit students were fortunate to once again be given the opportunity to participate in swimming lessons at the Copper Coast Sports and Leisure Centre pool, funded by DECD. The students enjoy these lessons and thanks must go to Leanne and Simone for organising the program and to the instructors Sally, Victoria and Ashleigh. We all look forward to the next block of swimming.

Sandy Mumford
Unit Coordinator

Senior School: Australian Business Week

In Week 10, Term 2, Year 11 students competed in Australian Business Week. This is a national initiative used to expose them to the world of business in a team setting. Australian Business Week helps students to develop interdependence, leadership, negotiation skills, problem-solving skills and working in an intense environment without textbooks or a teacher to guide them.

Over the course of the week, students created and ran a hotel for a fictitious three year period. They had to decide the market they were pitching towards, hotel theme as well as the management and financial structure of the business.

Students had to:

- Run a computer simulation, where their financial and ethical decisions were reflected in the share price.
- Create a 3 x 3 metre trade display.
- Create a 30 second video advertisement.
- Write a company report outlining results and reflect on team decisions made over the three year period.

The week culminated on Friday with an Expo in the Copper Coast Sport and Leisure Centre where students presented their hotels to other students, teachers, parents and members of the community. It was great to see such large numbers of people support the students while they had the chance to showcase their hard work.

Congratulations to *The Pot of Gold Resort* who were the overall winners for the week.

Pictured above, overall winners *The Pot of Gold Resort* team, who also won best company report and best trade display during Australian Business Week.

Other results were:

Best Company Report – *The Pot of Gold Resort*
Best Trade Display – *The Pot of Gold Resort*
Best Trade Display (Public Vote) – *Gypsy Villa*
Best Video Advertisement – *Sunset Bay*
Best Computer Simulation – *The Reef*

All groups did an amazing job and students loved the week of learning in open spaces with open-ended problems.

Thank you to the local businesses who supported students during the week through discounts, giveaways, advice and support.

Tom Ackland
Senior School

MedSpace Workshop

During the first week of the holidays five Kadina Memorial School senior students participated in a MedSpace Workshop in Adelaide.

Brooke Dayman, Jaimee Luck, Nicole Christy, Isobel Fuss and Chloe Martin attended the free three-day workshop, which is aimed to help students prepare for and learn more about the process of studying medicine.

The first day involved a series of slideshows and talks. We learnt what it was like to move from the country to the city and how to prepare for the UMAT – a test that all pre-med students are required to take. This day was very helpful and set us up for the rest of the workshop. That night we had an awesome quiz night and met lots of new friends.

The second day was more hands-on. We visited Flinders University and walked around the campus, looking in the anatomy museum and learning how to apply to Flinders and what their medical course involves. We then drove to Victor Harbor and tried lots of awesome activities in the Flinders hospital campus – we performed CPR on dummies, put real plaster casts on each other, tested our blood pressure and talked to rural medical students.

The last day was the best. We visited the University of Adelaide and learnt more about what it would be like to study at Adelaide Uni and how to become real doctors. We delivered a baby from a mannequin called Lucinda and helped a five year old asthmatic child, both of whom spoke and had simulated heartbeats and other lifelike symptoms. Lucinda even had simulated contractions! We also had a competition to see which group could perform CPR on mannequins and resuscitate them the most successfully.

During the workshop we stayed at Immanuel College. The food and the accommodation were awesome, and we all met many new friends we still keep in contact with and had an amazing time. The workshop was very successful and inspired many of us to become doctors, and we definitely recommend this experience to anyone that is thinking about having a career in medicine or is unsure of what they want to do.

Chloe Martin

Balaklava Eisteddfod

Good luck to all music students who are performing at this week's Balaklava Eisteddfod. This is a prestigious annual event where students compete against fellow student musicians, solo, bands and ensembles, from across the State.

Snow Trip

In the second week of the July school holidays 53 members of Kadina Memorial School went on the annual snow trip to Mt Buller.

It was an early start with a 6:40am flight which was then followed by a three-hour bus ride to the top of the mountain. It is fair to say students experienced their mountain climb as we travelled up the narrow paths to our destination. The students in the window seats had quite the view and they were able to fully comprehend how high we actually were climbing. It was the first time some students had seen snow and once they unpacked their bags the inevitable snowball fight occurred outside the lodge. Day one of the trip saw many students return to the lodge bumped and bruised and frustrated at how difficult snow sports were. However, by the last day we had many confident boarders who enjoyed the view of the summit as the weather had put on a beautiful sunny day. Overall it was a great experience for the students to build resilience and have fun at the same time.

Nick Hedges

Kadina Memorial – Snowsports Champions!

Above, the trials and tribulations of learning a new physical skill such as snowboarding soon paid-off, even if there were a few bumps, bruises and sore muscles!

NAIDOC Week

On Wednesday 5 July, 28 Year 3-9 Kadina Memorial School ATSI students travelled to Moonta Area School to be involved in their NAIDOC Aboriginal Cultural Day. This Cultural Day was an opportunity for students to celebrate NAIDOC week and to make connections with their culture and members of the community. ATSI students and staff travelled from different schools on the Yorke Peninsula, such as Wallaroo Primary School, Wallaroo Mines Primary School, Central Yorke Schools and Ardrossan Area School to be a part of the celebrations. This collaboration also enabled students and staff to make connections with others from surrounding schools.

ATSI students were involved with numerous cultural activities throughout the day, including bracelet making, weaving, Indigenous painting, Aboriginal art designs and music. Kadina Memorial School ex scholar Caleb Raymond, also treated students to a live music performance. To round off an extremely successful day of cultural events and celebrations, Kadina Memorial School teacher Margaret Martin presented her rendition of the dreamtime story 'The Rainbow Serpent'.

Janine McKay

Aboriginal Education Teacher

Old scholar Caleb Raymond performing for the students

ATSI Term 3 Home Learning Centre

The ATSI team will again offer a Home Learning Centre after school in the School Library on **Tuesdays in Term 3, 3.15 – 4.00pm**. We welcome new students wanting to receive 1:1 support with their homework whilst enjoying a nutritious snack.

Students participating in the Home Learning session need to complete a consent form and return it either to the Front office or Janine or Nigel in the ATSI Office. Consent forms are available at the Front Office or ATSI Room. If you have any questions about the Home Learning Centre, please feel free to contact Janine McKay on 8821 0100.

Violet Day

It was a sea of violet as students and staff wore purple coloured clothing and accessories to acknowledge Violet Day on Friday 28 July.

This is a day of local significance for our school and community as it raises awareness and money for Meningococcal Disease research through the Paige Weatherspoon Foundation.

For a gold coin donation Reception to Year 12 students were encouraged to wear something violet. Some wore head scarves, purple socks, ribbons, t-shirts and even purple board shorts! KMSC raised \$500 for the Paige Weatherspoon Foundation. Thank you to all students and staff who supported us.

Violet iced doughnuts were also offered for sale. This was extremely popular with over a thousand doughnuts sold, raising \$1,645.

Thank you to Mrs Nicky Weatherspoon and her family for continuing to educate our school community about Meningococcal Disease.

Georgia McKay and Billy Harris
Primary KMSC Publicity Officers

Thank you for supporting Violet Day 2017

SAPSASA Hockey

SAPSASA Hockey

Eight Kadina Memorial School students were selected to represent Yorke Peninsula at the recent State SAPSASA Hockey Carnival in Adelaide.

The students were: Brooke Thomas, Arabella McIntosh, Fenella McIntosh, Daniel Harmer, Hudson Duka, Aaron King, Nathaniel Howard and Cameron Howard.

The boys' team placed fifth at the end of the carnival, while the girls finished equal first with additional players from other regions helping to make the team.

All players represented Kadina Memorial with pride and developed friendships with other students as well as improved their hockey skills throughout the week. Congratulations to all players on a great week of sportsmanship and friendship.

Thank you to coaches Tegan Mengersen and Kelly Whittaker for your efforts and support of the students.

NEXT STEP PROGRAM

Live the dream by playing footy out on Adelaide Oval during the October school holidays!

5-8 year olds - \$100
Tuesday 3rd of October, Adelaide Oval
9am - 12pm OR 1pm - 4pm

9-14 year olds - \$220
Wednesday 4th of October (Alberton Oval)
Thursday 5th of October (Adelaide Oval)
10am - 3pm each day.
Tailored programs to suit each age group.

Each participant will receive:

- Personalised Next Step Guernsey
- Family pass to the 2017 SANFL Maccas League Grand Final on Sunday 24th September, Adelaide Oval
- SANFL Participant Showbag
 - With boot bag + footy socks + Drink bottle!
- Coaching from experienced SANFL staff and players

Register now | www.sanfl.com.au/nextstep
Numbers are limited so register now to guarantee your spot!
Registrations close Friday 8th September

Future Kadina Memorial Sport Dates:

- NYP Basketball Carnival, tomorrow, Friday 4 August
- Mid North Basketball Carnival C4/Camp, Port Pirie, Week 6, Thursday 31 August and Friday 1 September
- SAPSASA Athletics Country Championship, Week 10, 25 September

Copper Coast BMX Club

Copper Coast BMX Club is hosting Round 5 of the State Series on Sunday 13 August. Practice from 9am, racing starts at 11am. On Saturday 12 August is a State Series warm up meet with Old School Racing. Racing starts at 12:30pm. Come along and check out the changes to the track.

For more information or to nominate for either day, contact Andy 0419800399 or Lee 0439505284 or email coppercoastbmx@gmail.com

DMC and Notice Board

Decision Making Committee (DMC)

The Kadina Memorial School Decision Making Committee is a Representative Committee consisting of staff, students and parents who meet each fortnight. The next DMC will be held in Term 3, Week 4, **Monday 14 August**, 5pm in the Staff Room.

Principal Approved Proposals:

Proposal: YP Vets School Visit

Date: Wednesday 30 August

Proposer: Kylie Walker

Proposal: Instrumental Showcase

Date: Tuesday 31 October

Proposer: Sandy Hahn

Proposal: 5HS, 5CS & 5SB Excursion – Pump & Adelaide Oval

Date: Thursday 28 September

Proposer: Catherine Smart

Canteen News

Welcome back! We hope you had a nice holiday break. We are looking for volunteers on a Monday or Wednesday this term. If you are free and would like a reason to 'get out of the house', please come and join our successful and friendly team here at Canteen.

We have been extremely busy for the first week back and our Chicken Nugget Meal deal is our biggest seller. Did you know that on the last day of term we sold over 250 nuggets!! That is a lot of nuggets! Thank you to all those who support our Canteen.

Have you heard about our online ordering app called "Qkr"?

Ask us today.

It's an easy way to order your lunch and not be flustered looking for coins just before the start of school!

Qkr!
by MasterCard

Thanks
Vicki Hartleib
Canteen Manager
PH: 8821 1254

Library News - Book Week:

Monday 21 August – Friday 25 August

This is the time the Children's Book Council of Australia comes together with authors, illustrators, booksellers and libraries to celebrate Australian literature.

During Book Week Kadina Memorial will hold its annual Scholastic Book Fair where students are able to purchase books and novelty items before and after school, Monday to Thursday, 8am-4pm.

Proceeds are reinvested into library resources.

There is usually about three copies of each book for sale and like most years, the first people in with the money will purchase the books.

In week 4, students in consultation with their parents can make a 'Wish List' to purchase in week 5. Please note there is NO obligation to buy from the Book Fair.

The theme of this year's Book Week is 'Escape to Everywhere'. This is a broad topic which lends itself to imagination overload!

- R-6 dress-up day is **Thursday 24 August**.
- Scholastic Book Club Brochures will be due out after week 6

Thank you
Kerry Rover
Library Support Staff

Community News

Australian Red Cross

Are you interested in helping your local community during emergencies?

Australian Red Cross is offering free emergency services training sessions for new and existing volunteers. We are looking for people with good interpersonal skills, who can work well in teams and enjoy helping others.

Training will be held at the Moonta Golf Club, Milne Terrace, Moonta on Friday, September 8 from 9am to 4pm. For more information, or to register, contact Yorke Peninsula Emergency Services Zone Coordinator Lauren March on 0407 972 709.

Yorkers Basketball 2017/2018

Yorkers Trials for seasons 2017/2018 commence on Sunday 6th August. U/10 (born 2009 and 2010) training only all players accepted 2-00pm, U/12 (born 2007 and 2008) at 2-00pm to 3-30pm. U/14 (born 2005 and 2006) at 3-30pm to 5-00pm, U/16 (born 2003 and 2004) at 5-00pm to 6-30pm, U/18 (born 2001 and 2002) at 5-00pm to 6-30pm.

Please arrive 20 minutes before session time to fill in a registration form. If you are interested but unable to attend please contact Sally (paulpat13@bigpond.com). The Yorkers program is an important part of the development pathway.

School Dental Service

Dental care is free for all babies, preschool and most children under 18 years at School Dental Service clinic. The School Dental Service is a Child Dental Benefits schedule provider. To make an appointment please call the Wallaroo Dental Clinic on 8880 5210. For further information visit the website www.sahealth.sa.gov.au/sadental
