Term 4, Issue 2: Thursday 2 November 2017

Goal setting in learning

From the Principal's Desk

School improvement is a combination of many factors with the key a total focus on learning. Recent research has shown the positive impact on students' outcomes and performance when they direct their learning by setting goals with frequent review and reflection.

Students setting goals allows them to choose where they want to go in school and what they want to achieve. Knowing this, they can concentrate on improving. Goal setting provides students long-term vision and short-term motivation.

Clearly defined goals students can measure allows them to determine and manage their learning journey and take pride in their achievements. They can see the steps in what might have seemed a long drawn out process.

Through goal setting students can:

- become more active participants in their learning
- become independent learners
- identify what is important to their own learning
- achieve their full potential.
- enjoy pride and self-satisfaction in their performance
- build their self-confidence

Many Kadina Memorial School students are actively involved in reviewing, reflecting and setting realistic goals. These range from visual reminders on classroom walls, an understanding of Grade Point Averages, and goal setting sessions.

Earlier this year the Year 9 cohort held a goal setting morning where students studied their results and looked at ways to improve. Through regular review and reflection individual goals are being 'kicked' at every level.

Building Better Schools News:

Kadina Memorial School has been allocated \$3 million funding as part of the State Government's Building Better Schools announcement this week. The money, spent over five years, is aimed at revitalizing school infrastructure and provide state-of-the-art spaces for innovative learning.

This investment is part of the recently released Public Education Plan: *Your Child, Their School, Our Future*.

Early Closure Day
Tuesday 14 November 2.20pm
Buses depart at 2.30pm

 Department for Education and Child Development

Principal's Report Continued:

Goal setting in learning

In the primary sector students aim to improve their Literacy Pro levels, or read a certain number of books during the term. For some it's about stepping beyond their comfort zones and participating in group activities, such as Read Aloud. I was heartened to see and hear numerous energetic Read Aloud rehearsals. Students were clearly enjoying the challenge.

For other students, of all ages, it's about breaking the 'I can't' attitude. This is common in maths but through goal setting comes elation at achieving individual targets. A positive mindset and resilience are also essential to long term success.

Year 12 Farewell Assembly

Our most senior students know all about goal setting as we farewell the Year 12's at a special assembly in the new Copper Coast Sport and Leisure Centre stadium tomorrow. I thank them for their contribution to school life and wish them well in their future endeavours. We will share photos of the farewell in the next newsletter.

Prize Presentation Sponsorship

As a school community we will celebrate small and big learning milestones at R-6 and Year 7-12 assemblies on **Friday 8 December**. Previous sponsors will be contacted shortly seeking support once again. We are extremely grateful for any assistance and welcome enquiries from families and local businesses who may be interested in helping. Please contact Paula McKay on 8821 0100 or email on paula.mckay43@schools.sa.edu.au

Sportsperson of the Year Award

The Kennett family has encouraged students for many years by awarding a Sportsperson of the Year medallion to a Primary, Middle and Senior student at the end of year assemblies.

Interested students are requested to complete a nomination form detailing their sporting achievements at school and/or out of school. The Sport and Recreation Committee select the successful recipient from three categories: Primary Year 5-6; Middle Year 7-9; and Senior Year 10-12. Nomination forms are available from Care Group teachers, with all nominations returned to the Front Office received by **Week 4, Friday 10 November, 3.30pm**.

Queen's Baton Relay Bearer

It is with excitement we congratulate Mr James Rigby-Meth on being named as one of the Queen's Baton Relay Bearers for next year's Commonwealth Games in Queensland.

Mr Rigby-Meth was nominated by a member of the community for his commitment and contribution to sport at school, his leading role in SAPSASA as well as local sport.

He will be running one of the relay legs at Angaston in the Barossa Valley on Day 55, Sunday 18 February.

The selection acknowledges Mr Rigby-Meth's dedication as an educator and exemplary role model of the highest calibre to his many students over the years.

Ascot Art Exhibition

Artwork by Middle and Senior students is currently featured in an exhibition at the Ascot Theatre in Graves Street, Kadina.

Themed 'Design, Technology, Pop Culture and Creative Industries in the Art Classroom' works displayed include fashion design, 3D printed designs to ceramic models and artworks in the style of Japanese Kaiju film monsters. It's a prelude to the new media classroom being built next year as part of the STEM development

The exhibition runs until **Thursday 9 November, open between 10am to 4pm**.

Teapot art by Year 9 student Bella Wehr symbolises female stereotypes.

Bushfire Season and Catastrophic Day

Families are encouraged to read the Bushfires and Your Child's School or Preschool brochure located at the DECD link:

<https://www.decd.sa.gov.au/sites-and-facilities/bushfires-and-emergency-closures/bushfire-information>

This link provides resources about what their child's site will do on a catastrophic fire day or in the event of a bushfire.

At Kadina Memorial School on days of **catastrophic fire danger, no school buses or taxis will run**. The school will remain open. As the school may not receive notification of this until 4.00pm the day before, it is vitally important families have up to date mobile phone and email contacts recorded at the school or 'like' the Kadina Memorial School Facebook page and / or download the Skoolbag app for notifications.

If your child's school or preschool is open, but their bus or taxi service has been cancelled, you need to make your own travel arrangements. If your child is unable to attend because of the transport cancellation, you need to advise the school.

It is important all students know their own family bushfire plan. If a fire students are likely to know about it quickly and will become anxious if their family is likely to be affected. In times of danger, it is possible that incorrect information is transmitted. We need to maintain a state of calm whilst students are at school and the more they are aware of the plan, the easier it is to care for them.

Information will also be provided on the DECD Parent Hotline (1800 000 279), ABC Radio 891 and local Regional stations, ABC TV and DECD website www.decd.sa.gov.au

Above, Year 9 student Nikkita Edmiston's bushfire painting.

Pupil Free Day

Week 6, Monday 20 November

School resumes Tuesday 21 November, 8.30am

Governing Council meets twice per term and contributes to the School's Site Improvement Plan, focus areas and events.

Here is a snapshot of a few of the initiatives discussed at last week's meeting:

- The Communications review Committee has drafted a Social Media Guideline to assist staff, students and families when considering posting images of students on social media.
- A School Photo Review team has endorsed Event Photography in 2018. Importantly R-12 photos will be held in Term 1, Week 1 over two days, from **Thursday 1 February to Friday 2 February**. Individual school photos and traditional Care Group photos will be taken during this time. The individual school photo will also be used for Year 7-12 student identification cards. Photo packages and payment details will be provided soon.
- Guest presenters Year 10 students Ethan Manners and Ashleah Walker spoke about the powerful impact of participating in the Youth Opportunities program.
- The school budget is tracking well with the Qkr app extended next year for the payment of Materials and Services fees, excursions and camps.
- Term 1 Pupil Free day will be held on **Monday 29 January** with all NY partnership educators attending an Understanding Poverty workshop. **The first day of school will be Tuesday 30 January, 8.30am.**

Stobie Pole Art Fund My Neighbourhood

We are seeking your support in the SA Government Fund Your Community Grants. Kadina Memorial School, Wallaroo Mines Primary, Kadina Preschool Centre and Harvest Christian College are seeking funds to paint stobie poles in and around the schools to help visually identify education sites to motorists. By painting the stobies in bright colours, we hope to improve safety around all four education precincts in Kadina.

<https://fundmyneighbourhood.yoursay.sa.gov.au/rounds/fund-my-neighbourhood-2017/ideas/stobie-art-for-school-and-preschool-safety>

Thanks for your support.

Debbie Terrett
Principal

Kadina Memorial School Parent Club: end of year celebration, Wednesday 15 November, Highway Restaurant, Copper Coast Highway, 7pm. All welcome.

Sub School News

R-6 Corner: Friendship Seat

Sometimes we all need a 'little help from our friends' with a new friendship seat encouraging students to reach out. The purpose of the seat is for children who have no-one to play with at break time to use as a way of letting others know they need a friend.

The initiative has been a team effort with Kadina Apex donating the seat, Primary Wellbeing Leader Mrs Zelly Ritter researching the design and Miss Karen George completing the final artwork.

It is planned another friendship seat will be strategically placed within the primary grounds.

ICAS English and Maths

In 2017 83 students participated in the ICAS English and Maths competition.

ICAS competition stands for International Competition and Assessments for Schools. It is an independent, skills-based assessment program which recognises and rewards student achievement. Students chose to take the NAPLAN style test which was challenging, but highly rewarding. Congratulations to all students who participated in this challenge.

ICAS English Results:

20 Participation
4 Merit
8 Credit
3 Distinction

ICAS Maths Results:

36 Participation
4 Merit
7 Credit
1 Distinction

Unit News

This term our theme is based around the Hairy Maclary book series for the first five weeks, followed by Christmas activities for the remainder of the term.

So far students and staff have looked at 'Hairy Maclary from Donaldson's Dairy' and 'Hairy Maclary's Bone'. During Weeks 3-5 the books will be 'Hairy Maclary and Zachary Quack', 'Rumpus at the Vets' and 'Slinky Malinki's Christmas Cracker.'

The stories are integrated with many mathematical activities in the topic of 'Position and Direction'.

The Junior class worked together to complete a timeline of when the next characters in the Hairy Maclary books. They also made pet character pictures using their faces and animal shapes, as well as having fun making a dog puppet.

The Senior class is doing lots of work in Maths using directional language such as left/right, under/over, next to, between, on and in. They are also very busy practising for their class play about Hairy Maclary and making props during Art lessons.

Mrs Sandy Mumford
Unit Coordinator

Year 7 Novel Feast

On Tuesday of Week 10, the Year 7 cohort celebrated the end of their Novel Study Unit with a Novel Study Feast. Throughout Term 3, students were streamed into ability groups where they studied a novel in depth, specifically investigating characters, plot, setting, theme and morals. Mr Easter's group read Blabbermouth, Miss Toole's group read Matilda and Mr Rigby-Meth's group read The Hobbit. For the Novel Study Feast, students created an item of food inspired by their book to shared with others. It was a great celebration of student learning!

Year 9 Food Drive: Campaign for a Cause

Non-perishable food items have been generously donated thanks to a Year 9 Food Drive for those less fortunate in our community.

The Year 9's presented their campaign to R-6 classes last week outlining the staggering statistics of how many people go without a meal every day.

They're encouraging students and families to donate food for use at the Anglicare Emergency Pantry in Wallaroo. Please deliver any non perishable items to your child's Care Group.

The Food Drive is a cross-curriculum initiative utilising knowledge from Geography and English lessons, as well as creative digital media skills.

Below is an example of a print advertisement, with digital and face to face presentations also forming part of the marketing campaigns.

If you know someone who may need a helping hand with emergency support call Anglicare SA on 08 8305 9200.

KADINA MEMORIAL SCHOOL ANGLICARESA TERM 4, WEEK 4, 2017

Kadina Memorial's SAASTA P.A.R.T.Y.

In Australia, trauma is responsible for 40 percent of deaths in 15-25 year olds. Many more youths are disabled from injuries sustained from trauma situations. Much trauma is preventable, as it is often the result of a toxic combination of alcohol and/or drugs and risk-related behaviour.

These significant facts led Kadina Memorial School SAASTA students to become involved in the Prevent Alcohol & Risk-related Trauma in Youth Program (P.A.R.T.Y.). Students travelled to Lyell McEwin Hospital to gain a better understanding of the outcomes of risky decisions - decisions that can affect their lives forever. Doctors, nurses and emergency workers involved students in real-life experiences in the emergency and trauma units. Students also had the opportunity to meet two trauma survivors who shared their horrific stories which caused dramatic life changes. The hands-on, confronting and extremely powerful program transformed SAASTA students' thinking on risk related choices, as one choice could change your life, forever.

The P.A.R.T.Y program was very informative. We learnt that we need to think before we act and make choices. Without knowing the outcome, we are putting ourselves and others at risk of danger.

Mackenzie Weltman

We got to experience real situations in the P.A.R.T.Y. program. We followed the path of a car crash victim, into an ambulance, emergency room, rehabilitation unit and even the morgue. We also experienced and discovered the effects the accident had upon family and friends. We learnt that you need to think carefully and make good decisions.

Talisha Lawrence

The P.A.R.T.Y program was a very confronting experience and opened my eyes to the possibilities of how your life could change in one moment, due to one small mistake that could have been avoided. Overall it was enjoyable and I got to experience what it was like for patients that are unfortunate enough to have this happen to them.

Pearson Turner

Obtaining L's and P's

One of the biggest discussion points for Senior Year students is obtaining their L's and P's.

SAPOL's Road Safety Section recently attended Kadina Memorial School and delivered a road safety presentation to Year 10 students entitled, – A Guide to obtaining your L's and P's.

This was an interactive program discussing the methods of obtaining a driver's licence; the conditions relating to Learner and Provisional licences; the risks associated with driving; and why being a passenger in a vehicle driven by a young person is potentially risky.

The program included discussions on crash risks, speeding, alcohol and drugs, fatigue and driver attitudes to road safety.

There are a number of websites which may be of further value to families:

- raa.com.au
- mylicence.sa.gov.au
- sapolice.sa.gov.au
- howsafeisyourcar.com.au

For any further information on Road Safety please contact the Road Safety Section on 82076586 or by Email: SAPOL.RoadSafetySection@police.sa.gov.au

Where? CCSLC, 7pm

You've probably heard the saying before "All good things must come to an end". I don't know if this is copyright so don't quote me on it, but it seems like the perfect way to sum up the process of 'Popstars the 90s Musical'. For the entirety of the year, the cast backstage crew and teachers have given up their lunchtimes, afterschool time, and even Sundays to make this production happen, finishing with one matinee and two night performances at the Wallaroo Town Hall at the end of Term 3.

Now, let's talk about the production. With only days until the first performance everyone was rehearsing like mad, going through the musical over, and over, and over again. I think I can speak for most of us when I say we basically knew everyone else's lines and routines just as well as our own (backstage crew and teachers, we saw you dancing too). Oh and let's not forget about the songs, after all it was a musical. For those who were in the band, you definitely did those songs justice. To this day I still hear them playing in the supermarket and can't help but start singing. Considering many of us involved were pretty much strangers, it was amazing to see the many friendships, and countless inside jokes evolved over the three terms of rehearsal.

Everyone involved put in so much time, effort, dedication and teamwork to make the production a success. Over two nights, we performed to over 500 people. Any feedback received from those who did attend was also really positive. With that being said, the production wouldn't have been a success without the time and dedication of all those involved, especially Mr Hahn, Mr Starr, Ms Hennell, Mrs Hurrell, Mr Graefe, Mr Ackland and Mr Williams. We would also like to thank the KMSC for providing drinks and snacks for the intervals, Ms Combe and Ms Kaesler for doing the make up and to Copy King for our awesome Pop stars t-shirts. We owe a big thankyou to you all! I could continue talking forever about how great the musical was, but I better not get too carried away. So, to summarise the experience, as mentioned before, 'All good things must come to an end', this production being one of them.

By Taylah Wreford

C4 Research Projects

Three Year 12 C4 students completed a modified SACE Research Project with life-long knowledge obtained during the process.

We would like to share a brief summary of their findings which feature working with others, planning and catering for an occasion and growing plants.

Name: Kameron

For my research project I decided to travel around Australia and find jobs in different states to pay for the trip.

I found out (learnt/did): I need a lot of experience in different ways. Some of the work could be station work and do some work in the retail salt works. I might need some experience in fish farms.

The best bits were: learning what it is like to work with other people. I liked working in the salt works retail side, making boxes, filling with salt, a machine closes them then packs them. I enjoyed learning about jobs, what you should do and working. I also enjoyed working and learning at the same time.

Not so good bits: Most of it was pretty good. I can't think of anything not good.

Kameron gained valuable work experience.

Name: Georgia

For my research project I decided to go shopping for food. I brought the food back to school. I planned a birthday party.

I found out (learnt/did): What food you need for a party.

The best bits were: cleaning up after the party.

Not so good bits: getting the invitations.

Georgia's prepares a party enjoyed by her peers.

Name: Josh

For my research project, I decided to grow flowers.

I found out (learnt/did): you can pick flowers for money, how to plant the flowers and look after the flowers.

The best bits were: checking the water, digging the plants and fertilizing them.

My favourite flowers were the pansies.

Not so good bits: I didn't like the smelly stuff!

Josh bought flowers, fertilizer and soil for his research project. He tended to his potted flowers every day.

Thank you to the community members who supported our students in their Research Projects.

Sport News

Yr 10 Boys KO Basketball

The Year 10 Boys KO Basketball team travelled to Balaklava to compete in Round 1 against Clare High School and Eudunda Area School.

The first game against Clare was a close match with the lead changing multiple times in the second half. Kadina was down by two points with less than a minute to go, when ever-reliable shooter, Khalid Shaid, sunk a game winning 3-pointer from the corner to give Kadina a heart-stopping one point victory.

The second match was less competitive with Eudunda fielding a team of mainly Year 8/9 boys. Kadina was able to pile on the points, taking away a 40-plus point victory, ensuring they would progress through to the finals in Adelaide in Week 5 this term.

Thanks to Nathan Bruce for volunteering his time to umpire. Well done to Lachie Jones who took on a leadership role and was able to effectively lead his team from the front.

Mr Chris Rennie
Coach

Year 8/9 Knock Out Tennis

The Year 8/9 Knock Out Tennis team played a Round Robin event against Faith Lutheran and Trinity College. Round 1 saw Kadina Memorial defeating Faith by only 5 games. In the afternoon Kadina lost to Trinity College who were too strong and progressed through to the next round. Thank you to players Brad Daniel, Will Pearce, Jordan Taylor, Matthew Borlace and Jacob Harris. All students competed well and had some very close games.

Mrs Leanne Wait
Coach and Team Manager

Oceanic Darts Championships

Caitlain Avis is representing Australia in the Oceanic Darts Championships played in Dubbo, New South Wales this week. Caitlain is also representing Australia in the Under 25's in the Australian New Zealand Test Match during the same period.

A fantastic achievement and we wish Caitlain all the best as she'll miss the Year 12 Farewell Assembly due to the competitions.

Swim and Survive Program

Royal Life Saving Society of SA (RLSS) will hold its Swim and Survive Program at Wallaroo, Office Beach, from December 18 to 22. It is uncertain if higher awards will be offered this year due to the completion of repairs to the swimming enclosure.

Programs offered include: Wonder and Courage programs (6-49 months) and Active Levels 1-7. Please note, at this stage you will not be able to enrol your child for any level above Level 7, but we encourage you to monitor the website for any changes.

Enrol:

<http://www.royallifesavingsa.com.au/enrolment/>

Under 'Course Category', please select 'Holiday Swim'. Under 'Course', please select 'HOLIDAY SWIM - OFFICE BEACH' and then proceed with the rest of the enrolment. If you have any questions or concerns, please contact RLSS South Australia on 8210 4500, or email aquatics@royallifesavingsa.com.au

Kadina Memorial Community

Wool Spinning

The old age industry of spinning wool was taught to Year 9 Ag students last week by Ms Tracy Haywood of Knit, Spin, Weave at Clare.

Students heard about the history of spinning wool and after a demonstration were given the opportunity to try their hands at working with the natural fibre.

Students (and staff) initially found it difficult but with persistence many mastered the basic spin!

Many thanks to Ms Haywood for a detailed, interesting and hands-on lesson.

School Magazine orders due soon

Have you ordered a 2017 School Magazine?

The 2017 Kadina Memorial School Magazine production is well underway with even more photos published than previous years. The Magazine is a comprehensive visual overview of the school year, with articles covering class activities, excursions, major events, sport, daily learning and student contributions.

The Magazine cover was designed by Year 12 Creative Arts student Sarah Taylor featuring this year's whole school Reconciliation Popstick Artwork—a tribute to our R-12ness.

Only 200 copies will be printed this year and are available for purchase at \$25 (including GST). To order please return the slip below by Friday 17 November. The magazine will be available for collection in Week 9.

I (name) _____ would like to purchase a 2017 School Magazine.

Care group: _____

I have paid \$25 (Incl GST):

I will pay \$25 (inc GST) on collection:

Nominated person to collect Magazine from Finance Office: _____

Contact Phone Number: _____ Signed: _____

DMC and Notice Board

Decision Making Committee

The Kadina Memorial School Decision Making Committee (DMC) is a representative committee consisting of staff, students and parents who meet each fortnight. The next DMC will be held in Term 4 Week 5, **Monday 13 November 5pm** in the Staff Room.

Principal Approved Proposals:

Proposal: C4 Yr 12 End Of Year Luncheon

Date: Thursday 2 November

Proposer: Sandra Hawes

Proposals submitted to DMC for consideration:

Proposal: Bullying Presentation

Date: Wednesday 8 November

Proposer: Zelly Ritter and Chris Morrison

Proposal: Rec SH & Rec JW Excursion to Tarnasey Farm

Date: Thursday 16 November

Proposer: Shelley Hier and Julianne Wyatt

Proposal: Yr 10 Girls PE Beach Excursion

Date: Tuesday 21 November

Proposer: Simone Combe

Proposal: Water Safety Lessons

Date: Tuesday 21 November to Friday 24 November

Proposer: Simone Mercer

Proposal: C4 Bright Stars Cricket Carnival

Date: Friday 24 November

Proposer: Sandra Hawes

Proposal: Water Safety Lessons

Date: Monday 27 November to Friday 1 December

Proposer: Simone Mercer

Proposal: Yr 9, 10 & 11 Drama Showcase

Date: Jacq Barry & Andre Starr

Proposer: Wednesday 29 November

Proposal: Water Safety Lessons

Date: Monday 11 December to Thursday 14 December

Proposer: Simone Mercer

Proposal: Junior Primary Patch Theatre Excursion 2018

Date: Tuesday 14 August, 2018

Proposer: Kylie Walker

Primary School Disco: Tonight! **Thursday 2**

November. Theme: Casual/Free Choice, tickets cost \$3, BER Hall.

JP 5.30pm -7.00pm / Primary 7.15pm-9.00pm

Chips, lollies, chocolates and drinks available with prices ranging from \$1.00 to \$1.50. Glow bracelets 5 for 50cents.

Tickets will be available for purchase at the door.

School Card Changes

The state government is raising the school card income threshold from next year to help families with the cost of living. This means families with one child and a gross income of \$57,870 in the 2016-17 financial year will be able to apply for a school card. Application forms for 2018 will be available from schools or www.sa.gov.au by the end of the 2017 school year (forms will be available at Kadina Memorial School January 2018 at fee paying days).

Canteen News

****NEW TERM - NEW SUMMER MENU****

Nippys Large Juice NOW \$3.20

Biscuits NOW \$1.00

Are you a parent who would like to gain some experience and meet new people? Please come and see us today. We are always looking for help, and your children would enjoy seeing you at school helping out. We have vacancies regularly, if you are free. We are also looking for more volunteers in 2018. Come on in, it is a great way to meet new people in the community and stay in touch with what is happening at school. You receive a free lunch and drink, with an invitation to our end of year celebration. For our current volunteers, this will be held on Sunday 26 November. Save this date in your diary for a family fun day out! More information coming soon!!

Thanks to all of our volunteers.

Vicki, Annie and Jeanette, your friendly canteen staff.

A busy lunchtime assisted by student helpers.
