## KMS NEWSLETTER

Term 4, Issue 5: Thursday 14 December 2017

### From the Principal's Desk

As the 2017 school year concludes I reflect on some of our 'Learning for our Future' achievements.

Today's students are empowered to be 'critical thinkers', encouraged to collaborate with their peers, problem-solve, and communicate their findings through conventional and digital forums. 'Critical thinking' often leads to creativity, brainstorming and new ideas which are applied across the curriculum. Students have numerous learning opportunities to build these skills.

We are a progressive school with new innovative learning spaces to be built in 2018 as part of the Science, Technology, Engineering and Maths (STEM) works. This exciting project is aimed at better preparing students for a workforce where jobs are yet to be invented.

It was with great excitement we celebrated our recent assemblies and showcase in the new Copper Coast Sport and Leisure Centre stadium. We enjoyed the new stage, extra space and state of the art sound system. This redevelopment is a prime example of what can be achieved when the community, schools and local councils work together.

The community has been a great support to student learning, from donating animals to our agricultural program, R-12 mentoring, canteen and classroom volunteers, work experience placements and involving our

students in events such as the Kernewek Lowender and World Challenge. These experiences offer 'real life' learning and role model leadership: providing a sense of belonging to a community.

I thank staff, students, parents, Governing Council and Parent Club for their support and guidance over the school year. I am proud of the big and small learning milestones and students' resilience when faced with setbacks. Student learning is a partnership between school and home with Family Information Nights, Parent Teacher Interviews, phone calls, school communications and student postcards integral to building positive relationships. The recent presentation assemblies included sponsorship from past student groups in the graduating classes of 1992 and 1969 who have chosen to sponsor awards as a way of giving back to the school. This is an example of the special long-term connection past students have with the school.

Learning is life-long with our staff actively participating in Network Learning Groups and professional development opportunities. R-6 Arts educator Mrs Jo Hurrell achieved Lead Teacher National Certification and Trade School Support Officer Miss Hannah Dayman won a State Education Award in October.

## R-6 Corner

In the final newsletter for 2017 I would like to personally thank all who have travelled my R-6 journey with me this year – staff, students, parents and community members.

I have enjoyed being part of the R-6 team and the experiences it allowed me to have, for example students really excited to see me after school hours while shopping, being a part of Mothers' Day celebrations, R-6 Showcase and the R-6 Assembly are just a few.

I return next year to Middle School as an Assistant Principal and I look forward to connecting to Year 6s as Year 7s in 2018. I feel the year has given me a great head start for future years as I have already met many students and their families. I'll see you across the courtyard in a couple of years (maybe more.)

In closing I'll leave you with this quote:

*"You cannot get through a single day without having an impact on the world around you. What you do makes a difference and you have to decide what kind of difference you want to make." - Jane Goodall*

By Mrs Tarryn Germein

## DisABILITY News

On Thursday 30 November all Unit staff and students visited Tarnasey Farm. This was a culmination of the Hairy Maclary theme this term, and the students enjoyed travelling along Donaldson's Road in the bus (this is the name of the dairy in the series of books).

We all loved feeding the horses and pigs with carrots, and the cows and sheep with grain. Some students patted the friendly goat and alpaca while other students fed the chooks and gathered the eggs. It was great to see children interacting with the animals which for some was a very rare occasion. Many thanks to Kerry for letting us visit her farm.

I would also like to wish everyone a Merry Christmas, a Happy New Year and a safe holiday. Looking forward to another great year of learning in 2018.

## Rowan Ramsey MP Award

Kadina Memorial School's Office Manager Mrs Jan Adams was acknowledged for her outstanding service and contribution to school life with the Rowan Ramsey MP School Community Award at the assembly on Friday.

Mrs Adams has been an employee of DECD for nearly 35 years, with 30 of those at Kadina Primary and now Kadina Memorial.

Her kindness, empathy and understanding to new parents enrolling students at the school is unmatched and unique. Behind the scenes she looks after every staff member. Her attention to detail and vast knowledge of DECD systems, protocols and human resources is second to none.

Congratulations Jan!

## Volunteering Award

Long time volunteer Jeanette Waters was recognized for her service with the Minister for Education and Child Development Volunteer Award. Mrs Waters has been covering thousands of library books over the years, in addition to helping in class and assisting in the Canteen.

Thank you Jeanette.

## Year 9 and 10 Drama Showcase

Wednesday 29 November may have been a hot night, with a packed house and anticipation in the Drama Room living up to expectations of some great performances. The audience came to see the Year 9 and 10 Drama Showcase. Mrs Barry's Year 9's performed '*Jinxed*', a play about a group therapy session which takes place in a shopping mall, except there's one problem – one of the patients has a bomb strapped to her. This comedy was performed with energy and great timing by the class.

Mr Starr's Year 10's performed '*Super!*' In this play, a girl, Norma, is drawn into her TV and into 'Super World' where she agrees to slay the scary Monster. On the way, Norma and some Supers run into Ninjas, a scary old lady and sing *Grease* songs with the Pink Supers. The class lit up the stage with their energy, comedy and music. Both Drama classes were professional and mature, handling the pressure of the audience and the heat extremely well.

### THANK YOU!

The Arts play a vital role in a child's education. This year has seen so many students taking opportunities to showcase their talents including: Pop Stars Musical, Drama Showcases, Music Performances, Balaklava Eisteddfod, Generations in Jazz, Memory Project, Art Projects in the Primary School, Excursions etc. I just want to thank everyone's involvement and commitment to The Arts this year. Thank you parents for your support getting your child to various practices and rehearsals, often on weekends. This has made a huge difference. Have a Merry Christmas and a Happy New Year!

Sandy Hahn  
Arts Coordinator

# Post cards from Camp

## Hello from the Nation's Capital

It has been a busy schedule for 73 Year 9 students and seven Kadina Memorial staff who have been exploring Canberra, the nation's capital.

The camp included education guided tours at the National Capital Exhibition, Parliament House, Museum of Australian Democracy, and National Museum of Australia, Australian War Memorial (including a wreath laying ceremony), ANZAC Parade, Australian Electoral Commission, National Library and the Australian Institute of Sport. Students also enjoyed visits to Questacon, the Black Mountain Tower at night and Event Cinemas.

This camp is a wonderful opportunity for students to see our Nation's Capital and to be exposed to information about Australia's past, present and future.

We are fortunate to receive Australian Government assistance for this excursion. In order to assist parents in the meeting of the cost of the camp, the Australian Government contributes funding under the Parliament and Civic Education Rebate (PACER) program towards travel expenses incurred. This contribution, as well as CAP funding, was taken into account and enabled us to reduce the cost of the camp.

We would like to thank the Australian Government for their support of this program. Also, a special thanks to Ms Evans, Mrs Stanley, Ms Miko, Mr Agnew, Mr Ackland and Mr Bensen for their willingness to support students on the camp.

Thanks,

David York

## World Challenge Cambodia Experience

We are thrilled to be receiving snapshots from students and staff currently on the World Challenge expedition in Cambodia. It looks like they are having an experience of a lifetime.

## Year 7 Aquatics Camp: Port Vincent

## Year 8 El Shaddai Camp

Calculated risk taking, adventure, individual students pushing themselves beyond their comfort zones and team trust games were just a few of the achievements accomplished by students on the Year 8 camp.

## Year 10 Surf Camp, Berry Bay

Sun, surf and sand combined with perfect summer conditions saw Kadina Memorial students hit the waves and enjoy Yorke Peninsula's Berry Bay.

## Canteen News

Thank you to all our volunteers, customers and student helpers who support our Canteen.

During Term 4 we've had a number of primary students volunteer regularly in the canteen at break times. They've been a wonderful help, literally 'run' off their feet at times. The students have thoroughly enjoyed their time and when asked why here's a small insight into why volunteering at any age is such a good mantra in life:

- I like helping
- I like serving people
- I like to be part of team
- We have lots of laughs with Annie and Vicki
- It makes me feel good, I'm being useful
- I'm getting more confidence behind the counter
- I'm learning how to run to a shop!
- It just makes me feel good!
- We are always thanked and feel appreciated

Absent: Niki and Taya.

If you are interested in volunteering next year, please pop in or ring me on 0419 866 471.

We wish you all a safe and happy holiday break. We will return in 2018 with the same Summer Menu. There will be no changes to our menu until Term 2, which will bring a new Winter Menu.

Enjoy the holidays and see you all next year!

Thanks Vicki

Canteen Manager

Our old number will continue to work for a period of time. This is all part of the new parent communications platform we are introducing in 2018.

## Correct Contact Details

Do we have your correct mobile phone numbers, postal address, residential address and email address? In 2018 we are launching Daymap Live Parent Portal but we require correct contact information for it to be effective and successful. Thank you for your support.

## C4 Cooking

On Tuesday 5 December the C4 class prepared their last dish for guests. This term we focused on 'sweet foods' and students did a fabulous job cooking and presenting some delicious dishes. This class has improved their confidence and independence in the kitchen throughout the year and should be very proud of themselves. Thanks to our guests for visiting!
