

CELEBRATING NHARANGGA CULTURE

CULTURAL CENTRE PROPOSAL

NHARANGGA ABORIGINAL PROGRESS ASSOCIATION INC.

We believe that it is timely to build a Nharangga Cultural Centre for the benefit of our people, and to educate the broader community about our proud, skilled people and rich history. It will provide jobs, and opportunities for people to make money from small businesses, as well as the provision of social programs, learning and training, and enable us to keep researching our traditional pre-European culture and traditions. We'll be able to build a significant cultural asset base to keep Nharangga culture alive and well for future generations.
