

Rose House wins 2021 Sports Day Carnival

From the Principal: Alistair Williams

Congratulations to the House of Rose, winning both the R-6 and 7-12 Sports Day, with just 360 points between first place and fourth.

Southwood came second after two impressive starts to the day, performing a great R-6 health hussle and chant, backed by their 7-12 team with an entertaining march and emphatic chant. Chandler came third, with Heath in fourth position.

Once again, team games and relays were pivotal in the overall results. It was good to see fewer team game disqualifications this year, as house captains and vice captains encouraged their peers to dig a little deeper. Thank you to Mr Luke Driver, Head of Health and Physical Education, for another well-run two-day event during difficult COVID-19 management times. I am always so impressed and proud of how staff members pitch in on the day, support each other and give their 'all' to students. Thank you to Vicki and the Canteen too. It is a big couple of days and one we all continue to enjoy.

Thanks to carers

Visitor numbers were down compared to previous years due to COVID-19 crowd management and we are genuinely thankful for the way our community supported us.

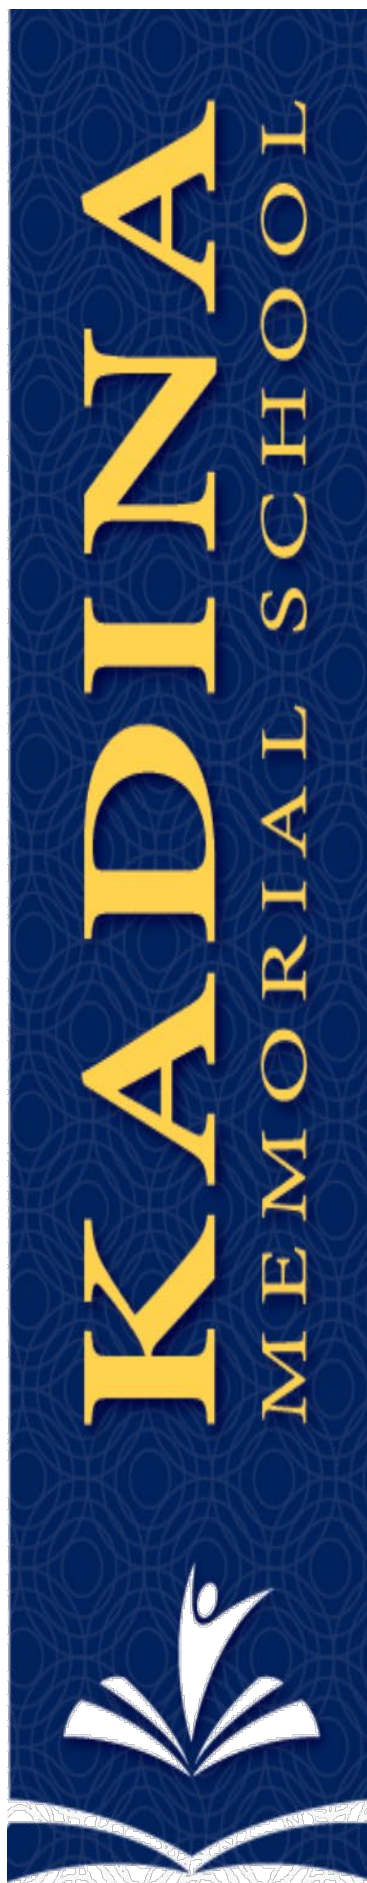

Sports Day is traditionally a family event, and having to make tough decisions about crowd limits versus public health safety, while not easy, was a necessity.

In the end, our community responded by limiting their family members on site, signing in via the QR code and sign-in sheets, and assisting us to make our sports day go-ahead. I am aware of some families who had a roster of who visited throughout the day! This extra effort was truly appreciated.

This week's newsletter reports the results of the two-day carnival. More photos will be published in future editions and the 2021 School Magazine available in term 4.

KMS Governing Council Report

Some of the topics discussed at our recent meeting held on Wednesday 24 February included:

- An update of the Special Options building and Performing Arts Centre developments
- We heard about the War on Waste audit undertaken by our middle school KMSC and their strategies to decrease school waste
- We discussed concerns for pedestrian safety near our school
- Seeking nominations for the 2021 Governing Council

If you would like to know more about becoming a Governing Council member please feel free to contact me or retiring chairperson Lynne-Marie Power.

Governing Council is an important and legal responsibility in the overall running of a school, from finance, events, sport, grounds and canteen matters. Importantly members contribute to robust and considered debate about the 'big picture of school', strategic planning such as the Performing Arts redevelopment, uniforms and emerging matters and how it may affect a regional school like ours. In addition, Kadina Memorial has other areas requiring school community input, from bus routes and policy matters of the day.

The next Governing Council meeting is the AGM, **Wednesday 24 March**, 7pm at the Hospitality Centre.

A nomination form is included in this week's newsletter.

Pedestrian Safety Reminder

School drop-off time from 8:25am to 8:45am on Doswell Terrace continues to be an extremely hectic time for pedestrians and motorists.

I emphasise that all pedestrians must give way to traffic while waiting at the two protrusions between the school and the ATSI/ FLEX Centre and at the Community Library on Doswell Terrace.

It is disappointing seeing students and carers dodge and weave between vehicles and oncoming traffic.

I urge all students and their families who walk to school to use the pedestrian crossing near the bowling club with trained crossing monitors assisting traffic flow.

I would appreciate if families could talk their child about this as a matter of urgency, with teachers also raising it during care group.

Sports Day Spirit

Easter Holiday

A reminder school will be dismissed on Thursday 1st April at 3:10pm as per the normal routine. Good Friday is on April 2nd and Easter Monday 5th April, with school resuming in week 11 on Tuesday 6th April. At this stage, no decision has been made about an early dismissal on the last day of term as we are currently analysing the results of the returned Early Dismissal form given to every student in week 1 or on enrolment. This decision will be communicated to families shortly.

R-6 Corner: Sports Day & the Australian Curriculum

Sports day, in addition to providing students opportunities to jump, run, throw, dance and cheer, also allows our students to show their learning and understanding of the Australian Curriculum's Personal and Social Capability. Through self-awareness and management, students build their social awareness and management understandings and skills. Team membership, commitment, working with others, understanding that participation is just as important as winning and more are learnt through this sport and physical activity focus in term one.

Explicit teaching and practice at school combined with home support allows students to build these critical lifelong skills. We are very proud of the way students managed themselves in the lead to and on sports day and look forward to further opportunities for students to showcase this to the community this year.

Unit News

Junior Class

It was great to have family members supporting the Junior students as they participated in R-2 program last Thursday. For some of our students it was their first Kadina Memorial School Sports Day so they were very excited at being able to wear their house colours and participate in the fun events. Well done to class teacher Miss T and support staff, for assisting the students on the day, and to Mrs Brooke Polkinghorne and her Year 2 students for the opportunity to join in with her class to complete the events. Thank you all for making it a great morning. For a couple of the students who were anxious about Sports Day, they had their own modified one back at the Unit, where I organised similar events to what the other students were doing out on the oval.

Senior Class

It was also great to see some families last Friday helping and cheering on the Senior students as they completed their modified events for Sports Day. The students keenly participated in all of the events to the best of their ability. Thank you to the spectators cheering on our students as they ran their 100 metre race. They were also very excited to receive their ribbons at the completion of the events, as they tried extremely hard to jump, throw and kick as far as they could. Thank you to support staff for assisting, and for everyone who came along to help make Sports Day a rewarding day for our students. These days are certainly great for our School Values, Opportunity, Excellence and Respect to be seen in action.

Canteen News

Thank you to our many volunteers, students, family members and my great team of workers who helped coordinate Sports Day week. Also, thank you to the Farm Shed, Desmond's Meats, Woolworths, Fully Baked Kadina, Centrestate, Kadina Fruit and Veg Market, and Coke for supplying us with everything to make this day possible. It is always a huge achievement for us to run two canteens and supply many families with food and drinks on the day. Thank you also to Mr Luke Driver for his support and letting us use his classroom again this year. Without the use of this space it would not be possible to supply a great canteen service. This year we sold over 480 hot dogs, 100 chicken burgers, 70 tender wraps, 20 pies, 36 sausage rolls, 300 donuts and plenty of drinks and iceblocks to keep everyone cool. We appreciate your support for our canteen and all feedback is greatly appreciated to improve every year.

Thanks

Parents & Friends (P&F)

A keen and committed group of parents met last Wednesday in the library to set this group's 2021 goals and plan:

- With the R-6 KMSC-run the long awaited 'Muscle Mania' on Friday 26th March
- A call for volunteer help to assist with the Muscle Mania. If interested, please let Paula McKay know by calling 8821 0100 or email paula.mckay43@schools.sa.edu.au
- Continue with the poppy project including asking families/community members to make purple poppies in recognition of the millions of animals that died in war.

All families interested in being involved with P&F are encouraged to connect with the Facebook page '*KMS Parent Club Info Board*' for up-to-date information and/or talk with a member.

The next meeting is on **Wednesday 9th June**, 7.30pm in the school library. All are welcome to attend this.
