Kadina Memorial School NEWSLETTER

Term 3, Issue 5: Thursday 23rd September 2021

Kadina Memorial success

From the Principal: Alistair Williams

Congratulations to all students, parents and staff who have played in winter sport finals over the past few weeks.

The anticipation of team selection, managing injuries, and the game result often emulate life's ups and downs.

There is always a winner, and, unfortunately, a second, third, fourth, and so on.

Recovering from a disappointment and working on a strategy is how individual players and teams grow.

Over the past three weeks, year 3-10 students have sat PAT-R and PAT-M testing.

Their results show areas of improvement and growth in reading and numeracy since the same time last year.

Research continually finds that students experience their greatest improvement when there's a partnership and an agreed learning strategy between home and school.

Learning is similar to sport – good teamwork earns results.

Our Front Cover

Kadina Memorial students have represented the school and district at local, regional, state carnivals and major events over the past month.

Congratulations to the year 6 SAPSASA Basketball teams, with the boys winning the State Country Championships and the girls placing second.

Last week, students in 21TH, 21SH and the Unit competed in the successful Regional Disability Basketball Carnival in Port Pirie. Students have filed their report in this week's newsletter.

A standing ovation to the year 5.6 Choir and staff on their spectacular performance at the 130th Festival of Music at the Entertainment Centre recently. This was an extraordinary effort by all, with months of rehearsals culminating in this performance.

EARLY DISMISSAL

Friday 24th September, 2:10pm, buses depart 2:20pm

TERM 4 starts Monday 11th October, from 8:30am

Government of South Australia
Department for Education

Narungga Country

Principal's report continued:

Governing Council News

All members attended the September meeting, discussions included:

- A MS Teams group will be established for Governing Council members to communicate with the possibility of participation via Zoom for meetings
- Student representatives reported plans for a nature play area adjacent to the new Arts building which may include a creek type play space
- COVID-19 SA Health guidelines continues to affect school organised events, such as term 4 assemblies.

Governing Council is the 'eyes and ears' of the school community resulting in many rich discussions, with information and advice sought and shared. We thank all for their participation and willingness to help healthy governance of the school.

The next meeting is Wednesday 27th October, 2021.

Parents & Friends

The Annual General Meeting in the Hospitality Centre was attended by 10 members.

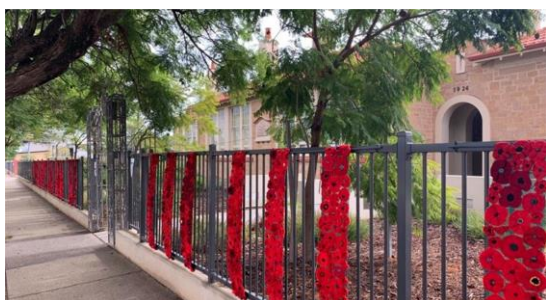

This provided me with an opportunity to share a summary of school events, including the External School Review.

Election of officers:

- | | |
|-------------------------|------------------------------------------------------------------------------|
| • Chairperson | Jessica Collins |
| • Vice Chairperson | Fiona Bussenschutt |
| • Secretary | Carolyn Read |
| • Treasurer | Katie Papps |
| • Governing Council rep | Julia Williams |
| • DMC rep | Narelle Koch |
| • Committee members: | Briony Waters, Elise Atkinson, Bridget Johns, Rachel Meier and Justine Koch. |

The poppy project is in its second year. Any completed poppies please send to school by week 1 next term. We are seeking volunteers to assist with assembling the panels early next term (all materials provided). If this interests you, please contact Paula McKay via the Front Office or email paula.mckay43@schools.sa.edu.au

The next meeting will be held on **Monday 8th November, 9am**, starting at the Front Office followed by a tour of the Community Garden. All are welcome to attend this opportunity to meet others and learn more about the school.

2022 Class Placement Information

Executive Leadership has begun staffing and year level class planning for next year. In a big school this can be challenging, with enrolment numbers fluctuating. We ask parents to inform us if their child/ren will not be attending Kadina Memorial School next year. Likewise, if you know of a family moving to the area who have children intending to enrol at our school we would like to know to assist us with planning. It's also time for families to provide information for class placement for 2022. The Class Placement Guidelines and Class Placement requests can be found on the school website:

<https://www.kms.sa.edu.au/learning/policies/>

We ask all requests to be forwarded by Wednesday 13th October to:

- R-6 to Head of School, Debbie Terrett:
Debbie.Terrett295@schools.sa.edu.au
- Years 7-9 to Head of Middle School, Tarryn Germein: Tarryn.Germein530@schools.sa.edu.au

All requests will receive an email acknowledgement.

The request template is also available from the Front Office.

Building Immersion Program

Senior students have been participating in future study and career pathway discussions this term.

Presenters from the Master Builders' Association provided an informative workshop to students last week as part of the School Immersion Program.

Representatives shared various aspects of their jobs, expertise, and trade qualifications.

Students also met with Meinhardt Engineering on Tuesday.

End of Term 3

I wish you all a safe and restful two-week break, knowing many of our year 12's will be juggling study and work commitments. Remember, to take time for yourself to recharge and in anticipation for a busy Term 4.

See you Monday 11th October.

Regards,
Alistair Williams, Principal

R-6 Corner

Our specialist teachers are using a different approach to keep families informed of their children's progress. If your child is taught by any of the following specialist teachers:

- Ben Graefe for Performing Arts
- David Wetherall for Health, PE or both areas
- Di Chamberlain for History/Geography and Narrungga language
- Sue Stanley for History/Geography
- Valeska Wehr for Science in BR6

You will receive with this newsletter a letter detailing your child's progress at the end of term 3 using colour bands or a 'traffic light' approach. Progress is colour banded with **purple = your child is working well and above standard**, **green = your child is performing at standard level**, **yellow means the child is at risk of not meeting the requirements of the learning area** and **a red colour indicates your child is not meeting the learning requirements and is well below standard**.

Student's effort, attitude and attendance often impacts on their learning success at school. Students who attend and are focussed, listen, ask questions, take risks and respond to feedback make the most of their learning.

We used this 'at a glance' approach earlier in the year and many families took the opportunity to talk with their child regarding their progress with some contacting the teacher to plan for more information about how we can work together to maximise all learning opportunities.

We thank you for the time spent with your child discussing their learning.

Cheers

Debbie Terrett

R-6 Head of School

Transition to Middle School

Year 6 to 7 Transition Information for Kadina Memorial Students

Week 2 Tuesday 19th October

- Parent Information and Tour Evening
 - 6pm Tour (meet in the Heart out the front of the Canteen)
 - 6.30pm Information Session (Middle School Common Room)

Week 8 Monday 29th November

- Full day transition
 - KMS current Year 6 students combine with 2022 incoming students for full day transition.

And for our current Year 7 students

Week 8 Tuesday 30th November

- Full day transition
 - KMS current Year 7 students combine with 2022 incoming students for full day transition

Unit News

Here we are at the end of another term. We have certainly packed in a lot of activities over the course of the term, and there has always been something to look forward to each lesson.

Our Olympic Games theme has seen lots of great learning opportunities about the city Tokyo and the country Japan, the athletes and sports, as well as following the medal tally for Australia and Japan, in both the Olympic Games and the Paralympic Games. Both the Senior and Junior classrooms have fantastic displays of the work that has been completed over the course of the term. Art and craft lessons have been very busy with the students making, painting, decorating and colouring Olympic rings, the Olympic logo, and some of the flags of the participating countries, as well as making an Olympic torch.

There has also been lots happening in English with the students reading and writing daily, fun with counting and adding numbers, learning about tallying, and drawing graphs in Maths. In Health and Pastoral Care lessons, the emphasis has been on stress management and coping strategies, relationships, showing compassion for others, being a safe and good friend, and public and private. Dress ups and sensory play on Fridays, cooking lessons, PE, swimming lessons and Science experiments, all make for a very busy program each week.

We look forward to another busy term in Term 4.

Sandy Mumford, Unit Coordinator

Governor's Civics Award

During term 3 a group of children met with Mrs Stanley to work towards an entry for the Governor's Civics Award. This award is an education initiative to develop student awareness and skills as active and informed citizens in a multicultural and democratic society.

To demonstrate an understanding of sustainability the children created paper by recycling shredded office paper to make a pulp. To this we added either green or red paint and silver or gold glitter to create papers that were Christmas colours.

Once the papers were dry students used them to create elements to put on Christmas cards they were making. The children used a variety of paper crafting tools and techniques to make Christmas cards which showcased their paper-making skills.

On Thursday 9th September these cards were taken by the students to Estia Care Home where they were given to the residents so they could, as Mitchell said so well, send Christmas greetings to their loved ones. The two ladies who represented the residents and accepted the cards on their behalf were touched by the community concern of our students, and amazed by the quality of the cards the children made.

Thank you to the students, Chelsea Hyslop, Lexie Olsen, Mitchell Webb and Mali Williams for your hard work and your dedication to this project.

Sue Stanley, Teacher

Above, Mali, Lexie, Chelsea and Mitchell show their home-made Christmas cards made with recycled paper and card making techniques.

Above, Mali, Lexie, Chelsea and Mitchell with Estia residents.

Winners of the 2021 Governor's Civics award for Schools will be announced on Proclamation Day, 2021.

Around the School

Head of R-6 Mrs Debbie Terrett assists students from Miss Daly's reception and year 1 class to plant the new vegetable gardens near Wambana.

Australian Defence Force personnel met with interested Middle and Senior school students about study and career opportunities in the armed forces recently.

Mr Hahn's year 9 and year 10 music students are working with string members of the Adelaide Symphony Orchestra (ASO) and composer Belinda Gehlert in a composition workshop.

The final composition, which is composed by students and orchestrated by Belinda, will be performed by the ASO in November.

Mid North Basketball Carnival

On Thursday 9th September students from Kapyong and the Unit attended a great day of basketball in Port Pirie. Students were asked to give a comment on the day:

"I thought that it was good and think we should do it again. It was fun being in a group and taking turns."

"I liked meeting new people and new faces. It was a fun day."

"I liked getting a medal."

"It was really fun and it was good to see kids who don't usually get a chance to play basketball doing it."

"I liked being part of a team."

"I loved it going to Port Pirie and having fun playing basketball."

"It was fun because I got to go to the disco and the game."

"I loved it because I got to hang out with my friend."

As you can see from the comments, the day was a huge success. Student's showed great sportsmanship on the day and supported each other enormously. It was wonderful to see the students from Kadina Memorial School showcase their basketball skills and positive attitudes at the Mid-North Basketball Carnival.

Report by Kapyong students

SAPSASA Year 6 Boys' Basketball Gold

Game 1 was against Naracoorte. Kadina Boys' Basketball team started strongly resulting in a satisfying win, 17-7. Players of note: Leo and Angus.

Game 2 against Redeemer Lutheran School from Nuriootpa. After a grind at the start, Kadina's running game led to a comfortable win, 25-8. Players of note: Max and Oscar.

Game 3 against Reidy Park from Mount Gambier. After a slow start, Kadina clawed their way back into the game and looked the better team towards the end. This game went down to the wire, with Kadina losing by one point, 10-11. Players of note: Baylan and Mason.

The Grand Final was against Reidy Park. The opposition came out and put quick points on the board. Kadina started to drive the ball and got fouled consistently. At half time Kadina held a tight 2-point lead. In the second half, baskets were traded. Kadina started to gain the upper hand, with Reidy Park in foul trouble. A tight and tense finish saw Kadina prevail by four points, to win the Grand Final 30-26. Players of Note: All played their roles well, with Nate holding down both ends. Well done - deserving Statewide School Country Champions!

Report by Shaun Mercer, Coach

SAPSASA Year 6 Girls Basketball Silver

Kadina's Year 6 Girls' Basketball team has won a silver medal at the State Country Carnival in Adelaide last week.

The team was represented by Mackenzie Wood, Eva Schilling, Zanel Nolte, Eliza Smith, Morgan Phillips, Alexis May, Natalia Bagnato and Montana Toole (injured).

The girls played the first game against Bordertown Primary School. After a slow start, the girls found their rhythm with great defence and passing, resulting in a comfortable win 18-6.

The second game against St Anthony's Catholic Primary School was very much a different encounter. St Anthony had size and strength. The game was quite the defensive battle and a low scoring contest. The girls worked well together to succeed, 7-3.

After winning the first two games the girls were guaranteed a spot in the grand final regardless of the result of the last game. However, they wanted to keep the winning momentum against Redeemer Lutheran School. Redeemer had only lost by four to St Anthony so it wasn't going to be an easy game. The girls missed lots of layups and open shots early but their defence managed to keep the opposition scoreless, to win 8-1. The girls entered the grand final with confidence with three wins for the day.

In the Grand Final, St Anthony started on fire and brought a physical contest. Lots of fouls were called during the game and St Anthony made the most of their opportunities. The girls got tired and exhausted but tried their very best, unfortunately going down 20-6.

The girls were awarded a silver medal as the runner up at the State Country Basketball Championships with only losing the one game (albeit the Grand Final) through three carnivals. An achievement they should be extremely proud.

The girls were well coached by Belinda Wood who guided the team to achieve their very best throughout the basketball series. Thank you Belinda and to all the parents for volunteering with scoring and driving the girls to Adelaide for the day.

Aaron Smith, NYP SAPSASA Convenor

School Sport SA Basketball Series

On Friday 27th August, the Regional SAPSASA District Basketball Carnival was held at Kadina's Copper Coast Sport and Leisure Centre. Schools represented were the winners of various District SAPSASA carnivals earlier in August across Northern and Southern Yorke Peninsula, Mid North and North Eastern Districts.

Unfortunately, Kadina Memorial's Year 7 Boys and Girls teams missed out on progressing to the regional competition after just falling short in the NYP SAPSASA Carnival held on Friday 13th August.

Kadina Memorial's Year 6 Boys and Girls teams both progressed to the Regional Carnival.

The day ran smoothly and being Book Week dress-up day the students were happy the event started later enabling them the opportunity to also participate in the dress-up parade.

Both teams started well with the boys winning their first game against Balaklava Primary School 26-5 and the girls claiming victory against Burra Community School. The second and final match decided which team progressed to the finals. The boys played Maitland Lutheran School and after a very close first half coach Shaun Mercer used all his bag of tricks to encourage his young team, winning 16-4. The girls had a hard physical contest against Minlaton District winning 18-2.

Thank you to coaches Shaun Mercer and Belinda Wood, as well as the parents and volunteers who supported with officiating and encouragement throughout the series.

Aaron Smith

NYP & SYP SAPSASA District Convenor

Year 6 Girls and Boys team: back, Eliza Smith, Mackenzie Wood, Morgan Phillips, Natalia Bagnato, Montana Toole, and Alexis May. Middle, Baylon Mummery, Nate Mercer, Angus Bussenschutt, Oscar Cock, Leo Ziersch, Mason Papps, and Max Bussenschutt. Front, Zanel Nolte and Eva Schilling.

Division 2 Year 7 Boys team, back, Brodie Hines, Ethan Trott, Stewart Roberts. Front, Blake Holman, Dylan Cruett, and Austin Lamshed. Coach Sarah Bailey.

Division 1 Year 7 Boys: Back row, Harry Franz, Josh May, Jim Monger, Tex Neumann, Cohen Mummery. Front, Harry Rennie and Tyler Pontifex.

Year 7 and Year 6 girls, back row, Tali Dayman, Montana Toole, Sienna Rawlinson, Ilana Penny, Alexis May, Mackenzie Wood, Eliza Smith, and Ava Papps. Front, Macey Charlton, Morgan Phillips, Eliza Rosewarne, Natalia Bagnato, Nellie Polkinghorne, Zanel Nolte, and Eva Schilling.

State Soccer Carnival

The School Sport SA State Soccer Carnival was held in Adelaide from the 30th August to 3rd September. The Year 7's started the week and finished on Wednesday where the Year 6 competition began Wednesday afternoon through to Friday. For this carnival, we combined our Northern and Southern Yorke Peninsula Districts to enter as Yorke Peninsula. It was a great week with fantastic weather apart from the windy conditions on the Thursday. All students gave it their all and learnt new skills while forming excellent friendships.

Year 7 Boys

The Year 7 boys started brilliantly with a morale boosting 5-0 win over Mid North District followed by a tight 1-0 win against Hills. The final game of day 1 was against Whyalla. All the boys defended well and some luck went their way to manage a 2-2 all draw. Day 2 saw the boys win against Northern and North Eastern District. Unfortunately, the last game of the day saw a tired team go down 2-0 to Mid South East. On the final day the Year 7 boys needed to either draw or win against Upper South East to claim second and a silver medal. The boys started well scoring first but then conceded two goals with only minutes remaining. Jasper Dennett then powered a goal from long range that saw the back of the net to claim the draw and win a very serving silver medal.

The boys were well coached by Minlaton District Schools' Rick Cook and showcased grit and determination. They represented Yorke Peninsula with pride and made some lifelong friendships across the carnival.

Above, Ryan Crosby and Jasper Dennett with Coach Rick Cook.

Year 7 Girls

The Year 7 girls began the carnival with nerves and excitement with many new to the game of soccer. The first day saw them compete against experienced opposition sides from the Murraylands, Whyalla and Barossa Valley. While they didn't win, they created some great opportunities and kept trying. On Day 2, the team's goal was to score a goal which they achieved through Minlaton District Schools' Charlotte Burke against The Hills. This gave the girls some confidence and they were able to get their first win against Mid North 1-0 and just miss out on another win against Murray Mallee 2-3. The final day had the girls buzzing and enjoying themselves. It showed as they managed 4 goals against Mid North winning 4-3!

The girls improved their skills throughout the carnival, guided and coached by Kadina Memorial Schools' Deni Atkin.

Above, Charlee Kippax, Pippa Krieg, Ava Papps, Tali Dayman and Coach Deni Atkin.

State Soccer Carnival *continued:*

Year 6 Boys

After seeing the Year 7 boys win a silver medal, the team was excited to have their turn. Team members were selected from numerous Yorke Peninsula schools. The first day saw them play against Riverland and Lower South East who were very experienced. The boys did well and created some great opportunities but unfortunately lost both games. On Day 2 the boys had a big schedule playing four games in windy and hot conditions. The first game against Lower Eyre Peninsula was livestreamed and achieved two goals but eventually lost 2-7. The final three games were against Barossa, Port Pirie and the Mid North. The boys defended well with each game extremely close. Whilst the team did not record wins, some great goals were scored. On the final day we welcomed some cooler weather and the goal was to get a win! The first opportunity came against Murray Mallee. It was a tight game with the hero scoring 2 goals was from St Columbus Memorial School student Rhegan Towers, with the final score 4-0.

The boys had a great carnival even though they had just the one win, they improved immensely across the three days and were coached by parent volunteer Brad Towers. The boys formed new friendships and developed their soccer skills.

Kadina Memorial's Leo Ziersch with Coach Brad Towers.

Year 6 Girls:

The Year 6 girls represented mostly by Northern Yorke Peninsula students welcomed the Southern Yorke Peninsula student as their own. The first day saw the team play against Torrens River and Mid North. The girls lost the first game 0-7 but managed a great win against Mid North 4-1 to finish the day. On Day 2, the girls had to manage three games with high temperatures and 50 kilometre winds! They persevered and continued developing their soccer skills, unfortunately, losing two games and drawing against Port Pirie. The final day in much cooler conditions had the girls up and about and eager to finish the carnival on a high. While they didn't win any games they played well and created some great memories.

The girls had a great time learning how to play soccer. They came up against some extremely tough teams and made huge improvements over the three-day carnival. Kadina Memorial School teacher Deni Atkin coached the girls giving them valuable advice during the three-day event.

Above, back row, Coach Deni Atkin, Eva Schilling, Alexis May. Front, Isabella Atkinson, Shali Pontifex, Natalia Bagnato and Mackenzie Wood.

Soccer reports by Aaron Smith NYP and SYP District Convenor

Photos will be published in the 2021 School Magazine.

SAPSASA Girls Hockey 2021

On Monday 30th August, KMS students, Hollie Knott, Jordy Radford and Tayla Mengersen headed down to Grange Hockey Club for the 2021 SAPSASA Hockey State Carnival. The girls played a total of nine games over the two and half days during the Year 7 Competition. They won 1 game, drew 1 game and lost 7 games.

The girls all developed as hockey players over the carnival and played well as a team, bonding on and off the field. They should all be commended on their persistence, respect and courage as they never gave up and smiled after each game, embracing the true nature of school sport.

Thank you to Coach Tegan Mengersen, Manager Kelly Whittaker, Official Mackenzie McCauley and all the families for supporting our future hockey stars.

Tegan Mengersen, Coach

Above, official Mackenzie McCauley, Hollie Knott, Jordy Radford, Tayla Mengersen, and Coach Tegan Mengersen.

SAPSASA Hockey Boys 2021

Congratulations to the KMS students Novak Duka, Joshua Rundle, Jake Higgins and Rushton Sims who represented YP at the SAPSASA Hockey Carnival in Week 7. The team worked hard over three-day event, showing good skills, determination and persistence. They played all games in the best spirit, displaying excellent sportsmanship which was noticed by umpires, coaches and spectators.

Whilst they did not record a win, the team enjoyed some close matches and demonstrated a high level of skill. Players experienced new positions, in particular goalkeeper which was shared around. The boys drew a tough draw with five games to be played on day 2!

Everyone had a great time, developing hockey skills, resilience, teamwork and friendships. Thank you to all parents for supporting the team making it a wonderful experience. Thank you to Coach Lisa Caffyn, Team Manager Kelly Whittaker and Umpire Hudson Duka.

Lisa Caffyn, Coach

Above, Novak Duka, Joshua Rundle, Jake Higgins and Rushton Sims.

Primary KMSC Football

Thank you to all students and staff who participated in the Primary KMSC football competition at lunch time last week.

Pastoral Care Worker Grant Hay was an excellent umpire, especially when teachers and SSOs got in on the action.

It was a great way to enjoy the afternoon, with friendly competitive spirit and banter!

Decision Making Committee

The Kadina Memorial School Decision Making Committee is a representative committee consisting of staff, students and parents who meet each fortnight. The next DMC is scheduled for term 4, week 2, **Tuesday 19 October, 5pm** in the Hospitality Centre.

All events are subject to COVID-19 SA Health advice.

Proposals submitted:

Proposal: Community Garden official opening

Date: Wednesday 27 October, 10am-10:30am

Proposer: Meagan Daniel/ Paula McKay

Proposal: Honour Roll Service, Memorial Archway

Date: Thursday 11th November

Proposer: Alistair Williams/ Paula McKay

Proposal: End of Year Dance Concert

Date: Week 8, Thursday 2 December, 2021

Proposer: Ben Graefe
