

## ***Celebrating 2021 achievements***

### **Principal's Report: Alistair Williams**

We celebrated academic, sporting and school community achievements during two school assemblies on Friday 3<sup>rd</sup> December. Congratulations to all award winners, with many keenly contested and won with the narrowest of margins, indicative of the high scholarship amongst peers.

We also thank our valued sponsors, who for the second consecutive year, could not join us due to COVID-19 crowd restrictions.

During the R-6 Assembly we acknowledged the outstanding education career of Debbie Terrett who was presented with the Rowan Ramsey MP Award.

Debbie's career in education has spanned over 40 years, with leadership roles at Wallaroo Primary, Wallaroo Mines Primary, Kadina Primary and Kadina Memorial School.

Above, Debbie Terrett and Mr Ramsey, MP.

### **R-6 Dance Concert**

Congratulations to R-6 students on their Dance Concert performance last Thursday. It was great to see family groups enjoying the twilight concert on the primary oval.

Thank you to staff Ben Graefe, Sherelle Rowe-Sims, Kerrin Williams, Sandy Hahn, Andre Starr, Jeff Williams, Robert Baeker, Garry Smith and Dom Richichi for all the work behind the scenes.

It was an authentic celebration of hard work and farewell to year 6 students as they head into Middle School.

A big thank you to families who worked with students and teachers to provide the creative costumes. It was an entertaining evening.

Above, year 6 students perform their final dance, which resulted in the whole R-6 cohort joining in from the sidelines.

## R-6 Corner:

As I write this final R-6 corner I reflect on the past 9 years and the forward-thinking decision this community made to amalgamate two co-located schools to form Kadina Memorial. Throughout this process it was constantly evident how proud and connected the community felt with the school and in particular the memorial focus.

The essence of schooling is 'learning for our future' through broad, balanced and varied learning opportunities within and outside classrooms and through events. Connected with this is belonging: the key to healthy, ongoing relationships. As a school and R-6 sub school our focus on this has enabled the building of a positive and productive learning culture that I have been fortunate to share leading.

I take with me so many rich and wonderful memories including the fabulous families we have built powerful partnerships with to ensure we are all on the same page. My creative, caring and clever colleagues have gone above and beyond repeatedly to ensure our students thrive.

Students have provided me with so much joy watching them grow as learners, people and community members (yes, there's been some 'interesting' moments but even these often end up with positive memories).

Most of all, I feel extremely proud to be part of a school that teaches all students: the willing, the able, the less inclined and sometimes those that are challenging. Society is measured by the way we treat others. The caring and supportive Kadina Memorial School community is indicative of our school values of opportunity, respect and excellence.

For me it's now time to put into practice what I advocate to others: time to make, create, grow, read, tour, walk (and talk) and more.

Thanks to everyone who has contributed to my time at Kadina and the wonderful memories I take with me.

**Debbie Terrett**

Deputy principal

## 'Cream of the Crop'

Miss Harkness' class have been learning about procedural texts in English and what better way to make it 10x messier than to involve Miss Crighton! The year 5's were very excited to learn a little more about the dairy industry, how cows turn their food into milk and the various processes that lead to food like yoghurt, butter, cheese and cream. The students got to bounce around and shake their arms, silly making butter followed by a taste test. After successfully following the procedure, the class fine-tuned their procedure writing skills, so another class can give it a go!

Miss Cassidy's class have started to help the community garden in the never-ending task of weed management. The students learnt about what a weed is, and how it is any plant in a place where it is not wanted. The class discussed why it is important to manage weeds and the various ways that weed seeds can travel and be relocated through humans, animals or even water sources. The students then collected a variety of weeds from the community garden, identified them and graphed the results. The students were interested to see so many pea plants that were weeds because of the pea straw mulch! They all got to work pulling them out so the fruit and vegetables can get all the resources they need to thrive!

## Unit News

Here I am writing my final Unit newsletter article, with my impending retirement looming fast. I have enjoyed being able to share the learning that occurs across both the Junior and Senior classes, through the school's fortnightly newsletter. I would like to take this opportunity to thank everyone for their support of myself, Unit students and staff, and in particular their families.

Congratulations to all of the students who received awards at the assemblies last Friday. Our R-6 School Values award recipients were: Opportunity, Isabell Stokes, Respect, Marcus Tracey and Excellence, Talana Moore. Congratulations also to the 7-12 Unit Achiever award recipient Raffael Cabrera.

This week instead of our usual end of year get-together in the Unit, each class had their own Christmas party to celebrate their achievements in 2021. Food was provided for the students using some of the money from the recycling program, where the Senior class students collected and washed recycling containers from baskets in the Primary area. Thank you to everyone who deposited their containers in the baskets. Money from the recycling will also go towards purchasing resources for the Unit students.

We are also farewell Srihas Chepuri and his family this week, and wish them all the best as they travel to Victoria to begin a new chapter in their lives.

On behalf of staff and students in the Unit I wish everyone a Merry Christmas and a Happy New Year, a safe and relaxing holiday and all the best for 2022.

**Sandy Mumford**  
Unit Coordinator

Above, congratulations Marcus Tracey for being presented the Respect Award.

Congratulations Isabell Stokes who was presented with the Opportunity Award.

Congratulations Talana Moore who was presented with the Excellence Award.

Congratulations to Raffael Cabrera who was presented the Unit Achiever Award. This award is given to a student who consistently demonstrates the school values of Opportunity, Respect and Excellence.

## STEM Scholarship Success

We are excited to announce year 10 student Skyler Smith has been successful in winning a STEM Scholarship.

The selection panel, with representatives from the Department for Education, the South Australian Principal's Association and Aboriginal community, was impressed with Skyler's quality application.

The Scholarship will assist Skyler to complete SACE Stage 2 level STEM subjects and pursue a STEM related career. Thank you to Science teacher Georgia Wells for her guidance during the application process.

Above, the Scholarship rounds off a successful year for Skyler who was also awarded the Australian Defence Force Long Tan Leadership and Teamwork year 10 award at Friday's assembly.

## Governor's Civics and Citizenship Awards

Four Kadina Memorial students were finalists in the Governor's Civics and Citizenship Award.

The judging panel was very impressed with the children's work and they have been awarded a Certificate of Merit. Well done Mali, Mitchell, Lexie and Chelsea for all the effort you put into the activity and for making it such fun for me to be a part of.

## Hot Shots Tennis

On Wednesday 24<sup>th</sup> November four schools across the Northern Yorke Peninsula participated in the ANZ Tennis Hot Shots carnival held here at the Kadina Tennis Club. We were extremely lucky with the wintery weather we had been receiving lately, that we escaped any rain apart from a light shower during our lunch break. Unfortunately, the SYP schools were not as fortunate as they had their carnival washed out the day before. Troy McNeil from Tennis Australia was able to still attend a local school gymnasium and run some tennis skill sessions for the SYP students.

Kadina Memorial School entered five teams of Year 4's and it was great to see all the students pick up a tennis racquet and have a go. Some of the students had never played tennis before and enjoyed the experience of learning a new skill and possibly may take it further in the community.

Across all schools, there were over 230 students competing and everyone displayed excellent sportsmanship with each other. It was wonderful that ANZ and Tennis Australia come to us on the Yorke Peninsula and give our students these valuable experiences. All our students loved the opportunity and are keen to try out their newly acquired skills in their local Tennis Hot Shots programs in our community.

## 8/9 Knock Out Tennis Final

On Wednesday 24<sup>th</sup> November our Kadina Memorial School girls competed in the 8/9 Knockout Tennis Finals in Adelaide. Imogen Trengove, Dayna Green, Georgia McKay, Erin Martin and Olivia Brook represented the school against the final six schools in the state wide competition.

The first match was against Marryatville High School, a specialised tennis school with several of the highest ranked tennis players in the country. Needless to say our girls were up against it in this tie and experienced some great hitting, however going down 6 sets to 0. The second match was more successful as the girls played some great tennis winning 6 sets to 0 against Grant High School from Mount Gambier.

These results meant the girls competed in the last round for a chance at a podium finish against Sacred Heart College. The girls played at a high level with a doubles win by Georgia and Erin to go with a singles win from Olivia. Although a close match, we ended up going down 4 sets to 2 resulting in a 4<sup>th</sup> placed finish in the state.

A great effort from all the girls and a rare appearance to the finals in Adelaide for KMS in Knockout Tennis, which is a great achievement. Special thanks to Paula McKay for her assistance on the day.
