

Congratulations Chandler 2022 Champions

From the Principal: Alistair Williams

Congratulations Chandler House for winning the 2022 Sports Day, being just the second time in Kadina Memorial's history to do so.

Southwood edged closer to the top position, followed by Rose, then Heath.

It capped off a stellar two-day event, with Heath winning the R-6 Sports Day on Thursday.

Sports Day is one of my favourite events on the school calendar as we come together as a whole school, united in our houses, and cheer each other on.

I am always heartened seeing the older and younger students work together, supporting each other, with actions speaking louder than words.

Thank you to Luke Driver, Head of Health and PE, for organising a well-run event under ever changing COVID-19 circumstances. Feedback from school community members has been overwhelmingly positive, reaffirming just how important these types of events are to nurture our school culture.

Commiserations Southwood, Rose and Heath, you certainly gave it your all.

This newsletter features many memorable moments, as well as celebrating student leadership.

Student Leadership

Congratulations to the Primary, Middle and Senior students who were inducted into the Kadina Memorial Student Council and House Captain positions last week.

Again, working in short time frames, Student Wellbeing Leaders ensured our 2022 representatives were acknowledged and introduced to peers during three special assemblies.

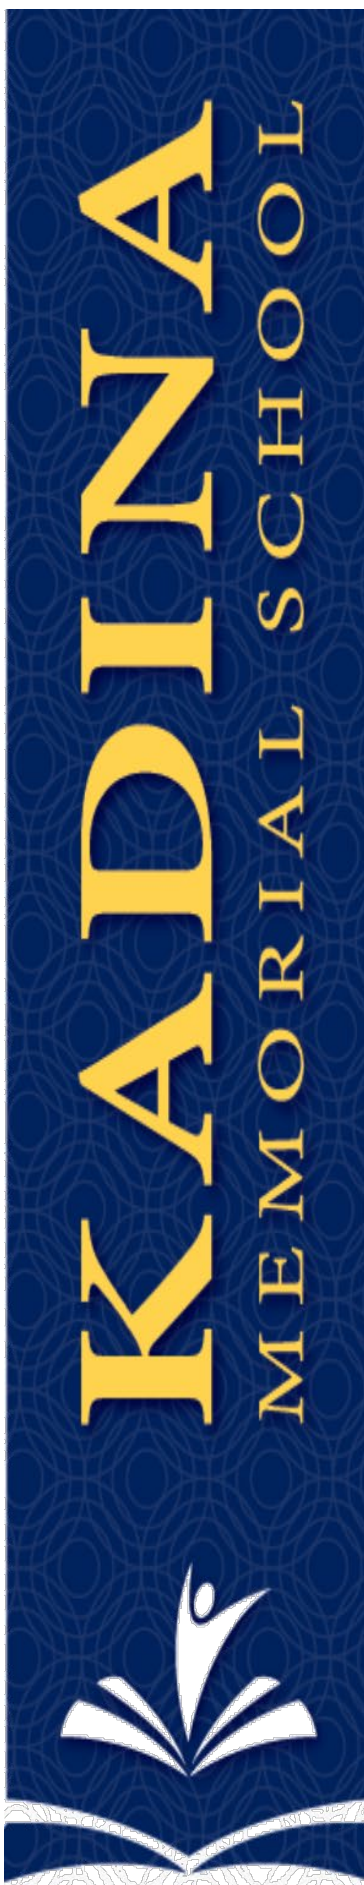

Student leaders have an important role in the ongoing improvement of our school.

Students are represented on various committees, including Governing Council, Grounds, Sport and Recreation, Decision Making Committee and Canteen.

Further, they provide adults with a valuable insight into the hearts and minds of their age group, taking a global citizen approach, such as improving our local community, the environment, awareness days and donating to special causes.

Congratulations to the 2022 KMSC Captains: Harry Pridham (Primary), Mackenzie Neumann (Middle) and Shayla Herbert (Senior).

I look forward to working with all representatives in 2022.

Principal's Report continued:

COVID-19 Update

As a school we continue to receive reports of COVID-19 cases affecting many families.

A sincere thank you to everyone who has reported a child's infection, as it provides us with timely information to notify classroom contacts and staff.

Whilst some restrictions have been eased in the community, we do ask families to remain vigilant with COVID-19 safe practices. This includes social distancing in crowded spaces, 7-12 students wearing a mask in classrooms and sanitising regularly.

Importantly, please keep your child at home if unwell or considered a close contact and is unable to isolate successfully at home. Students will be supported with their learning.

7-12 Term 1 Traffic Light Report

Year 7-12 students will receive a 'Traffic Light Report' indicating their achievement in each subject for term 1 at the beginning of term 2.

Whilst teachers will contact the families of students who are not meeting standards, we strongly encourage parents and caregivers to reach out to teachers to discuss their child's progress so far.

This is an opportune time to touch base and put in place strategies to complete semester 1 successfully.

Student Free Day

Thank you to families for supporting this week's Student Free Day.

This is timely for educators to revisit the school's Site Improvement Plan in literacy and numeracy, recap on specialised programs such as Initialit, analyse and interpret learning data and implementing learning plans for individual students.

It's also an opportune time for teachers to review assessment and moderation across the R-12 curriculum to ensure continuity and agreed standards.

Regards,

Alistair Williams
Principal

Canteen News

Thank you to our many amazing volunteers, students, family members and my great team of workers who helped coordinate Sports Day week.

This year we sold over 400 hot dogs, 100 chicken burgers, 70 tender wraps, 20 pies, 36 sausage rolls, 300 donuts as well as plenty of drinks and ice blocks.

Thank you to the Farm Shed, Des's Meats, Woolworths, Fully Baked Kadina, Centrestate, and Kadina Fruit and Veg Market and Coke for supplying us with everything to make this two-day event possible. It is always a huge achievement for us to run two canteens and supply many families with food and drinks.

Thank you to Luke Driver for his support and letting us use his classroom again this year, providing a great venue to serve customers.

We appreciate your support for our canteen and all feedback is greatly appreciated to improve every year.

LUNCH ORDERS – We have been having a few secondary school lunch orders left at canteen recently, as well as some year 7-12 students who did not pick up their lunch order on Friday's Sports Day. Please note that we do our best to get a message to the student, but unfortunately if they do not collect it, we cannot refund as the lunches are discarded at the end of the day. Please communicate with your children to ensure they are aware they have a lunch order. For a quick and easy way to order your child's lunch please visit Qkr. For more information please visit:

Disability Unit Sports Day

The Junior Disability Unit held their own sports day before visiting the oval to barrack for their houses. Students enjoyed target, running, jumping (including hurdles) events requiring all motor skills. Thank you to families for their support and extra cheers.

The Senior Unit students really enjoyed the excitement and colours of Sports Day. It was impressive to see them all put in 100% effort into all the events. It was evident, due to the practice of events during the week and healthy competition on the day, all students displayed improvement in their skills in all events. Many ribbons were awarded for the following events;

- 80m Sprint
- Bocce
- Water Relay
- Soccer Kick
- Long Jump

Students also displayed a sense of pride in their achievements.

Cheering on their fellow teammates while watching other events, and having other students cheer on our class showed great team spirit by all. Well done everyone!

R-6 Corner

What a busy couple of weeks we have had! Sports Day was a highly anticipated and exciting event on the calendar, and it was wonderful to be able to have parents come along. Thank you so much to those who attended and were mindful of the need to social distance. It was encouraging to have your support across the day, with students happy to share their efforts with you. We are grateful for the staff involved in planning the day, particularly Mr Driver, and would like to give a special mention to the middle and senior school students who did a fabulous job running events on the day.

R-6 staff spent the student-free day this week working in teams on our improvement priorities. The R/1 teachers spent time working on their InitialLit planning, looking at results so far and preparing for the next steps. Years 2-6 teachers worked on Reciprocal Teaching, focusing on the strategies of predicting, clarifying, questioning and summarising. Teachers shared snapshot lessons that have been used successfully in their classrooms and collaborated in year level teams to begin planning for next term.

At this point in the term we would usually be sending out invitations for parent-teacher interviews. This won't be happening in the same format this term, however parents are encouraged to make contact with their child's teacher if they have questions or concerns about their child's learning at any stage throughout the year.

Warm Regards

SCHOLASTIC BOOK CLUB

Orders for the next Scholastic Book Club, a valued school fundraiser, are now being taken.

Brochures were sent home to primary students, available in the Middle School common area for year 7 to 9 students and from the Library for senior students.

The Book Club **LOOP** platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books delivered to class. You can place your child's order at scholastic.com.au/loop or by using the **LOOP** app, which can be downloaded from the App Store or Google Play.

If you wish to make a purchase, please order online or return an order form and payment to the school finance window by **Wednesday 30th March 2022**. Unfortunately, orders handed in after the due date cannot be accepted. Each order helps earn free books and teaching materials for our school, however there is no obligation to purchase.
