

Kadina Memorial Community

Principal's Report: Alistair Williams

Mental health and the environment were two important issues raised by student voice over the past fortnight.

A school's sense of community is nurtured when students become involved and support worthy causes.

Many R-12 students took the opportunity to wear a splash of green or pajamas, raising \$946 for the Kids Helpline on Friday, week 6. Students watched age-appropriate video clips which explained mental health and encouraged children and young people to share and talk about their feelings with someone they could trust.

Last Friday Middle School KMSC participated in 'Step Up to Clean Up', collecting waste from across the school.

The challenge now is to be mindful of our individual and collective impact on the environment by reducing landfill.

I congratulate the Middle and Senior KMSC for the term 2 initiatives.

Assessment and Reporting

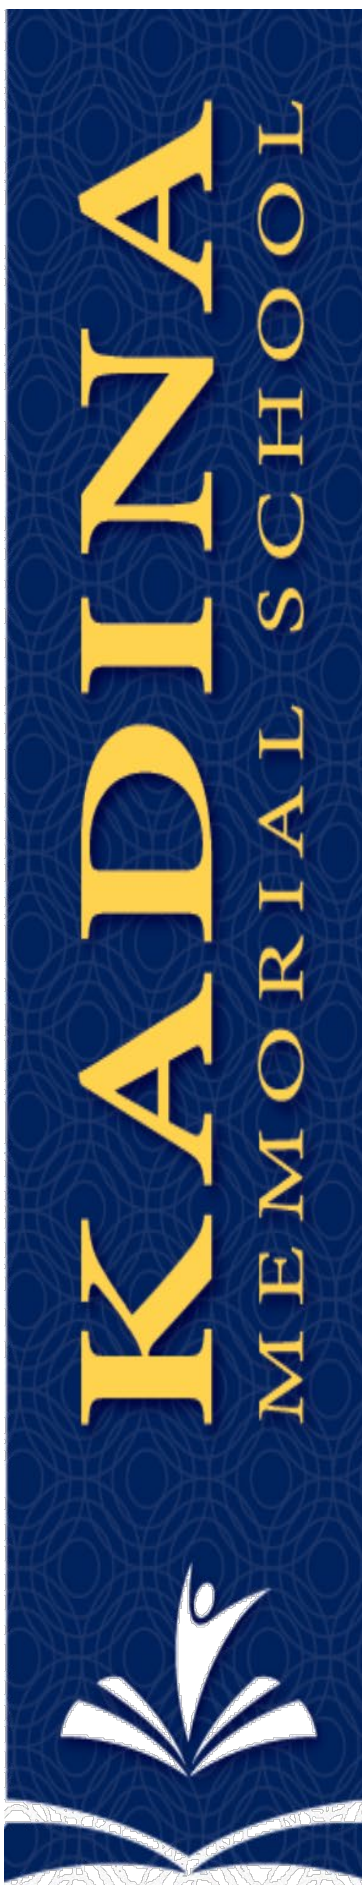

R-12 students will receive a Semester 1 School Report in week 10, Thursday 7th July. Please take the time to discuss the report with your child.

If you have a concern about your child's report, please contact their teacher direct. Student learning is rapidly progressed when supported by a strong network at school and home.

Term 2 Early Dismissal

Week 10, Friday 8th July, 2:10pm.
Buses depart at 2:20pm

Preparing for worksite

Students in Building and Construction, plus a few additional students, were given training in 'Preparing to Work Safely in the Construction Industry' recently.

The training will enable them access to work sites if needed in future trade careers and/or work experience whilst at school.

Shaun from North East Vocational College was the trainer and the cost was subsidised through Construction Industry Training Board.

Andrew McDonald, Teacher

Adelaide Guitar Festival visit

Instrumental Music students enjoyed a performance by visiting artists as a prelude to the Adelaide Guitar Festival later this year.

Artists Nathan May and Laura Hill played and sang original songs, with students invited to ask questions.

The 2022 ADF Long Tan Youth Leadership & Teamwork Awards

The ADF Long Tan Youth Leadership and Teamwork Awards started in 2006 to recognise students who demonstrate leadership and teamwork within both the school and the broader local community. At the same time, the awards recognise those who display strong values, such as doing one's best, respect for others and "mateship", characteristics that are integral to Australian society.

The awards are an important initiative by the Australian Government in conjunction with the Australian Defence Force designed to encourage senior students – tomorrow's leaders – to actively participate in the life of their schools and local communities. Two awards are offered each year (Year 10 and Year 12). Following a nomination process, the winning students are selected by Kadina Memorial School leadership group based on the criteria set out by the ADF Long Tan Awards. This leadership group is headed by Year 10 and 12 Year Level Managers and advised by the Senior School Wellbeing Leader, Caregroup teachers and the Senior School Assistant Principal. Recipients of a Long Tan Youth Leadership & Teamwork Award will receive a certificate and a financial reward - \$250 for a Year 10 student and \$550 awarded to a Year 12 student.

The 2022 ADF Future Innovators Awards

The ADF Future Innovators Awards started in 2020 to recognise recipients' science and mathematics abilities while highlighting the value the Navy, Army and Air Force place on STEM skills and STEM career opportunities within Defence.

The awards are an important initiative by the Australian Government in conjunction with the Australian Defence Force designed to encourage senior students to actively participate in innovation and STEM fields. Two awards are offered each year (Year 10 and Year 12). Following a nomination process, the winning students are selected by Kadina Memorial School leadership group based on the criteria set out by the ADF Future Innovators Awards. This leadership group is headed by Year 10 and 12 Year Level Managers and advised by the Senior School Wellbeing Leader, Caregroup teachers and the Senior School Assistant Principal. Recipients of a ADF Future Innovators Award will receive a certificate and a financial reward - \$250 for a Year 10 student and \$550 awarded to a Year 12 student.

KMS has been a proud supporter of these awards since their inception and are calling for nominations from Year 10 and Year 12 students. Nomination forms have been emailed to students, and hardcopies are available from Mr Hadges / Miss Wells (Year 10), Miss Tucker (Year 12) or the front office. The final date for nomination submissions is 3pm, Friday 29th July, 2022. The recipients will receive their award in the Prize Giving Assembly in Term 4.

Information Technology 2023

Students in year 7 and 8 2023

- Students will not use personal ICT devices at school, therefore families / caregivers of students in Year 7 & 8 2023 will not be required to purchase an iPad for educational purposes.
- Sets of iPads will be purchased by the school for the students to use as required and will remain at school.

STUDENTS IN YEAR 9 – 12 2023

Year 9-12 students are required to have an Apple Macbook, or Microsoft Windows Device (please read minimal requirements on the schools website).

Families are able to purchase a Microsoft Windows / Apple Device from a supplier of their choice, however, please ensure the device meets minimal hardware requirements set by the school.

Alternatively, you may wish to purchase a school “ready to go” device that meets the minimal hardware requirements from two resellers, CompNow and HP, through a portal on the school website.

When purchasing the devices through the portal there is an option to apply for finance. The finance companies are independent and are not related to the school. Families are encouraged to read conditions carefully before signing.

With world-wide shortages of IT equipment continuing to significantly impact delivery times, it is recommended to consider purchasing or ordering your child’s device for the 2023 school year as soon as possible to ensure delivery for the start of the new school year 2023.

If you need any further support with IT or finance please contact the school.

Frequently asked questions?

Does your school support Android Devices?

No, our site does not support Android due to network restrictions.

Does your School Support Chromebooks instead of Laptops or MacBook’s?

No, our site does not support Chromebooks due to issues with logging into secure networks, Software not supported.

How do I get access to the Daymap as a parent?

We have instructions available on our website at <https://www.kms.sa.edu.au/daymap/>

Do I need to buy software for my child's device?

No, we supply access to range software available while your student is studying at Kadina Memorial School.

Should I buy extended warranty or accidental damage protection for my child's device or devices?

This is a personal preference, however, would recommend Apple care+ for apple devices, as it extends the warranty and covers 2 accidental breakages. This also applies for windows devices; you can ask for prices for extended warranty and cover for accidental breakage.

Can I buy second-hand devices for my child?

Yes, if it meets the minimal requirements we have set, however be in mind that second-hand devices have no warranty.

The Natural World of Science

Discovering and exploring the natural world occurs from birth. You might remember your baby, toddler and preschoolers always wanting to grab, hold, feel, smell, listen to and taste something in their sights! As they grow and develop, children begin to recognise that some objects are not for eating as well as observing other natural occurrences, such as wind, rain, and hot days. Scientific knowledge rapidly progresses when children inquire about their natural world. As educators we encourage students to explore and extend their questioning, as today's learners are the future innovators to improve the environment for people, as well as the animal and plant world.

Below are two examples of learning science at Reception and year 11 Stage 1 Biology.

Reception students in Mrs Kelly-Brook's class

We are learning about weather. In Science we made windsocks. We learnt that the windsock could tell us which direction the wind is coming from and if it is still, a gentle breeze or if it is windy. We found out it was very windy on the day we tested our windsocks outside!

Lisa Kelly-Brook
Reception Teacher

Stage 1 Biology – Warburto Point Excursion

On Tuesday 7th June, the Stage 1 Biology class, along with Miss Evans and Ms Pointon, travelled to Warburto Point to study the biodiversity of the mangrove and dune communities. Conditions were typical of June; wet, muddy and with showers at times, but students showed determination to keep going with their population sampling. Students counted plants using quadrats and transect lines to see the distribution of species in particular zones within the communities.

They enjoyed navigating the muddy conditions of the mangroves, and some were challenged with keeping their balance. Another challenge was had in the dunes community, of walking through dense shrubbery whilst being precise with the species that they identified. Thanks to Mark for driving during tricky conditions and to Ms Pointon for your passion and enthusiasm on the day.

Stacey Evans
Teacher

Library News

This term has started with a big change in Library staffing.

Carolyn Bartlett, as mentioned in the last newsletter, has retired, followed by Alison Sanders who accepted a position with Moonta Community Library.

We are fortunate to welcome:

Ms Lauren Maxwell Monday, Tuesday and Thursdays

Mrs Trish Scoot Monday and Friday

Mrs Felicity Schulz Wednesdays

Mrs Carmel Mc Mahon and I, Ms Kerry Rover, remain the same.

This term we have participated in National Reconciliation Week with a story and activities for R-6 students. We also talked about Genres using mystery books by wrapping them in paper for students to borrow. A session was held on 'etiquette' discussing how this has changed over the years. We even had a fine dining table setting with cutlery and dinner plates which generated lots of discussion about all the different sizes of spoons and forks!

Book Week and the annual Book Fair will be held in term 3, week 5.

The Book Fair will be hosted in the library where students are invited to purchase books from **Monday 22nd August – Thursday 25th August** (before school and after school, until 4pm). Please note, there is NO obligation to buy.

During library sessions students will be introduced to the finalists of the prestigious 'The Children's Book Council of Australia's' (CBCA) award. It will be interesting to see if students also select the CBCA 2022 winning title.

Above, Kerry Rover, Felicity Schulz and Carmel McMahon. Above, Lauren Maxwell, School-based apprentice Jordi Thomson and Trish Scoot.

Lunchtime activities

Pictured left, the theme for the 2022 Book Week is "Dreaming with eyes open..."

Right, discussing how to show good "etiquette".

7/8 KO Football

The arrival of Winter meant the start of the Knockout Football season for our Year 7/8 cohort. Arctic conditions greeted the team as they travelled to the Maitland Town Oval for Round 1 of the 2022 Statewide Knockout competition - the first in the new generation of Knockout Divisions. Sadly, the poor weather reflected the outcome for the Kadina Memorial team with one win and one loss for the day not enough to see them progress to the next round.

The first game saw Kadina play Maitland Lutheran School in a heavily one-sided affair. Kadina gained early ascendancy and were never headed in an outstanding team display with every player contributing throughout the match. Riley Miller and Will Trengove controlled the centre of the ground, whilst Harry Rennie and Lachlan Bodie dominated inside forward 50. 'Buddy' Bodie ended the match with seven goals whilst Frank Goryan also hit the scoreboard with two majors. Kadina eventually ran out comfortable winners by 92 points.

Having watched the YP Combined Schools team defeat Maitland Lutheran School in the second game of the day, the Kadina players knew that the final game was their opportunity to progress to the next round.

Kicking into a five-goal breeze, Kadina struggled to get the ball past the halfway point of the field for much of the first half. The staunch defence of Riley Miller, Will Trengove and Tex Neumann limited the damage, but a lack of forward forays saw a 28-point deficit at the halftime break. The second half saw Kadina gain ascendancy and through Bodie and Miller, kick the opening two goals. The intensity of the contest lifted as both teams could see their opportunity to win getting closer. Kadina continued the forward forays but couldn't manage to capitalise with goals; the comeback becoming more unlikely with each passing second. With five minutes remaining, the game was still in the balance. However, a brilliant piece of individual play from YP resulted in a goal, the first score into the breeze, which finally sunk Kadina's proverbial ship. YP were eventually crowned winners by 10 points.

Although the team was eliminated from the competition, the boys could hold their head high that they represented the school in a positive light and never gave up. Thank you go to bus driver Bill Saunders, trainer Di Boothey and runner Max Loveridge who helped support our school on the day.

Shane Moss, Coach

Kadina Memorial School 14, 8, 92 points

Maitland Lutheran School 0,0,0

Best players: Riley Miller, Lachlan Bodie, Will Trengove, Harry Rennie, Archie Faulkner.

Goals: Lachlan Bodie 7, Frank Goryan 2, Will Rogers 1, Harry Rennie 1, Cohen Mummery 1, Oscar Cock 1, Tex Neumann 1.

Kadina Memorial School 4, 0, 24 points

YP Combined 5, 4, 34 points

Best players: Riley Miller, Will Trengove, Mitch Miller, Nate Mercer, Angus Petherick.

Goals: Lachlan Bodie 2, Will Trengove 1, Riley Miller 1.

Inclusive Sports Day Thursday 9th June 2022

Classes who participated Hub, Unit (Jr& Snr), Kapyong, Primary Small Class

We had four different sports to try, NRL, Pickleball, Futsal and Cricket with coaches to help with our skills.

We were put into coloured teams and got a short time to experience these sports with coaches who helped us.

Riley and Hayley liked the Rugby because they got to run with the ball, take others tags to tackle and tap the ball on the ground.

Bethany recalled soccer (futsal) was her favourite when she got to kick the ball and score goals. Olivia liked soccer too and thought it was funny when she fell into the net.

Tyson enjoyed cricket and hitting the ball far! Callum was enjoying cricket too, remembering he had to run because it was raining!

TJ thought Pickleball was fun, he liked hitting the ball over the net.

Joel showed persistence to hit the ball with his bat and his celebration was fantastic to hear!

Cameron loved Pickleball and he thought he had the best instructor ever! Cameron is keen to do some sports when they come back in the holidays.

Knock Out Netball Carnival

On Thursday Week 5, the Copper Coast Sport and Leisure Centre hosted the State-wide Netball Carnival between Yorke Peninsula schools.

Kadina Memorial entered three teams in the Year 7/8, 9/10 and Open Girls.

The three teams all made it through to the minor rounds undefeated.

In the final, the Year 7/8 team lost by 3 goals to Maitland Lutheran, while the 9/10 team won against the combined Yorke Peninsula side, 39-4. In the Open competition Kadina Memorial also defeated Yorke Peninsula 27-8.

The winning teams will progress to the next round.

Thank you to the umpires and scorers who helped on the day.

Decision Making Committee

The Kadina Memorial School Decision Making Committee is a representative committee consisting of staff, students and parents who meet each fortnight. The next DMC is term 2 week 9, **Tuesday 28th June 5pm**, Hospitality Centre.

Proposal: Violet Day Donut Sales

Date: Term 3, week 1, Friday 29th July

Proposer: Zelly Ritter on behalf of the Paige Weatherspoon Foundation

ICAS English and Maths Competition

Year 2 -12 Kadina Memorial School students will have an opportunity to participate in the International Competition and Assessments for Schools (ICAS) for English and Mathematics in Term 3.

We welcome student participation in the event as it provides a 'test' environment experience in a nation-wide competition. Schools and students receive comprehensive hard copy and online reports on their performance. Students also receive a certificate to recognise their achievement.

There is an entry fee of \$7.00 (GST free) for each competition. Please ask your classroom teacher, Mathematics or English teacher for a permission form. Payment and form need to be returned to the finance office by Thursday 30th of June 2022 (term 2, week 9). Payment can also be made via the school Qkr App.

If you would like more information please talk to your classroom teacher, Mathematics Teacher or English Teacher.

MASA Quiz Night

MASA Quiz Night is happening again this year, Wednesday 10th August 2022 (Term 3 Week 3) 7:00pm-9:30pm at Harvest Christian College for students in years 7-12.

Get a team of 4 together to compete against other schools in the area. The cost for each team to compete is \$20 including GST, therefore \$5 per student including GST. Have a chat to your Maths teacher or Mrs Hillebrand for the permission note and more information.

Moonta childcare survey

Copper Coast Council is currently undertaking a Public Consultation survey to ascertain whether an early learning childcare facility is required in the Moonta/Moonta Bay area.

The survey link is available from

<https://www.surveymonkey.com/r/MoontaChildCare>

More information is available on Council's website under the banners Noticeboard/Public Notices and Council/Public Consultation

<https://www.coppercoast.sa.gov.au/noticeboard/latest-news/moonta-early-learning-child-care-centre-survey>

Splash of Green/ PJ Day

EFTPOS AT THE CANTEEN

Kadina Memorial School Canteen is now accepting EFTPOS payments for snacks during recess and lunch.

Due to Kadina Memorial School's "no mobile phone/ device policy," students will not be allowed to make purchases using their mobile/devices. Purchases can be made with a **DEBIT/CREDIT** card, Qkr or cash.

Qkr is still the preferred payment method for lunch orders.

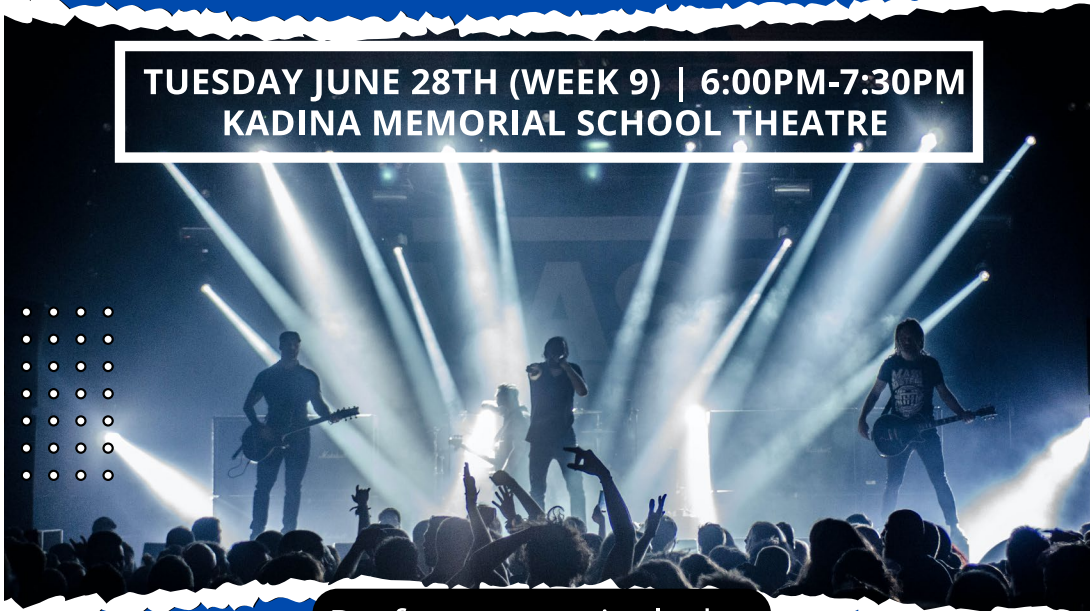

The minimum transaction amount is \$5.00. There will be no facility for "Cash Out".
