National Science Week

Principal's Report: Alistair Williams

National Science Week has been celebrated at Kadina Memorial School this week, with students analysing a "crime" scene and participating in some very cool experiments. Students described the additional science practicals as exciting, amazing, and magic, with others observing in silence and visibly in awe. There were many collective gasps!

It's the follow-up discussions which I enjoy the most as students further inquire into the experiment outcome, relying on pre-existing knowledge but also extending their understandings.

The world of science is not just limited to a laboratory, with studies suggesting many future jobs will have a Science, Technology, Engineering and Mathematics background. Thank you to teacher Georgia Wells and the Science Faculty for organising an innovative and well-run event.

Students thoroughly enjoyed themselves. Be sure to ask your child about it.

COVID-19 UPDATE

As the reported statewide infection rate starts to lower, we too are hopeful this will be experienced at our school.

We still have students and staff suffering from COVID-19 and flu-like symptoms.

Mask wearing is strongly recommended for students from year 3 to year 12.

Thank you for keeping children home when not well.

2022 Parent Survey

You're invited to complete the 2022 annual parent survey, which is now open.

On Monday 1st August you received an email or SMS from the Parent Survey Team with a unique link to participate in the survey.

If you did not receive an email or SMS with your unique survey link, contact:

education.ParentSurvey@sa.gov.au

Please include our school's name in your email.

The survey takes less than 10 minutes and will help us understand:

- what we're doing well
- where we can improve
- what's important to you.

It has been coordinated centrally so that added administration workload isn't placed on the school.

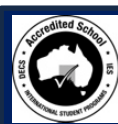

Your answers will not identify you or your child. Only collated feedback will be provided to our school.

Information collected will inform school improvement planning and activities at the school.

The survey closes 5pm Sunday 28 August.

For more information visit the Department for Education website.

Front: In Science Week year 6 students explored many elements on the Periodic Table, including the role of oxygen in fires relating it back to real-life occurrences and bushfire safety.

2023 Class Placement information

Executive Leadership has begun staffing and year level class planning for next year. In a big school this can be challenging, with enrolment numbers fluctuating. We ask parents to inform us if their child/ren will not be attending Kadina Memorial School next year. Likewise, if you know of a family moving to the area who have children intending to enrol at our school, we would like to know to assist us with planning. Staffing numbers are based on estimated enrolments at the start of the year.

Future school tours

We had several prospective families attend a recent R-6 and Secondary School Tour, resulting in new 2023 enrolments. As a leader it is incredibly heartening to receive positive feedback about our school's learning programs, extracurricular activities offered to students, and our facilities.

We anticipate holding a school tour after school hours each term to allow prospective families an opportunity to see firsthand our beautiful grounds, state-of-the-art learning spaces, and meet with leaders.

Year 7 2023 tour

In term 4 we also welcome families to a school tour whose children will start year 7 in Middle School in 2023.

A Middle School Tour is scheduled for 6pm followed by a Parent Information Night at 6:30pm on **Tuesday 25th October**. More information will be provided to families closer to the time.

School Traffic Reminder

A reminder to all motorists of the '3-minute drop off zone' at the front of the school on Doswell Terrace, from 8:15am-9am and 3pm-4pm.

To avoid this busy traffic and pedestrian area, please park at the Copper Coast Sport and Leisure Centre carpark and walk younger children to school along the footpath. Older students are capable of walking independently to and from school.

Doswell Terrace and the surrounding school precinct is patrolled regularly.

Balaklava Eisteddfod

Kadina Memorial bands performed at the Balaklava Eisteddfod earlier this month after a two-year absence due to COVID-19 restrictions.

This year we were fortunate to enter two bands competing in the intermediate rock band and senior instrument ensemble divisions.

We arrived at the first venue early as we were one of the first bands to perform. Watching other schools arrive brought in the nerves. As I was part of the senior instrument ensemble, I was able to watch two other schools and our school perform. Our intermediate rock band walked onto the stage and quickly set up their instruments to perform. It was one of the best performances they have done and the best band we had seen perform so far, we were all very impressed.

The senior instrument ensemble performed at another Balaklava venue. We played two pieces and enjoyed the opportunity to showcase our skills.

The rock band placed 4th

Unit News

Ms Bell's Primary Small Class mentored Unit students when making paper puppets during a visit recently. This was a good activity that allowed 22TB students to demonstrate their learning and develop the skills required to help others, such as communication, cooperation, and collaboration.

It was also a great opportunity for all students to foster social development and make connections with other students. It was a hive of activity, and at time overwhelming for some, but by the end of the session students were proud of their creative puppets and enjoyed the experience.

Jamestown Junior Education Day

On Monday 1st August, a group of year 10 and 11 Agriculture Science students took a bus to Jamestown Showgrounds to hone their skills.

The day involved a variety of workshops including preparation for show, careers, judging and parading skills for both Beef Cattle and Merinos.

It was a very informative day that the students enjoyed and gained great knowledge from industry professionals. A fantastic opportunity prior to the upcoming Copper Coast Show and Royal Adelaide Show.

Upcoming events:

Copper Coast Show Competition, week 5, starting **Friday 19th August**

Royal Adelaide Show, week 7, **Monday 5th September – Friday 9th September**

Participating Middle and Senior students please return all excursion consent forms to the Finance Office as soon as possible.

MASA Quiz Night

On Wednesday 10th August, 56 students from Kadina Memorial School and Harvest Christian School participated in the MASA Student Quiz night. Students competed in a team of 4 and answered questions on General Knowledge and Mathematics.

Kadina Memorial School had some winning teams. The winner for Best Overall Years 7/8 Team was Angus Petherick, Sid Allen, Isabella Atkinson and Charlotte Stevens. The Best Year 7/8 General Knowledge team was Maddi Sze, Ava Papps and Stella Russack. The Best Year 9/10 Mathematics team was Chanelle Bowman, Shayla Boyce, Lily Millard and Tyler March. The Best Overall Year 11/12 Team was Vaughan Stonestreet, Aaron King and Tom Loveridge. The Best Year 11/12 General Knowledge team was Charlee Hunter, Matilda Cox and Amber Waters. Thank you to Ms Wells, Ms Pointon and Mrs Hillebrand who helped out on the night and to the students for participating in this event.

Triumphs of Kapyong

In HASS we have been looking at ancient Egypt. Students discovered many interesting facts about this time in history. They enjoyed creating a mask showing a headdress.

Creating crystals using evaporation saw some interesting clusters of coloured salt crystals left on the string in Science. Students in Kapyong demonstrated separation through evaporation to make their crystals.

Simpson Prize

On 3rd July, I flew to Canberra for a 3-day trip with the other winners and runners-up of the Simpson Prize competition. We had packed days full of many unforgettable experiences, including the Last Post Ceremony at the Australian War Memorial, touring the Treloar Centre, and a ceremony at Parliament House with the Federal Education Minister. We attended the Last Post Ceremony on the second day of the trip, and I had the privilege of getting to lay a wreath on behalf of the Simpson Prize with Navisha, another participant of the prize. We toured the Treloar Centre on the same day. This centre is a storage facility of the Australian War Memorial and is home to many extraordinary artifacts that the general public don't typically see. Below are some pictures of things we were shown, with descriptions of what they are. On the final day of the trip, we attended Parliament house for the prize ceremony. We were presented with our certificates and medals and were provided with a lunch before heading to the airport to depart. This experience was incredible, but the highlight was the like-minded people I met during the trip who will be life-long friends of mine.

Report by Charlee Hunter, SA Simpson Prize Runner Up

Above, "G for George" was an Avro Lancaster B1 that carried out 90 operational missions during WWII over occupied Germany. Pictured right, at the back is bedding found in a Western Front trench. This still has mud on the wood from the trenches and has remained in almost the exact same condition as when it first was moved from the front after the First World War. At the front of this is the meshing that was used to support and hold up the trenches. This has also been kept in almost identical condition as to when it was removed from the trenches.

NYP Lightning Carnival

On Friday 5th August Kadina Memorial School participated in the NYP SAPSASA District Basketball Carnival held at the Copper Coast Sport and Leisure Centre, Kadina. We entered 6 teams with 43 students participating. We had mixed results but ultimately one of our boys' and girls' teams won enough games to advance to the Regional Finals in week 5. Congratulations to all involved and thank you to all our volunteer coaches, umpires, and scorers on the day.

BOOK WEEK BOOK FAIR

Monday 22nd August – Thursday 25th August

The Book Fair will be held from Monday to Thursday, with students able to purchase books and novelties from the school library before and after school. In the lead-up students will make a wish list to take home. We encourage the students to only write 1 or 2 items on this list, with no obligation for families to buy. It is just a Wish List.

Purchases can be made with cash, on-line or card before or after school. Parents are invited to accompany their children with COVID-19 safe practices in place. Please do not attend if unwell. Funds raised from the Book Fair will give our Library credits to purchase new resources.

Girl Guides, Kadina: All girls aged 8 to 14years old. Come and join us! Girls have the opportunity to make new friends as they participate in their own chosen experiences, share interests and ideas, develop self-confidence, teamwork, leadership, and decision making as together they decide, plan, experience and evaluate their various program activities.

As described by one of our current Girl Guides:

"We have a welcoming environment that encourages independence and self-esteem. We enjoy working together to do badges and fun activities that are different and challenging such as building fires, campfire cooking and singing, going on nature walks and adventures outdoors, meeting other Guides when we go out and about or join in service projects within the community."

Come along and meet us Mondays during the school term from 5 -6.30pm in our newly revamped Guide Hall, Lane 6 Kadina, adjacent to the McDonalds drive through.
