## 2022 Book Week

**'Dreaming with eyes open...'**

### Principal's Report: Alistair Williams Wow!

The 2022 R-6 Book Week Parade was a huge success and I thank students and families for supporting this fun event.

It capped off guest readings in the library and nurturing a love of reading during the week. Literacy is the main focus area in our Site Improvement Plan, ensuring all students reach their potential and become life-long readers. In the early stages, we begin with learning to read and develop to reading to learn.

In the Early Years, students learn the fundamental literacy skills through InitialLit, progress to Reciprocal Teaching in primary, to more analytical literacy skillsets in Secondary school.

Dressing up is fun but it also encourages students to use their imagination, creativity and interpret various texts.

The best part of 2022 Book Week is a sense of school community!

### Reminders

- **HATS:** All R-12 students are to wear a navy bucket-style hat when outside from this week (week 6, term 3) as per the school's Sunsmart Guidelines
- **School Closure Day:** Week 7, Friday 9<sup>th</sup> September
- **Student Free Day:** Week 8, Monday 12<sup>th</sup> September.

Principal's Report continued:

## 2023 Class Placement information

Executive Leadership has begun staffing and year level class planning for next year. In a big school this can be challenging, with enrolment numbers fluctuating. We ask parents to inform us if their child/ren will not be attending Kadina Memorial School next year. Likewise, if you know of a family moving to the area who have children intending to enrol at our school, we would like to know to assist us with planning. Staffing numbers are based on estimated enrolments at the start of the year.

## R-12 Hats!

All R-12 students are required to wear a navy bucket-style hat while outside from this week, as per the school's Sunsmart Guidelines.

Hats are available for purchase for \$11 each from the Finance Office. Don't forget to clearly label your child's name on their hat as the lost property bin often gets overloaded!

## Community Garden State Award

Congratulations to the Community Garden team who was presented with a 2020-21 Wellbeing SA Healthy Challenge Grant Award on Monday morning. A great effort by all involved.

Above, KMS SSO Meagan Daniel, KMS teacher Mary-Jayne Hickman, Copper Coast Council CEO Russell Peate, Mayor Roslyn Talbot, SOS Copper Coast Suicide Prevention Network Peter Sims, Chief Executive of Wellbeing SA Lyn Dean, Year 12 student Cheylen Wanganeen holding the award, Middle School KMSC Captain Mackenzie Neumann, Primary KMSC Captain Harry Pridham and Wellbeing SA's Health Promotion Branch Director Ms Laurianne Reinsborough. ## Premier's ANZAC Spirit School Prize

Congratulations to year 10 student Olivia Brook who has been selected as an awardee for the 2022 Premier's ANZAC Spirit School Prize.

Olivia's submission was considered by a judging panel consisting of representatives from the Returned Services League (RSL) of SA, the Virtual War Memorial Australia and the History Teachers' Association of South Australia. Following the initial judging round, Olivia attended an interview in Adelaide with representatives of the Premier's Anzac Spirit School Prize.

Olivia will be presented with a certificate and medal in November, and has been invited to attend a 12-day study seminar in the Northern Territory in 2023 (or potentially to Vietnam, depending on COVID restrictions). Her submission will also be published on the Virtual War Memorial Australia website.

Olivia's submission told the story of her great, great uncle, Colwyn Kelly and his RAAF involvement in the Second World War. Olivia completed independent research, contacting organisations in the UK to develop an engaging and considered reflection on Colwyn's

role in the Australian Armed Forces during the Battle of the Atlantic.

## Australian Hockey Selection

Year 12 Oliver Garfield continues to impress on the hockey field at a national level, recently selected to represent Australia in the Under 21 team to tour Indonesia in January.

Oliver's success was announced during a special ceremony following his selection in SA's Hockey Country Men's team playing in Albany, Western Australia earlier this term. This is an outstanding achievement, and we wish Oliver all the best.

## 2022 SANFL U17 Futures Squad

Congratulations to Jedd Thomson (year 12), Tom Luck and Kade Herbert (both year 11), who were announced as members of the 2022 SANFL Under 17 Futures Squad. The trio play for Woodville-West Torrens and their selection is the first step towards next year's SA Under 18 Talent Hub.

The U17 Future Squad will play a showcase game prior to the SANFL grand final at Adelaide Oval in September.

## YP Junior Golf Open Champion

Sam Wapper, year 12, won the YP Junior Golf Open on the Maitland Golf Club course in mid-August.

Sam won the Open with 79 off the stick (os), followed closely by Zac Jarrett and Noah McDonnell with 81 os. Congratulations Sam on a successful campaign.

## Book Week – Unit News

Book week was a heap of fun for us here in the Unit. It is always exciting to come to school dressed up as someone else. Our cast of characters included Where's Wally, Beetlejuice, Koala Lou, The Cat in the Hat, Spiderman, Goldilocks and even one of the Three Bears. We went to the parade in the morning and were impressed by the effort everyone put into their costumes, but we were a bit too overwhelmed and shy to join the parade ourselves, but we still want to share with you all how fantastic we looked.

## Triumphs of Kapyong

Kapyong students made animal quizzes using power points linking sounds with slides. They shared them with other students in the school and gave them clues on their chosen animal so that the reader could guess the animal.

Students from Kapyong go shopping each week to buy products to be used for Home Ec. They need to organise money with the finance office, locate items in the store and purchase them. They have shopping lists and need to complete various roles in the community shopping.

## The Arts at Copper Coast Show

The Copper Coast Show provided a great opportunity for The Arts to be showcased on Sunday 21<sup>st</sup> August. Performances from Year 4 Recorder Ensemble, as well as the the Festival Choir led by Mr Graefe. The Choir is a culmination of KMS, Moonta Area School and Wallaroo Primary School students. The Beginner Ensemble led by Mrs Williams performed at their first community event to a very large crowd. Mr Hahn's senior students played music from the 'Back to the 80s' Musical, and several other pieces including a drum and bass duo featuring Tom Staunton and Blake Sobey. Overall, the day was a great success for all performers. The students had a lot of fun and enjoyed performing to friends, family, and the community. Special thanks to Sandy Hahn, Kerrin Williams and Ben Graefe who organised all performances.

## Instrumental Music 2023

Instrumental Music lessons are provided free of charge to students who will be in Years 5-10 in 2023. Instrument choices include **clarinet, flute, saxophone, trumpet, trombone, guitar and percussion.**

If your child is interested in learning an instrument, look for the expression of interest form coming home soon. Enrolments will occur in term 4 based on expressions of interest received.

Students should preference their top three choices; limited spots are available for each instrument and offers are made based on instrument availability and balance within the school's music programs.

Register at <https://forms.office.com/r/sQ5LUWZxut> or return the form to the front office.

## Canteen News: Volunteers Required

We are a really busy Canteen looking for extra hands to help us. Do you have 1 day a week, 1 day a fortnight or even 1 day a month to help us? You get a free lunch and meet some lovely volunteers who I am proud to call friends. It is more than just a workplace and it is a rewarding experience to be part of a successful canteen.

We ♥ our Volunteers

At Kadina Memorial School we have a wonderful canteen that offers a huge range of food at a very reasonable price. Any compliments and complaints are treated respectfully, and we always like to hear from families who use our service. We always strive to improve what we do. **Qkr-** Please ensure you view your receipt at the end of your order. This confirms your order has gone through. We seem to have a few children minus their lunch orders of late. Your cooperation with checking your E-receipt is important and saves us time when we are busy. Also, please make sure you communicate to your children about their lunch order. We quite often have secondary school students not picking them up. We keep them in the fridge for 24 hours and then it is disposed. Unfortunately, we are unable to deliver them.

**Vicki Hartleib, Canteen Manager**

## Balaklava honourable mention

Jaeger Dennett and Monica Metcalf from KMS competed with their string group *Stringtastic* at the recent Balaklava Eisteddfod. Jaeger Dennett with Jed Charles in a Violin/ Cello duo received an honourable mention for their performance of 'The Sound of Silence' and own arrangement of 'French Folk Song'. Monica Metcalf played cello and was joined by Harvest Christian College students Emily Carson on cello and Isabel Lemley on violin to perform 'Mamma Mia' and their own arrangement of 'Lavender's Blue'. They also received an honourable mention.

Above, third left Jaeger

Above, second left, Monica.

Above, students with the two cubby houses.

## Cubby House Build

Year 11 Building and Construction students have been involved in making a couple of cubby houses.

This year we decided to clad them with colourbond sheeting rather than hardiplank. We found the hardiplank made the cubby very heavy and problematic in transport.

We are extremely grateful to Kadina Stratco for the generous donation of the wall sheets and all students have benefitted from learning new and improved skills.

Using the cubby construction as a focus has enabled us to study many important aspects of construction such as site preparation, levels, carpentry, safe material handling and preparation, measuring and marking, hand and power tool use, and teamwork.
