

**ATTN: YEAR 12 STUDENTS, THEIR PARENTS / CAREGIVERS.
END OF YEAR MATTERS 2022**

In order for the end of year processes to run smoothly, it is necessary to clarify some matters. This booklet should contain all of the information needed to make this happen.

All students will be given a copy on Tuesday 20th September (Week 9, Term 3) and its contents will be carefully explained. If a student is absent at the time of the meeting, they are to collect a copy from their care group teacher. Electronic copies will be sent to student's school email address and downloadable copies will be available on the school's website.

A text message has been sent to all parents and guardians informing them of the Year 12 meeting on Tuesday 20th September and that this information is now available.

If you have any questions, comments or concerns regarding these end of year arrangements, please contact Miss. Tucker at megan.tucker74@schools.sa.edu.au or on (08) 8821 0100.

If we do not hear from you, we will assume that you are in agreement with the arrangements that have been made.

Hopefully we will see you at the farewell assembly.

Thank you.

Megan Tucker
Year 12 Manager

Verity Williams
Assistant Principal
SACE Coordinator

Please double check all dates in this booklet. We have tried to get them all correct, but there is always the possibility of mistakes.

Assessment Tasks, Attendance, Revision, Exams and Formal

In all subjects, students have tests, assignments, essays, interviews and/or projects currently outstanding. These pieces of work must be submitted to their teachers so that they can be marked and forwarded to the SACE Board for moderation.

For all pieces of work that still have to be handed in, the due dates are given at the end of this booklet. The due dates for each of these have been set by the individual subject teachers. These dates are non-negotiable as the dates when student materials need to be forwarded to SACE have already been set. Subject teachers will discuss all outstanding assignments during lesson time and they will explain exactly what needs to be submitted.

Under the rules of assessment for SACE, the marks of these pieces of work count directly towards the final result in each subject.

Work that is to be handed in for assessment must be given directly to the relevant subject teacher. It cannot be left at the front office. If this causes a problem, please see Miss. Tucker.

In all publicly examined subjects, new work and/or revision will be taught up to and including Wednesday 2nd November (Week 3). After this date, students who have been signed off by their teacher (i.e. have handed in all tasks due) will be able to use this time for revision at school or at home in preparation for final exams.

Students who have not submitted all pieces of work to be assessed will be required to attend lessons until they have done so. It is obviously to a student's advantage to:

- (i) complete all such pieces of work by the end of Term 3 or very early Term 4 if they have exams,
- (ii) use lessons after Wednesday 2nd November, when class sizes might be smaller, to get extra individual help with revision from their subject teacher.

To assist students in the completion of assignments and revision, many subject teachers will be at school during the upcoming school holidays. Individual subject teachers will organise this with their classes.

Any students completing Stage 1 subjects will need to negotiate the timing of any outstanding assessment tasks with their relevant subject teacher. Obviously, Stage 2 exams take precedence over continued Stage 1 subject involvement.

At all times after Wednesday 2nd November, including during all examinations, students will be required to wear school uniform (as per the KMS student handbook) when at school. This includes appropriate footwear. If a student attends school out of uniform, they will be required to leave school grounds and return in full uniform.

When coming to school after Wednesday 2nd November students must sign in and out through the front office as per normal.

When students have exams they are not expected to sign in at school, but to go **directly to their exam at the Kadina Football & Netball Club (paper exams) or Gallipoli Classroom (electronic exams)**. The exam timetable on page 6 of this booklet lists the location of each exam that will be held.

We recommend that students spend their revision time wisely. A proforma for a daily planner is included at the end of this booklet and this can be used to set a revision / work timetable with specific, attainable, day-to-day goals.

It is advisable for students to ask their subject teacher for advice regarding what they believe is the best way to revise for their particular exam. Subject Outlines, Chief Assessors Reports and previous Exams are available from the SACE Board website for every Year 12 subject. It is advised that students access these.

Attendance at Exams

See the exam timetable at the end of this booklet to confirm venue and times for specific exams. Please display this timetable prominently at home.

We request that students arrive at the Kadina Football & Netball Club or Gallipoli classroom at least 15 minutes before the start of an exam so that they are not rushed, they can calm the butterflies and go to the toilet if need be. The exam timetable on page 6 of this booklet lists the location of each exam that will be held.

If a student is ill, or something very serious occurs which causes a student to be absent from an exam session, **the student or a guardian must:**

- (i) contact Mrs. Williams or Mrs. Kleinig **immediately** at school,
- (ii) have a Medical Certificate provided if appropriate,
- (iii) supply all the necessary details to the school **within 2 days of the exam** so that the SACE Board can be notified.

Special Provisions

If a student suffers from:

1. a diagnosed, ongoing medical condition (e.g. Epilepsy, Diabetes, Chrones Disease)
2. a disability (e.g. Dyslexia, blindness in one eye, colour blindness, Carpel Tunnel)

which will impact on their ability to be successful in end-of-year exams, special provisions can be applied for by Mrs. Kleinig and put into place by the SACE Board. For example, large print exams can be supplied, extra time can be provided or breaks can be allowed. Mrs. Kleinig must have been informed of any medical complications that a student may be experiencing **by the end of Term 1** in order to make arrangements. Applications in Term 4 will be too late except for extreme medical or social considerations.

If Special Provisions must be applied during the exam period on medical or compassionate grounds, please contact Karm Kleinig or Verity Williams on the day of the exam. Special Provisions applications must be placed within three days of the exam. Medical certificates will be required if applying for Special Provisions at this point.

Behaviour and Appropriate Dress

Throughout Term 4, including attendance at exams, normal school rules still apply. This includes uniform, signing in and out and general behaviour. If a student attends school in non-school approved dress, including footwear, they will be sent home. This is not holiday time, yet.

The anxiety and pressures on you are enormous. It needs to be remembered that all of the other Year 12 students are experiencing the same emotions. Think of them also. Keep a calm and sensible approach to the whole situation so that you give yourself the best chance to do well in the exams. The school will ensure that a properly conducted examination climate is maintained for you all. If everyone makes a deliberate, positive effort, things will run smoothly.

Farewell Day Breakfast

This is being arranged for the morning of Friday 4th November starting at 7.00 am. Food will be ready to eat at 7.20 am. This is a general get together for Year 12 students and their teachers. It has been an enjoyable morning in the past and we believe that it can continue to be with a bit of common sense. Students will need to pre-order food which will be made available to them on the Science Lawns (weather permitting).

Farewell Assembly

This will be on Friday 4th November commencing at 9.15am and will be held at the Kadina Copper Coast Sports and Leisure Centre. Students should meet at the venue by 8:50am, in school uniform. As all students are on display at one of the school's major assemblies, any student who attends out of uniform will not participate. Please advise your care group teacher if you will not be attending. Invitations will be emailed to students and parent/caregivers providing ticketing reservation information for attendees in early term 4. This event is subject to SA Health COVID-19 guidelines at the time.

Year 12 Formal

Kadina Memorial School formal is one of the main official celebrations that mark the end of school life for our Year 12 students. It is a night organised by a small student committee and allows students to celebrate with their families and for staff to share a meal with students together in a formal environment. In accordance with the KMS Year 12 Formal Policy, in 2022, this event is open to Year 12 KMS students who are working towards completing their SACE successfully in 2022 and demonstrate appropriate behaviour. Families wishing to have professional photographs taken must book a studio time through [http://www.schoolinterviews.com.au/](http://www.schoolinterviews.com.au) code: mqbw

Key dates:

- Friday 30th September, 2022 – RSVPs and food orders must be returned to the KMS finance office.
- Friday 28th October, 2022 – final payments must be made to the KMS finance office or via the Qkr app.
- Monday 21st November, 2022 – the 2022 KMS Year 12 Formal will be held at the Wallaroo Alehouse.

Prize Presentation Day 2022

This event will be held on Friday 9th December, with the Year 7-12 Assembly commencing at 11am, at the Copper Coast Sports and Leisure Centre. Students should meet at the venue by 10:45am, in school uniform. If a student is to receive a prize, they will be contacted by the school. We encourage all prize-winners to attend if possible. All Year 12 students are invited to attend whether they are prize-winners or not.

The prize for overall Academic Dux and any Academic Merit Awards for Year 12 students will be presented at the KMSC Induction Assembly early in 2023 when SACE results are known. Once again, if a student is to receive one of these awards, they will be contacted by the school and we would encourage all prize-winners to attend. If not attending, please advise the school as soon as possible.

End of Year Results

Final SACE results will be released online through the SACE Board's Students Online portal. The SACE Board has indicated that the date for the release of results will be the week of December 19th, 2022. Students should continue to check their email and the SACE Board website for further updates regarding the results release date. To access the SACE Board's online results sheets, students need to log onto <https://www.sace.sa.edu.au/students-online>. Login requires a SACE registration number and PIN. Registration numbers comprise six numbers and a capital letter (eg 123456A). If a student has not logged in before, their PIN will be the first four digits of their date of birth in the format DDMM (eg 1st July = 0107). Students who cannot remember their PIN can request a PIN reset through the website. Students needing further assistance logging in can email the SACE Board Service Desk at askSACE@sa.gov.au or call (08) 8115 4712.

A hard-copy of the result sheet will be posted to the student address on file with the SACE Board. Students should log onto the SACE Board website before the start of Term 4 and, using the Personal Information section, check their postal address is correct to ensure results are also received in the mail.

Any issues regarding university admissions, ATAR or SACE completion needs to be directed to SATAC, the appropriate university or the SACE Board. If it is a school matter, please contact the school on (08) 8821 0100 during the two days following results release. Your details will be forwarded to Mrs. Kleinig or Mrs. Williams and they will contact you.

Resubmission of Research Project

The SACE Board has approved an additional opportunity for the resubmission of the Research Project following the end-of-year results release. This opportunity is exclusively for students who have met all of the requirements of the SACE except satisfactory completion of the Research Project, and therefore have not been awarded their SACE. The additional resubmission process will occur from the date of results release in December until the end of January of the following year. Schools with students who did not complete their SACE by not reaching the C- standard in Research Project only will be contacted by the SACE Board on the day of results release. School leaders will be invited to contact identified students to ascertain their willingness to complete extra work and resubmit the Folio, the Research Outcome, and/or the Evaluation.

University & TAFE Dates and Deadlines

A copy of the critical dates from the SATAC University Guide is included at the end of this booklet. All information regarding Tertiary entrance can be accessed through the SATAC website <http://www.satac.edu.au/undergraduate>.

TAFE publish their dates on their website www.tafesa.edu.au.

Meeting with Mrs. Kleinig

In Term 3, all Year 12 KMS students are expected to attend a meeting with Mrs. Kleinig regarding their future pathway. This meeting can take place during or after school with a parent/caregiver present (however a phone call can be organised if work/family commitments prevent parents/caregivers from attending). If students have not yet met with Mrs. Kleinig this term **they must** make an appointment to see her during Week 9, Term 3. To book a time, please see Mrs Kleinig in person.

Leaving School

There are a few processes to be completed when leaving school such as emptying lockers, returning padlocks, returning all texts and library books and removing any required files from the student's home drive. A simple, zuli blue coloured form is to be completed. This form will be available from the front office. Students are to collect and complete this after their last exam.

Return of Equipment

Textbooks, borrowed calculators, hospitality uniforms and any other equipment that has been borrowed/rented from the school are to be returned directly to the Library. Do not hand them back to teachers. This needs to occur immediately after all exams are completed. All resources must be returned in an appropriate condition (i.e. clean and dry).

The return of Macbooks process is described on a sheet at the end of this booklet. Please refer any queries to Mr. Jeff Williams.

School References, School Magazines and Moderation Materials

These will be available from the school upon the return of school leavers forms or on Thursday, 15th or Friday 16th December. Please check at the front office to see where they are to be issued from. Students may only collect their own Student Reference letter.

Should a student require their Student Reference Letter prior to this date (for attending a job interview), or if a reference is needed for university housing, please contact Miss. Tucker to make arrangements to have the letter processed earlier.

Student materials that may have been sent to Adelaide for moderation have to be kept at school until all results have been published. Consequently, they cannot be collected until the start of the 2023 school year.

School Uniforms

The school is able to take donations of unwanted school uniforms (following the conclusion of exams). This includes Senior School shirts, jumpers, sports tops, blue shorts, blue tracksuit pants and school-approved bucket hats.

**Kadina Memorial School
Year 12 Exam Timetable 2022**

All exams will be held in the Kadina Football & Netball Club (paper exams) or Gallipoli 1 classroom (electronic exams).

Each examination will have 10 minutes reading time before the official time starts.

All stationery (pens, pencils, rulers, highlighters, calculators) must be brought in a **clear plastic sleeve**.

All electronic devices (including mobile phones and 'Smart' watches) must be turned off and handed in at the start of each exam.

In exams, where calculators must be cleared of memories, the school's set of graphics calculators will be available for use. In mathematics exams, calculators do not have to be cleared. A student can elect to use their own scientific calculator if they wish. The supervising teacher will reset it in all subjects except Mathematics.

Students will also be provided with dictionaries and scrap paper. Students can elect to bring their own dictionary from the SACE approved dictionary list. This must be checked by the exam supervisor before the exam begins.

The front page of each of the 2022 exams will have been made available to students via their subject teacher. This page includes the instructions for that particular exam.

All students will receive a Notice of Attendance from the SACE Board detailing the dates of any exams for which they are enrolled. Miss. Tucker will give these out. These **do not** need to be brought to the exam, and therefore if forgotten on the day of the exam, **do not** rush home to get it. The information does, however, need to be checked for accuracy.

All students are required to remain in the exam room until the end of the exam.

Kadina Memorial School - End of Year Exams 2022

Date	9am Students to arrive by 8:45am		1:30pm Students to arrive by 1:15pm

Return or Purchase of Macbooks – Please refer to Mr. Jeff Williams or the Finance Office if unsure.

In 2014, the school commenced a BYO Program, in which some families elected to purchase their own MacBook or Windows PC. If you own your MacBook/ Windows PC, please carefully read the section on BYO Computers.
School Owned Computers: (“13” Macbook Pro with Barcoded C077811/12/14xxx)

Some students under special grounds were granted the use of school owned computer under a day use or limited home use access. These computers and chargers must be returned to the school as soon as the final assessments tasks (including the final exam) are completed. There is no option to purchase these at this stage, as we require them for other use within the school.

Parent/Family Owned (BYO) Computers:

Students with BYO Computers will need to visit IT Services at the completion of their exams. The school cannot purchase graduation rights for non-school owned computer, due to licensing requirements. We are required to remove all school owned/licensed software including Abtutor prior to your departure. Students using Microsoft Office 365 (supplied through the school) will be able to continue to use product until their EdPass Account is deactivated (approx. end Jan 2023). If you are continuing at this school in 2023, or going on to TAFE or Uni, you will be able to use Microsoft Office 365 through these institutions upon confirmation of enrolment at no cost. Please check with their IT Office upon enrolment.

If you are not continuing further education, ongoing access to Microsoft Office 365 may be purchased from all good computer shops, or you can use an alternative free Office Package, such as LibreOffice. Please note: you do have Apple Office Suite, (Pages/Numbers/Keynote) supplied with your MacBook.

You are required to visit IT Services as ABTutor will need to be disabled by IT Services prior to leaving. This will take approximately 10 minutes.

Student Loan Computers (When computers are under repair or Special Borrowing)

Some students were granted access to these computers whilst their computer was being repaired. If this loan MacBook remains outstanding, after the personally owned computer has been returned from repair, the school will levy a charge for replacement of the MacBook and Charger of \$400.

Student Data on KMS servers and OneDrive

All student data stored on the school home drive will be wiped at the end of the year. Any data that students require from the server should be copied prior to leaving. All Students data stored on the OneDrive will be inaccessible after the expire of EdPass (approx. End of Jan 2023) Please insure you downloaded your files if you wish to do so.

School Email addresses

All Year 12 student email addresses (e.g. joe.bloggs720@schools.sa.edu.au) will become obsolete during the 2022/23 school holidays. DO NOT use this email address for any purpose which will require agencies to contact you after December 2022.

SATAC Key dates for 2022

Key dates for undergraduate Semester 1, 2023 university admissions.

1 August 2022	Applications open for courses starting in 2023.
15 September 2022	First offer round. Offers will be emailed by 5pm.
30 September 2022	Application fees increase after this date.
30 September 2022	Final closing date for Medicine (including Bonded Medical Program), Dental Surgery, Oral Health and Veterinary Bioscience at the University of Adelaide. Late applications not accepted.
20 October 2022	Offer round emailed. Offers will be emailed by 5pm.
10 November 2022	Offer round emailed. Offers will be emailed by 5pm.
28 November 2022	Final closing date for Creative Arts (Drama) at Flinders University. Late applications not accepted.
1 December 2022	Offer round emailed. Offers will be emailed by 5pm.
1 December 2022	Deadline for applicants to pay their application fee and still be guaranteed equal consideration.
1 December 2022	Equal consideration closing date for all semester 1 courses excluding those with final closing dates. New applications after this date are not guaranteed equal consideration for selection.
1 December 2022	Final closing date for Clinical Sciences/Doctor of Medicine at Flinders University. Late applications not accepted.
1 December 2022	Closing date for Clinical Sciences, Midwifery, Nursing and Paramedicine at Charles Darwin University. These courses may close at short notice after this date. Late applications may not be accepted.
19 December 2022	Offer response deadline.
4 January 2023	Change of preference deadline for Semester 1 offers.
12 January 2023	Main offer round. Offers will be emailed by 5pm.
20 January 2023	Offer response deadline.
25 January 2023	Second January offer round will be emailed by 5pm.
2 February 2023	Further offer rounds emailed every Tuesday and Thursday until 9 March 2023.
