## Kadina Memorial @ Royal

### Adelaide Show

#### Principal's Report: Alistair Williams

Congratulations to the Royal Adelaide Show Team – students, staff and families – for a great effort during the week-long event.

This involved months of preparation, learning and after hours work to ensure the goats, sheep and steers were 'show' ready. Thank you to Ag Science teachers Ms Holly Crighton and Ms Mary-Jayne Hickman who led the team, which also included the Copper Coast Show in August. A full report with results will be published in the next newsletter.

It has been an extremely busy time at school with the *'Back to the 80's'* musical production this week and the Primary Choir rehearsing for the Festival of Music next Friday.

Thank you to all involved for offering these extra learning opportunities to our students.

#### PUBLIC HOLIDAY

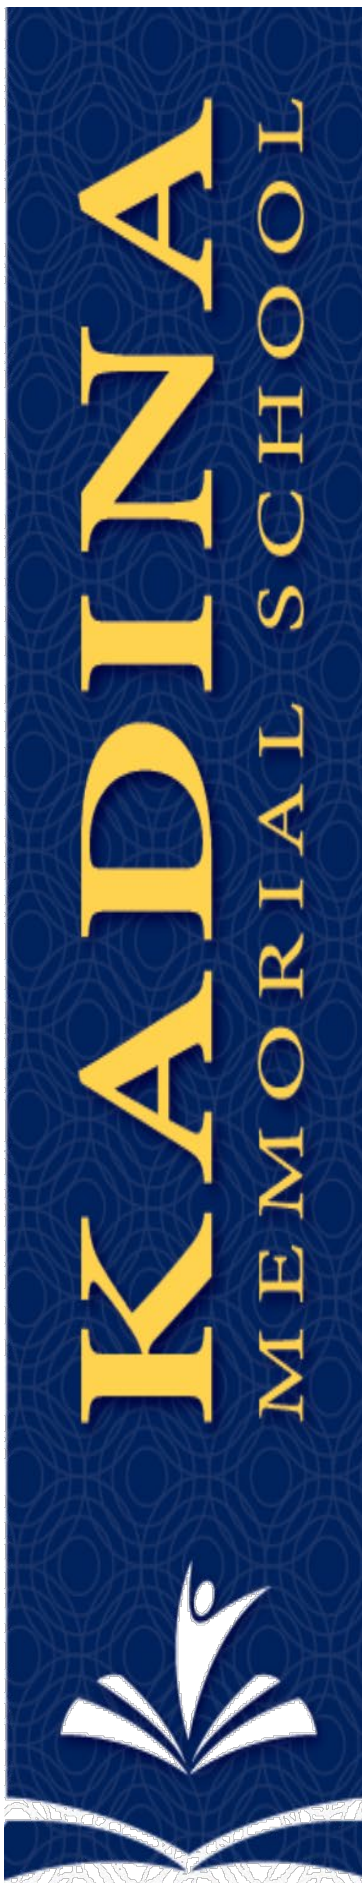

Prime Minister Anthony Albanese has declared a one-off public holiday on **Thursday 22<sup>nd</sup> September** as a National Day of Mourning following the death of Queen Elizabeth II last week. It is expected students attend school as per normal on Friday 23<sup>rd</sup> September.

#### TERM 3 EARLY DISMISSAL

**Friday 30<sup>th</sup> September**, school dismissed at 2:10pm. Buses depart at 2:20pm

## R U Ok Day?

Above, 8KP students ask the question – RU OK? RU OK? inspires people to reach out to others to have a conversation, and importantly listen, encourage positive action, and check in. A conversation can change a life. For more information please visit:

<https://www.ruok.org.au/>

## Community Garden

A shout out to the Community Garden lunchtime group who visit this special place regularly keeping it weed free and tidy.

Primary KMSC Captain Harry Pridham and I had the pleasure of being interviewed by ABC Regional Radio North West last week about the benefits of such a place for students and the community.

The garden has become a popular outdoor classroom for students, including Early Years classes often exploring the environment.

We extend an invitation to our wider school community to visit the garden after school to enjoy the natural surroundings and perhaps pick a weed or two!

Vegetable plots are also available to community members to plant out for personal use.

If this is an interest area for you, please call the Front Office on 8821 0100 to find out how to become involved. The garden was established to promote emotional and physical wellbeing in our community. It's a beautiful place to visit just to 'be'.

## National Creative Arts Award

Congratulations to Teacher Jacq Barry who has been recognised by peers winning a Creative Arts Excellence and Innovation Award.

This award is provided to recognise a Creative Arts Association Australia member who has delivered evidence of a creative, discerning and experimental approach by providing a platform for Creative Arts teachers and students to

connect, learn and grow together. The committee nominated Mrs Barry for the Creative Arts connecting, mentoring, advocating, student achievement facilitation and program development work she has been doing in regional areas of South Australia. This award will be presented as part of World Teacher's Day on October 28.

**7-12 Parent Teacher Interviews:** Due to the declared National Day of Mourning public holiday, interviews will no longer be offered on Thursday 22<sup>nd</sup> September. If you have made an appointment at this time the relevant teacher will contact you to make an alternative mutual arrangement to meet.

Parents and caregivers are strongly encouraged to book an interview for their child to discuss learning progress and any other matters of concern.

Bookings can be made via the link or QR code below. Interviews will be held from **Monday 19<sup>th</sup> September – Wednesday 21<sup>st</sup> September.**

Finally, it's not too late to buy a ticket for tonight's **'Back to the 80's'** musical production in the school theatre. Tickets are available at the door, cash only, Adults \$18, Child/student/concession \$15. It's a great show and a credit to all involved. A full report will be published in the next newsletter.

Thank you to Year 12 Manager Miss Megan Tucker for organising this event and all year 12 teachers who assisted in the lead up and on the day.

## Triumphs of Kapyong

Every Friday students from the Kapyong classes join together for social skills activities. Students play Scattergories and take turns using the Roger Microphone to help with confidence when public speaking and to support skills needed for working in groups.

## Kapyong, Unit & 22TB Auskick Program

This term we have been fortunate to have been offered a modified Auskick program. Students from Kapyong, the Unit and Miss Bell's class are participating. These sessions are run on Friday afternoons for the remainder of this term. The students are really enjoying the opportunity to learn some new ball skills, such as handballing, kicking and tackling, as well as playing some fun games. Thank you to Will Schultz, SANFL Game Development Coordinator, for guiding us during this program.

## Girls NYP SAPSASA Soccer

During week four, three Yorke Peninsula teams represented the district at the SAPSASA Soccer Carnival in Adelaide. The girls competed as a combined YP team, and due to large numbers, the boys were spilt into a SYP and an NYP group. The carnival ran for three days and provided students with the opportunity to showcase their skills and compete against other districts.

It was incredible to see how much improvement there was over the course of the carnival, especially considering many of the students had never played before. The girls team finished 4<sup>th</sup> overall despite only having two training sessions in the lead up to the competition, and only lost three of their nine games. They were forced to use their feet instead of their hands and master the 'off-side' rule, but they all took it in their stride and showed incredible resilience.

Over the week we learnt it is not about winning, it is about having fun and making new friends. While we were in Adelaide, we also all went out for dinner on Thursday. This was a great opportunity because we made new friends and had fun along the way, and while learning new tricks and skills.

All students thoroughly enjoyed the experience and I would encourage anyone who is interested to give it a go. It was amazing to see students trying something new and developing new capabilities. It would be great to see more girls out next year to ensure we can continue to provide other regions with some healthy competition.

## Boys NYP SAPSASA Soccer

Our SAPSASA Soccer boys did great over the three days of soccer in Adelaide. We came third, missing out on second by one point. Thanks to our coach Sam who did a really good job of coaching us for the three days.

For the first day we won 1 out of 3. We tried really hard against the Hills and Upper South East. In our final game for the day, we beat Southern Yorke Peninsula which was really good to get a win.

The second day we won 3 out of 3 games, which was really good for us because we went from one win to three wins from day 1 to day 2.

Day three we drew 2 games and won 1. We tried our very best as if we won the 2 games, we knew we could have come 2<sup>nd</sup> overall. We all had a really fun time at soccer. It was a good experience for us year 5 boys because we can try out next year again.

## Canteen News

TERM 4, is our new Summer Menu. Please keep an eye out in the next Newsletter or pop into the Canteen or Front Office for your copy.

Our new Summer menu will have new options such as Sushi and some new Summer Salads.

**QKR TIPS:** Please ensure you view your order receipt. This confirms the paid items. We seem to have a few children minus their lunch orders recently.

There is currently a shortage on selected items from our suppliers. Please keep in mind some products will differ from what we normally use. If it is not showing on Qkr, it means it is currently unavailable. Also, if your child is sick or you need to cancel your

order, please ring us at Canteen on 8821 1254. We sincerely appreciate your support.

Finally, thank you to Technology teacher Mr Al Woods for making us a drinks trolley. This will save us lifting and carrying crates of heavy drinks, especially when demand increases in the warmer months.

**Vicki Hartleib, Canteen Manager**

## 2023 Instrumental Music

Year 4 students attended a musical instrument demonstration session by IM teacher Kerrin Williams recently. These students, and any who will be in Years 5 to 10 in 2023, can choose to learn one of the demonstrated instruments through free, weekly lessons provided by Instrumental Music.

Students should preference their top three instrument choices due to limited lesson spots and instrument availability on the Expression of Interest form provided.

Students going into year 4 next year are recommended to consider joining the recorder program as an excellent starting point for commencing instrumental music in 2024.

## SCHOLASTIC Book Orders
