## Choir at Festival of Music

### Principal's Report: Alistair Williams

Welcome back to school.

Term 4 is traditionally a busy 9 weeks as we continue learning, begin preschool and sub school transitions, celebrate the end of year, and for our Year 12's complete their secondary education.

I wish our oldest students well as they embark on the last three weeks of completing assessments, revising for exams, sitting their final exams, and for many start a new job, traineeship or apprenticeship with local businesses.

During the term we will welcome our youngest 2023 students on site as they begin Reception transition, whilst Middle School will also see extra students from feeder schools for visits.

This is an important program with Kadina Memorial staff working alongside preschools and local schools for a smooth start in 2023.

**Our Front Cover Photo:** Thank you to Primary Arts teacher Ben Graefe, supporting staff, bus volunteers, families and students for the massive effort invested in this year's Festival of Music. It was spectacular and you all should feel extremely proud.

### HATS

All R-12 students are to wear a school approved broad brimmed navy hat when outside in term 4 as per the school's Sunsmart Guidelines.

### COVID-19 Update

Positive COVID-19 management at school has changed slightly. From the 14<sup>th</sup> October, isolation and quarantine is **strongly** recommended and all staff and students do not attend sites for 5 days after being identified as COVID-19 positive.

Parents and caregivers are still required to report their child's COVID absence to school as this data is reported for management purposes should a "cluster" emerge.

Please remember that symptomatic students and visitors should not be attending schools and school events. Thank you

### TERM 4 Reminders:

- Year 12 Farewell Assembly, Friday 4<sup>th</sup> November, CCSLC, 9am for a 9:15am start. Year 12 students and guests to register via Eventbrite
- Student Free Day, week 6, Monday 21<sup>st</sup> November

## 2023 Class Placement Information

Executive Leadership has begun staffing and year level class planning for next year. In a big school this can be challenging, with enrolment numbers fluctuating. We ask parents to inform us if their child/ren will not be attending Kadina Memorial School next year. Likewise, if you know of a family moving to the area who have children intending to enrol at our school we would like to know to assist us with planning. It's also time for families to provide information for class placement for 2023. The Class Placement Guidelines and Class Placement requests can be found on the school website:

<https://www.kms.sa.edu.au/learning/policies/>

<https://kadinams.b-cdn.net/wp-content/uploads/2022/10/class-placement-request-template-2022.pdf>

We ask all requests to be forwarded by **Wednesday 26<sup>th</sup> October:**

## Staffing News

We officially welcome two new staff members to our Middle School team in term 4. Meredith Gray, a Middle School educator specialising in English and History, fills the teaching position of Year 7 teacher Breanna Taylor. Ms Gray has been teaching for 12 years mostly at Seaton High School and in her spare time enjoys hiking, reading, and learning languages.

Breanna has accepted a new teaching opportunity within the school during term 4.

Mr Shaun Hughes who began late last term in Kristina Chenoweth's year 7 class will continue in the role this term. Shaun brings almost a decade of teaching experience in the Upper Primary/ Middle years to our school. He is already familiar with the Copper Coast and local education network having taught a year 6/7 class at Wallaroo Mines Primary School in 2021. Mrs Chenoweth is currently on maternity leave.

Please make them feel welcome.

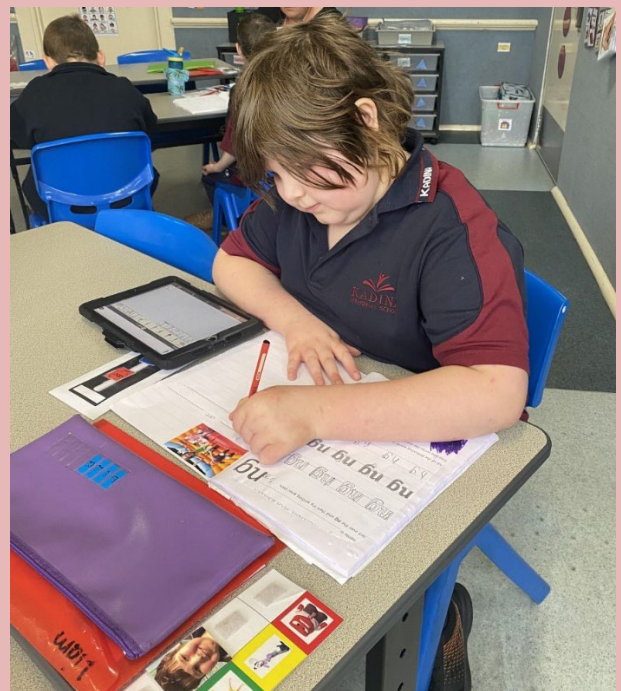

## Unit News

Here we are, term 4 already, only 9 weeks until the Christmas holidays! All the students have made a positive start to the term and have settled in and are already working hard on their learning tasks.

We wish teacher Abbey all the best for her upcoming wedding. We are going to miss her for the next couple of weeks, but hope she has a wonderful time relaxing in Queensland, enjoying married life.

## R-6 Corner

Welcome back to what is sure to be another busy term of learning at KMS. When visiting classes this week I heard about some very exciting holiday adventures. It sounds like many students needed to come back to school for a rest!

At the end of last term I had the pleasure of accompanying Mr Graefe and the choir to Adelaide to perform in the Primary School's Music Festival at the iconic Festival Theatre. I was so impressed with our students, who really stepped it up for their performance. Elshay De Wet (Year 5) was outstanding with her solo performance in the song "I Got the Music". On other nights throughout the 2-week festival Taylor Rundle (Year 6) performed as part of the troupe. A fantastic achievement for both students. Thank you Mr G, Mrs Terrett, Josie Metcalf, as well as Dave Hettner (Wallaroo PS) and Tanya Stevens (Wallaroo Mines PS) for your support with our choir students this year.

Year 6 students from Mrs Ellis, Miss Williams and Miss Mitchell's classes headed off on camp this week, and there was an excited buzz amongst students when they were reunited after the holidays. Mylor Adventure Camp provided the goods, with the Giant Swing and Raft Building providing just the right amount of challenge for our students. Thank you to the class teachers, as well as Mr Smith, Des and Ashton for taking our students on camp. Your efforts are much appreciated!

This Friday, October 21<sup>st</sup>, we have two teams competing in the SAPSASA Basketball State Finals in Adelaide. Our boys team, coached by Belinda Wood, and girls team, coached by Aaron Smith, will battle it out against other schools from around the state. Best of luck to these teams, and thank you Belinda and Aaron for coaching.

I look forward to catching up with parents throughout the term as we begin to wrap up a successful year at KMS.

Please save the date for our R-6 Dance Concert - Thursday December 8<sup>th</sup>, 2022.

## Aquatics Excursion

On Wednesday 28<sup>th</sup> September week 10, the year 3's and 4's woke up bright and early to go on an exciting trip to the Marion Aquatics Centre. We had an exciting 2 and a half hours with our friends on the bus. When we finally arrived at the SA Aquatics Centre, we got changed ready for an obstacle course. Next, we went to a water pool with some fun water slides and a huge water bucket. We all had such a fun day.

## R-12ness

8SE shared their current learning of energy with 3CP in an afternoon of making elastic toys. They made a flic flac which sprung high into the air and then worked on making elastic drag cars to have a race. They problem solved when things did not go to plan and tried to make their cars and flic flac toys go further and higher into the air.

## Smash Bros Tournament

Due to many requests from students, we rounded out the term with a Super Smash Bros Tournament at the theatre on 30<sup>th</sup> September. This time students had 2 weeks to compete against their peers with the highest wins being invited to compete in the champion's round. The following students made their way to the grand final:

## 2023 Materials & Services Charges

The Materials and Service Charge (M&S) for 2023 has been set at \$269 for R-6 and \$355 for Year 7-12 by the South Australian Government. It is proposed the school will charge this standard sum for 2023. The school community is therefore invited to the next Governing Council meeting next week, **Wednesday 26 October**, in the Food and Hospitality Centre, 6:45pm where the M&S charge will be discussed, and approval sought. If you are not able to attend the meeting but would like to submit your view, please do so in writing addressed to the Governing Council Chairperson prior to the meeting. # SA COMMUNITY FOOTBALL CLUB

## ROAD SAFETY SESSION

Many local footy clubs and their communities have been touched by road trauma. The lives lost on our roads have devastating and far-reaching effects. The welfare of players, coaches, club staff and volunteers is fundamental to the SANFL so we have partnered with the SA Police Road Safety Centre and the Department for Infrastructure and Transport, to deliver a road safety session to make the roads safer and ensure no more lives are lost.

### THE NEXT SESSION WILL BE HELD AT:
