

Kadina Memorial School NEWSLETTER

Term 3, Issue 2: Thursday 24th August 2023

Centre stage at Copper Coast Show

Principal's Report: Alistair Williams

Congratulations to all students and staff who participated in the Copper Coast Show last week and on the weekend.

For secondary Ag Science students, it meant the first "public" showing of goats, sheep and steers after many weeks of intensive learning about animal husbandry and handling.

Students achieved great results winning overall in the schools livestock category, which is featured in a show-wrap in today's newsletter.

The next event will be the Royal Adelaide Show.

The Arts also took centre stage at the Copper Coast Show on Sunday, with the Recorder group, Instrumental Music students, Year 5.6 Choir and Year 11 Rock Band performing. After-school events require a big commitment from students, their families, and staff, and I sincerely thank you all for contributing to this community event.

During the year, Mrs Wehr's Project Based Learning students worked alongside the show's committee preparing the site.

This provided students many opportunities to learn new skills, resulting in greater self-esteem and self-confidence.

I thank the committee for mentoring our young people, developing a sense of belonging and genuine achievement.

Kadina Memorial is proud of its long-standing commitment to the community through special events such as the Show.

Above, Instrumental Music students perform at the show.

Open State Basketball Champions

Congratulations to the Open Girls Knock Out Basketball team, winning the State title in their division against Adelaide High School in a thrilling finish, 25-24 points. Well done team!

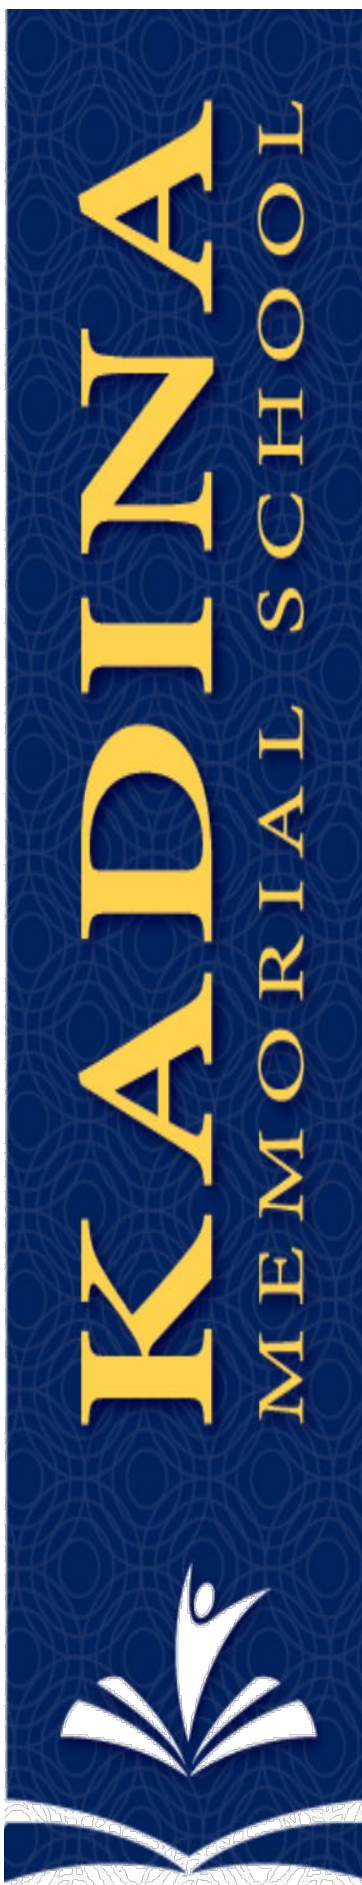

HATS

All R-12 students are required to wear a navy bucket-style hat when outside from **week 6, Monday 28th August**, as per the school's Sunsmart Policy.

Hats for sale at Sportspower Kadina or KMS Finance Office for \$11.50.

Vietnam Veterans' Day

KMSC Middle School Captain Jack Pridham and Vice Captain Mackenzie Wood attended a Vietnam Veterans' Day Service in Moonta last Friday.

The service marked the 50th anniversary of Australia's withdrawal from the Vietnam War.

Field of Poppies

Year 12 student Cameron Battle's artwork 'Field of Poppies' has been gifted to display at school. Cameron completed this assessment as part of his Stage 2 Art/Community Connections studies.

Australian Defence Force visit

Secondary students heard about the many varied careers offered in the Australian Defence Force when service personnel visited recently.

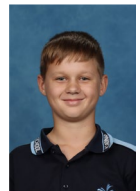

Career counselling for senior students will begin in September. Communications updates will be via email, Daymap and the school Facebook page.

Achieving Students

Congratulations to the following students who have achieved state selection in their chosen fields.

Hunter Mumford, year 6, was selected in the South Australian Under 12 AFL team, played in Albury, New South Wales recently. Whilst SA lost the grand final to Victoria 33 points to 46, the team was awarded the Richard Newman Fair Play Shield.

Tayla Mengersen, year 7, and Novak Duka, year 8, have both made the squad representing South Australia at the Hockey Australia Under 13 Carnival in Newcastle in September. We wish them all the best.

Hunter Mumford Tayla Mengersen Novak Duka

Taylor Rundle, year 7, will perform at the Festival of Music in Adelaide in a dance troupe for the second consecutive year. Congratulations.

Balaklava Eisteddfod

Well done to all Kadina Memorial School music students who participated in the 2023 Balaklava Eisteddfod earlier this term.

The Senior Band (Year 11 students) placed second out of 14 schools, whilst the Fusion band also come second in the open band division.

Thank you to teachers Mr Sandy Hahn, Ms Kerrin Williams, and Mr Andre Starr for supporting students in the lead-up and during the event.

As you can see and read in this week's newsletter it has been a very busy start to term 3.

I look forward to seeing many families at tomorrow's Book Week Parade on the Primary courts area from 9am.

Alistair Williams, Principal

R-6 Corner

It is hard to believe that we are already half-way through this term! There have been lots of fabulous opportunities for students to shine over the past few weeks, and we love celebrating success for our students.

SAPSASA Soccer was played last week in Adelaide, and KMS had quite a few students representing the Yorke Peninsula. Congratulations to all of the students involved in the 3-day competition, and thank you to Grace Inman, Henry Bruce, Graham Wood and Wayne Williams for their coaching expertise, and Aaron Smith for his support and organisation.

Over the weekend we had many of our primary students perform at the Copper Coast Show, with the recorder group, instrumental students and choir all on show. This week the choir headed to Adelaide for their rehearsal in the lead-up to the Primary School's Music Festival performance on September 22nd. They are also busily practising for the East of the Ranges choir performance on September 13th, at Port Pirie. For ticket information, contact Mr G.

This week has seen many fun and engaging activities for Book Week. If you haven't had a chance yet, be sure to check out the book fair in the library. Our wonderful library SSOs have transformed the space into a magical world around this year's theme of Read, Grow, Inspire. Tomorrow, we celebrate the culmination of the week with our dress-up parade and the presentation of our winning read aloud groups. We look forward to seeing you there, from 9am on the courts.

Jayne Winter, Head of R-6

During the week R-6 classes have been listening to 'guest readers' during their library lesson.

Above, Student Wellbeing Leader Mrs Zelly Ritter entertained reception students with her choice of picture book.

Bully No way Day – 'Growing Connections'

Students from reception to year 9 enjoyed shared reading on Friday 18th August.

Science Week

Reception students had a great time celebrating science week with Mrs Wait. They made car tunnels, balloon rockets and had balloon caterpillar races.

Unit News

Students have been engaged in many fun learning activities this term.

The Junior class has been looking at how materials can change when cooked. We have looked at bread and toast, popcorn, and cooked and uncooked spaghetti so far. Here are some pictures of the students exploring uncooked spaghetti and building spaghetti towers.

One of the learning activities in the Senior class is to go for a walk, and we take some photos of the students doing something special. These pictures are then airdropped to their iPads, and the students write a sentence about their picture, using Pages on the iPad. Their work is then printed and the students write their sentence again. Last week we went to visit the animals.

MASA Quiz Night

On Wednesday 9th of August, 40 students from Kadina Memorial School and Moonta Area School participated in the MASA Student Quiz night. Students competed in a team of 4 and answered questions on General Knowledge and Mathematics.

Kadina Memorial School had some winning teams. The winner for Best Overall Years 7/8 Team was Ryan Burlinson, Liam Wright, Lucas Kuchel and Oliver Thirlway. The Best Overall Year 9/10 team was Maddi Sze, Ava Papps, Rhiana Ahrens and Miley Bussenschutt. The Best Overall Year 11/12 Team was Vaughan Stonestreet, Aaron King and Tom Loveridge. Thank you to Mr Jacob Nelson, Ms Schilling, Ms Wells, Ms Pointon, Mrs Hillebrand and Mr Wait (Moonta Area School) who helped on the night and to the students for participating in this event.

Alix Hillebrand, Numeracy Coordinator

Year 8 Science

Sheep heart dissections provided year 8 students an opportunity to learn about the biology and inner workings of the organ, including its valves and tendons.

Students were required to label each section, with some students now considering a career in medicine.

Above, Mrs Cook's year 8 student dissect sheep hearts.

Stage 2 Outdoor Pursuits – Bushwalk

A 3-day bushwalk to Mount Brown in the Southern Flinders Ranges was a culmination of 6 weeks' work, where students were largely in control of the entire camp. The task of organising the trip was divided into several different roles including: "Transport and Costing", "Location", "Safety", and "Equipment and Entertainment". Students brainstormed their roles and what they needed to research. Weekly meetings were held to share and record information. Rex and Riley B were in charge of organising the location and chose Mount Brown Bush Camp as our starting point. Charlie and Damian were our safety officers, identifying hazards with transport, the campsite, cooking and the hikes, Nick and Riley L organised the bus and costed the trip, and Connor and Declan were in charge of equipment.

Mr Wood was in charge of the weather and did his job perfectly as there was not a cloud in the sky for the majority of the camp. He was even able to lift the morning fog as we climbed the mountain, revealing breathtaking views north toward Quorn, west towards Port Augusta and east across the Willochra Plain.

The multi-day bushwalk enabled students to piece together skills they have learnt in their previous assignments including, meal planning and first aid.

Lifestyle and Recreation – Integrated Learning - Fishing

Lifestyle and Recreation is a subject that offers students an alternative to the more traditional sports covered in Physical Education. The focus for students is to develop and apply new skills and knowledge. This semester students had a large input into the topics that would be covered. After debating several options, fishing was suggested. A vote was held, and the decision was unanimous.

Students have been researching fish species found in the Gulf, common baits and learning how to set up a basic rig. Technical Studies teacher and avid fisherman Mr McDonald willingly gave up his free time to offer some advice to the class and we thank him for that.

After several lessons of practice, we ventured to Wallaroo Jetty to catch our bag limit. We left with nothing! Although, there were too many to count that "got away". Despite not catching a fish, students will evaluate what the task and will try to rectify the situation in week 5. Thanks also to SSO Sammy Schilling for supporting us.

Glen Williams, Teacher

Copper Coast Show Success

On Friday 18th August, Kadina Memorial School took a large team of livestock animals and students to compete in the Copper Coast Show. The 33 students managed, prepared, and led 3 steers, 8 goats and 9 sheep. Students participated in handling classes, junior judging and some animal hoof judging contests. We started the day with success, receiving second place in the best presented schools competition which was presented directly after the Grand Parade. We then proceeded to take out champion steer with "Tank", our Limousin cross Angus steer. Students were also highly successful in their individual competitions, taking out many awards including a winning trifecta in the sheep judging with first, second and third ribbons received. After points from all sections were collated, Kadina Memorial was awarded the Highest Aggregate Point Scoring School Award, winning the overall day against some very strong competition including Central Yorke School, Balaklava High, St Marks College, and Port Broughton Area School. We are incredibly proud of our student's efforts and composure on the day, and we look forward to the Royal Adelaide Show in September.

Triumphs of Kapyong

This term students from Kapyong have been learning how to play croquet with members from the Kadina Croquet Club. Below, they share their thoughts on this sporting activity, which requires physical coordination, concentration, learning new rules, meeting croquet club members and mostly having fun!

Liam thought croquet was good fun.

Shelice liked using a modified mallet to play croquet.

Dean said that he enjoyed learning how to play croquet.

Conner said that today he learned how to “jump the ball” and he is really enjoying learning how to play croquet.

Year 7.8 KO Netball

In round 2 of the Knock Out Netball Competition the 7.8 netball team enjoyed two wins.

Game 1: Kadina Memorial defeated Seaview High School 55-38.

Game 2: Kadina Memorial defeated Pedare Christian College 48-28.

Back, left; Coach – Paris Schilling, Natalia Bagnato, Alexis May, Mackenzie Wood, Stella Hewett, Eva Schilling
Front; Jemima Polkinghorne, Eleanor Francis, Phoebe Rosewarne, Montana Toole

All KMS KO Netball teams have advanced to the final round. We wish all players, their coaches and team managers well.

9.10 KO Football report

The 9.10 Boys' Football team participated in the preliminary final on Tuesday of Week 2, at Kadina Oval against Seaton High School. Missing several key players our depth was tested, however with the number of students interested in initial sign ups we still put forward a handy side.

Seaton High School started strongly kicking the first goal of the game whilst dominating possession and a quick run from their backline. We managed to fight back late in the first quarter kicking two rapid goals to square the score line at quarter time. Luke Russel connected well with our midfield as Riley Miller and Josh Bull provided ball winning ability and drive to our forward line.

The second quarter was a different story with Seaton High school producing a strong running game and repeat inside 50's. Our backline held up well, however Seaton managed to score 5 goals to nil, leading into half time.

An injury to Riley Miller prior to the break left a big hole in our midfield, however Lachlan Bodie stepped up. He was instrumental in us remaining competitive in the second half with Archie Faulkner also hitting the contest hard and demonstrating a resilient approach.

Despite being a team member down, the side lifted their intensity and kept a positive attitude, which resulted in an even second half. Unfortunately, the damage was done in the second quarter and this margin proved too difficult to peg back.

A big thanks to SSO Di Boothey for her medical help over the 3 games, Mr Driver for his coaching in round 1 and runner in game 2 and Noah Rennie for giving up his time to carry out the running duties in the Preliminary Final.

Final Score:

Seaton High School 14-13-97 defeated Kadina Memorial School. 6-4-40

Best Players: Lachlan Bodie, Archie Faulkner, Luke Russel, Josh Bull, Riley Miller, Will Trengove

Goal Kickers: Blake Karpany 2, Will Trengove 1, Bodie Seal 1, Mitch Miller 1, Chris Grantham 1

Canteen News

Halfway through term 3 and we have had a very busy time so far. We are still experiencing some uncollected lunches due to a student's absence or children do not know they've got a lunch order. If your child is sick, please ring the canteen so that we can either hold the lunch order over for another day or refund the money if we can sell the lunch over the counter. If your child is at school, please inform them that they have a lunch order. We try our hardest to get in touch with the child after the lunch period is over but cannot always get through to the class that they are in.

We are still seeking volunteers to help us in our busy canteen. If you would like to have some fun, a free lunch and learn some new things then let us know.

2024 Enrolments

We are seeking information from families about their 2024 enrolment intentions. If your R-11 child is leaving Kadina Memorial School at the end of 2023, please let us know. Additionally, if you have a child or know of a family who is intending to enrol at Kadina Memorial School in 2024, please let us know. This information is used to help us plan class sizes, class locations and required teaching and non-teaching appointments. We sincerely appreciate this information early, allowing us to plan efficiently in the interests of all enrolled students.

2023 Secondary Camp Costs

Secondary camps are currently being planned, scheduled for week 9, term 4. Due to increased fuel and goods costs prices have risen slightly. Below is the **current estimate** of each camp, to allow families time to financially plan:

- Year 7 Aquatics camp, Port Vincent \$185
- Year 8 El Shaddai camp, Wellington \$335
- Year 9 Canberra Camp \$720
- Year 10 Surf Camp, Berry Bay, YP \$295

Year 12 trial Exams

In week 7, term 3, Stage 2 Trial Exams will be held.

These trial exams provide students with an opportunity to sit an examination, under timed, supervised conditions, which reflect the environment under which they will complete their final exams in November.

Students who do not have exams scheduled for a specific day are expected to attend their normal timetabled lessons.

Exams will be held in the CCSLC classroom (Tues-Wed) and Gallipoli (Wed-Thurs). Please check the timetable carefully.

Students are expected to be at the location of their exam 15 minutes prior to the start time. If they are not present at the beginning of an exam, a phone call home will be made to check on their welfare.
