

Welcome to term 4

Principal's Report: Alistair Williams

Welcome back to school.

Term 4 is traditionally a busy 9 weeks as we continue learning, begin preschool and sub school transitions, celebrate the end of year, and for our Year 12's complete their secondary education.

I wish our oldest students well as they embark on the last three weeks of completing assessments, revising for exams, sitting their final exams, and for many start a new job, traineeship or apprenticeship with local businesses.

We farewell Year 12's at a special assembly on **Friday 3rd November** at the Copper Coast Sport and Leisure Centre. Year 12 families are invited to this event with invitations emailed this week.

Front Cover: Festival of Music Choir. Full report in this week's newsletter.

The following week on **Friday 10th November** we will hold our traditional Remembrance Day Assembly led by Miss Tucker's Stage 1 History students.

This commemorative service will coincide with the school's 10th anniversary whilst also acknowledging our history, with Kadina Memorial School's 100th anniversary and Kadina Primary School's 145th anniversary in 2024.

In the afternoon on **Friday 10th November**, R-6 students will invite a special person in their life to visit their classroom and enjoy an activity together. More information about this will be shared with families shortly.

During the celebration weekend, we anticipate many former scholars and staff from all three schools to visit and we look forward to hearing their stories of yesteryear.

The school community is invited to these celebratory events by purchasing tickets online via the QR code located on the posters in this week's newsletter.

Term 4 Food Drive

In week 4, year 9 students along with the Middle School KMSC will conduct their annual Food Drive. They'll encourage R-11 students to donate one item of non-perishable food which will be used at the local Anglicare Emergency Pantry in Wallaroo.

Thank you in advance for supporting this important event.

Principal's report continued:

2024 Class Placements

Executive Leadership has begun staffing and year level class planning for next year. In a big school this can be challenging, with enrolment numbers fluctuating. We ask parents to inform us if their child/ren will not be attending Kadina Memorial School next year. Likewise, if you know of a family moving to the area who have children intending to enrol at our school we would like to know to assist us with planning. It's also time for families to provide information for class placement for 2024. The Class Placement Guidelines and Class Placement requests can be found on the school website:

<https://www.kms.sa.edu.au/wp-content/uploads/2022/12/class-placement-request.pdf>

We ask all requests to be forwarded by **Thursday 26th October:**

•R-6 to Head of School, Jayne Winter:
Jayne.Winter495@schools.sa.edu.au

•7-9 to Head of Middle School, Tarryn Germein:
Tarryn.Germein530@schools.sa.edu.au

Dance Troupe Award

Congratulations to Taylor Rundle, year 7, who was awarded 'Team Player' during the Festival of Music in September.

Taylor, a member of the Red Underdale Troupe, performed in five concerts with weekly dance rehearsals over two terms. That's a remarkable commitment from both Taylor and her family.

Taylor worked with students from other schools learning a variety of dance styles and developing her performance skills under the tutelage of a professional artistic director.

Above, Taylor in costume promoting the 2023 Festival of Music and with her award.

Important Bushfire Information

Kadina Memorial School has a "low risk" bushfire rating.

At Kadina Memorial School on days of catastrophic fire danger, no school buses or taxis will run. The school will remain open. As the school may not receive notification of this until after the school has closed, it is vitally important families have up to date mobile phone, email contacts recorded at the school or like the "Kadina Memorial School" Facebook page.

If buses / taxis are cancelled during the school day, then parents will be notified via a text message and "Facebook" and students will be supervised at school until buses can run or students are collected by parents.

If school is open, but your child's bus or taxi service morning run has been cancelled, you will need to make your own travel arrangements. If your child is unable to attend because of the transport cancellation, you will need to advise the school.

It is important that all students know about their own family bushfire plan. If there is a fire, students are likely to know about it quickly and will become anxious if their family is likely to be affected. In times of danger, it is possible that incorrect information is transmitted. We will need to maintain a state of calm whilst the students are at school and the more they are aware of the plan, the easier it is to care for them.

During days of forecast catastrophic fire danger rating or an actual bushfire, information will be provided on the Departmental Parent Hotline (1800 000 279), ABC Radio 891 and local Regional stations, ABC TV.

More information and resources are available via the DfE link:

<https://www.decd.sa.gov.au/sites-and-facilities/bushfires-and-emergency-closures/bushfire-information>

R-12 Hats

A reminder all R-12 students are required to wear a navy school-approved bucket-style hat when outside as part of the school's Sunsmart Policy. Hats are available for purchase from the school Finance Office for \$11.50 or Sportspower Kadina.

Kindest regards,

Alistair Williams
Principal

“Milky Way” the Picasso Cow Project (named by Year 5/6, Tanya McCarthy’s class)

Students studied the processes involved in the creation of dairy products in class. Using their learning they designed what they thought should be painted on our blank fibreglass cow, donated by Dairy Australia.

Class teacher Tanya McCarthy and Art teacher Karen George chose pictures from each of the students’ designs which were reproduced on Milk Way. Students painted the design in stages throughout term 3 2023.

Follow the journey of milk from the farm to home as learnt by the students all the way around her.

Milky Way had her first public appearance at the 2023 Yorke Peninsula Field Days and is currently visiting the Ascot Theatre as part of a school art display. Her diary is becoming quite busy!

This competition is run every term each year by the Dairy Australia’s Picasso Cow Program to promote dairy consumption and educate students on the dairy industry.

KMS Food Drive 2023

Dear Parents/Caregivers,

The KMS Yr 9 cohort and the Middle School KMSC have planned the 2023 KMS Food Drive, to be held during Week 4 (Monday 6th November – Friday 10th November) of this term. Students are utilising their knowledge and skills developed in Geography and English during Term 3 to encourage R-11 KMS students to donate one item of non-perishable food which will be used at the local Anglicare Emergency Pantry in Wallaroo.

For more than 150 years, Anglicare SA has supported South Australians in need through diverse programs including parenting, youth, foster care, Aboriginal services, disability care, homelessness, and emergency assistance. The KMS Food Drive will help raise awareness and promote community support for those less fortunate, especially those who are in need of food. This as an important annual event, maintaining the strong ties between Kadina Memorial School and the local community.

Yr 9 students will visit R-6 classes in the upcoming weeks to promote the event. Each class will see a short video and hear from the Yr 9 students about the issue of access to food in the local community. The KMSC will be promoting the event to the Middle and Senior School and we hope that all students are motivated to help out and support those in need.

Students will be encouraged to donate one item of non-perishable food during Week 4 of this term. Please note that this request is optional, and your child is not obliged to participate. Food can be placed in classroom boxes during Week 4, with boxes being collected at the end of the week. Popular food items include:

- Meals in a can
- Pasta
- Rice
- Condensed milk
- Canned vegetables
- Canned fruit
- Cereal
- Canned soup
- Baby food

Yr 9 students have visited R-6 classes this week to promote the event. Each class has also seen a short video and heard from the Yr 9 students about the issue of access to food in the local community. The KMSC will be promoting the event to the Middle and Senior School and we hope that all students are motivated to help out and support those in need.

If you have any questions, please ring the school on 8821 0100, or email us at Chris.Rennie229@schools.sa.edu.au or Robyn.Paterson428@schools.sa.edu.au

Yours sincerely,

Chris Rennie
Yr 9 Geography/English Teacher

Robyn Paterson
Middle School Wellbeing Leader

Festival of Music's "World of Tomorrow"

More than 40 of our students, including soloist Elshay De Wet, performed on stage at the Adelaide Festival Theatre as part of the Public Primary Schools Festival of Music on Friday 22nd September.

For the second consecutive year Taylor Rundle was a member of the dance troupe who performed for five of the 10 shows.

The Primary Schools Festival of Music, an official state icon, engages our students in artistic excellence, cultural diversity and social inclusion through performance in Music and the Arts.

This year Paul Jarman was commissioned to compose a set of four songs entitled "World of Tomorrow".

In this rapidly evolving modern world, it is hard to imagine less than two hundred years ago there was no electricity, running water or central heating and cooling. We lived without antibiotics and medicines. Cars, trucks, buses and planes were not yet invented. There were no telephones, let alone smart phones.

While most of these differences have improved our lives, some haven't. Many are greatly influencing our lives but are we heading the right way?

The technology challenges of our changing world formed the theme of our four-part song cycle called "World of Tomorrow".

Our students, thanks to choir teachers Ben Graefe and Jayne Winter, engaged enthusiastically with all aspects of the evening. They sang and danced with energy and passion using their well-practiced performance skills. We thank them and Georgina Weissmann, Leanne Pridham and Debbie Terrett for their help on the day and parents for preparing their children for this special occasion by learning the songs and actions and dressing appropriately.

It was a spectacular event that our students and staff enjoyed being a part of.

Yorke Peninsula Field Days

The 'kids' were quite an attraction at the Yorke Peninsula Field Days, the four-legged variety, that is!

Kadina Memorial students and staff provided an excellent hands-on experience for young and older visitors at the Education Centre during the three-day event.

Thank you to students who rolled up their sleeves and represented the school at this community field day.

We also thank Ag staff, led by teacher Mr Ramsey, for organising and managing the Education Centre.

NAIDOC Week Awards

Kadina Memorial School's Aboriginal Torres Strait Island team has initiated NAIDOC awards recognising First Nations students who have gone above and beyond in and out of school, demonstrate the school values and are good role models.

Congratulations to the following students who received their award at a whole-school assembly late last term.

Reception to 2: Ella-Rose Phillips.

Years 3 to 6: Milania Power.

Years 7 to 9: Stella Hewett

Years 10 to 12: Meg Lock

Above, Mr Williams, Meg, Stella, Milania, Ella-Rose and Aboriginal Community Education Officer Mr Nigel Raymond.

KMSC Induction

Congratulations to Dex Phillips and Elly Francis who were inducted into the Middle School KMSC, whilst Amber Waters was inducted in to the Senior KMSC.

The induction occurred at a whole-school assembly with the three students pledging the KMSC oath.

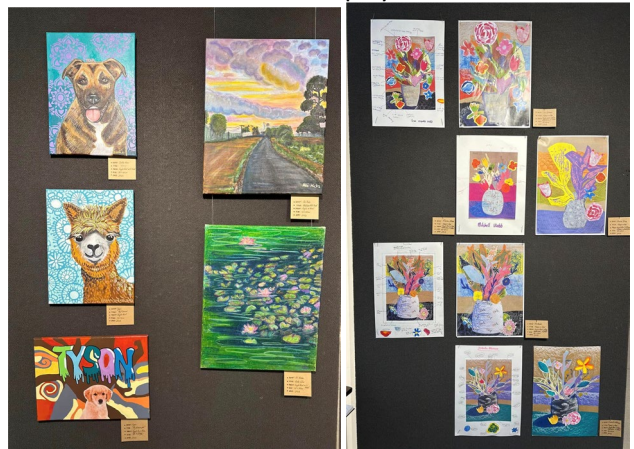

Above, Mr Williams, Dex Phillips, Elly Francis, and Amber Waters.

Ascot Art Exhibition

Secondary artwork is currently on display in the Ascot Gallery on Graves Street in Kadina during October.

Families and friends are encouraged to visit to see first-hand the talented work on display.

ONE NIGHT ONLY!

Disability News

Last term Will from the SANFL came back to the school for the second year to run the All Abilities Auskick Program with the students from the Disability Unit (and one of the Hub classes). The program took place over six weeks and was held on Friday afternoons. The students all really enjoyed getting out on the oval and learning some new skills, such as kicking and passing the ball and tackling Billy the Bump Bag. At the end of the program Will made a special trip to present the students with a pack that included a selection of goodies such as socks, footballs, hats, bags and a certificate.

We would like to thank the SANFL for providing our students with this opportunity, and particularly to Will who is very popular with our students and does an amazing job with them, teaching them new skills and making sure that everyone has an opportunity to try something they may not have otherwise had access to.

Simone Anderson

Head of the Disability Unit

Canteen News

We have introduced a couple of new items, brought back a long-time favourite, changed the pizza day special to another day and added a new milk drink. So, be sure to check out the new summer menu on QKR. The menu will also be emailed to families and available on the school website at:

<https://www.kms.sa.edu.au/canteen-summer-menu-term-4-2023-term-1-2024/>

Please remember to let your children know before school that they have a lunch order to avoid hungry students missing out and ensuring it doesn't go to waste. Too often we have delicious lunch packs uncollected at the canteen.

Also, if your child goes home sick or you have pre-ordered your child's lunch and they are sick please let us know so that we can hold their order for another day.

Wishing the year 12 students all the best as they complete their final weeks of school and thank you to those individuals who have volunteered in the canteen from time to time.

Jeanette, Annie, Carmen, Pam, Steph and volunteers

Disco Dancers

Many thanks to the staff and families who supported the R-2 and 3-6 discos late last term.

Students had a great time grooving away and getting dressed up for the occasion.

This was a Primary KMSC initiative.

2023 Materials & Services Charge

The Materials and Service Charge (M&S) for 2024 has been set at \$287 for R-6 and \$379 for Year 7-12 by the South Australian Government. It is proposed the school will charge this standard sum for 2024. The school community is therefore invited to the next Governing Council meeting in week 3, **Wednesday 1st November**, in the Food and Hospitality Centre 6:45pm where the M&S charge will be discussed, and approval sought. If you are not able to attend the meeting but would like to submit your view, please do so in writing addressed to the Governing Council Chairperson prior to the meeting. Correspondence can be emailed to paula.mckay43@schools.sa.edu.au marked attention GC Chairperson. The M&S fees and charges are also available to view on the school website:

<https://www.kms.sa.edu.au/2024-materials-services-charge/>

Pathways to Construction Paving

Students learn the technique of paving. It's a precise business making sure all pavers are level and safe.

Stage 2 Metal Technology

Year 12 student Riley Hewett literally needed a ute to load his Stage 2 project to take home!

Riley designed and completed a ute tray which we are sure will come in handy on the farm.

Above, Riley prepares his ute tray for travelling.
