

Dear Parent / Caregiver,
Materials & Services Charge payment days are Tuesday 23rd and Wednesday 24th January. The purchase of Stationery Requirements is the responsibility of parents/caregivers. Kadina Memorial School Finance Office stocks a minimum of stationery items for emergencies only. Below is a list of stationery that needs to be purchased.

It is highly recommended that Year 12's have access to their own personal device.

All students will need to purchase a set of headphones. These are readily available from office suppliers and computer shops.

It is also highly recommended that a minimum of 320 GB external hard drive be purchased to back up student work when using the laptop at home. We strongly encourage students to also use email and DAYMAP to store electronic work daily.
